Success Stories

Join Our Best Performing Partners

I really think I would have struggled to get off the ground without Performance Leads and I highly recommend that new advisers with few existing clients look at this type of approach.

...

Excellent value for money and great service. I'm currently looking at a **ROI of around 400%** on gross initial fees alone, plus significant ongoing income and onward referral opportunities.

...

You genuinely have changed my life. I'm looking forward to growing our relationship for many years to come.
Andy spent **£3,819** in his first 6 months with Performance Leads generating initial fees of **£17,650** & ongoing fees of **£4,339**

...

Just to let you know that I have had my best month with you so far. I received 14 leads and am doing business with 3 of these for **£12,000** initial fees and around **£5,000** ongoing.

...

Year one ROI of **400%**. Cost per client acquired **£534**

The Product

High Intent Web Leads delivered in real time from our online partner portal to both yourself & the consumer.

Each lead is a consumer actively searching the web for financial advice with at least £50k in investible assets.

On Page Qualification, Gather Postcode, Type of Advice, Contact Details.

We identify consumers looking for Final Salary, Equity Release, Mortgage, Debt Assistance, State Pension, Benefits or Pension Credits & redirect them away from the financial advice proposition.
