Stop by the **GEMS table in the back** to choose a girl to pray for and become a source of encouragement in her life. If you have questions, please reach out to Amanda Olson.

Children of the Promise is excited to share the news of their latest initiative, **Amplify: Haiti**. Amplify: Haiti is a multi-phase initiative kicking off with a capital campaign raising funds to construct a new primary school, followed by campus renovations to build new partnerships. The completion of this campaign means more than just new and updated buildings, it's about creating sustainable solutions that lead towards deeper investments in programs serving those most vulnerable to family separation, especially families of children with special needs. This vision is leading us into 2026 with anticipation, hope, and growth. To learn more, donate or watch the Vision Video go to: www.childrenofthepromise.org/amplifyhaiti or contact Jenna Thorson at jthorson@childrenofthepromise.org
