### Maximum Bookmaker Bet Limits

Up until 3 minutes prior to the advertised starting time of the race bookmakers need not risk more than \$1,000 on any one bet— When a bookmaker refuses to accept a bet which is in excess of the maximum amount which he is obliged to accept under the provision of this rule, the bookmaker must inform the bettor of the lesser amount which the bookmaker is obliged to accept under the rule.

### Betting Deductions Explained

After a Bookmaker has posted their prices for a race, a horse may be scratched for any number of reasons. When this occurs the Bookmakers original prices are now incorrect, as they were based on scratched horse/s taking part in the event. Bookmakers have no jurisdiction over deductions and are directed by the Northern Territory governing racing bodies who have adopted the ARB (Australian Racing Board) sanctioned method of calculating a deduction. Depending on the amount of horses scratched, and their price, the deduction will differ. For example if a short priced favorite is scratched the deduction is greatly increased, and the more horses scratched the higher the deduction. However when a long shot or higher priced horse is scratched the deduction is minimal or none as it has less effect on the price. A bookmaker has to refund the money on scratched horse/s

## HOW TO BET: BET TYPES

The Ladbrokes app has a range of bet types to make your betting experience even more exciting

**WIN** - Pick the runner you think will finish first.

**PLACE** - Pick the runner you think will finish in the first three. Third place will only be paid on races with eight or more runners.

**EACH WAY** - An Each Way combines the win and place bets. If your runner wins, you will collect both a win and a place dividend. If your runner finishes 2nd or 3rd, you will collect a place share only.

**FIRST 4** - Pick the runners you think will finish 1st, 2nd, 3rd, and 4th in a race, in the correct finishing order. If you "box" your selections, they can finish 1st, 2nd, 3rd or 4th in any order.

**QUADDIE** - Find the Quaddie selections field in your race card and simply tick the box next to each of the runners you would like to include across the four designated races.

**SAME RACE MULTI** - Select between 2 to 4 runners to finish anywhere you choose in the top four. Ladbrokes offers Same Race Multi on thoroughbred, greyhound, harness and international races.<sup>^</sup>

**BLENDED** - Back multiple runners from the same race and get more winning chances with a Blended Bet.\*

**TRIFECTA** - Pick the runners you think will finish 1st, 2nd or 3rd in a race, in the correct finishing order. If you "box" your selections, they can finish 1st, 2nd or 3rd in any order.
