General: D Barton (ZUETORO) was questioned by Stewards after it was reported that she had made comments to the barrier staff in relation to how they do their job after her mount got loose and subsequently scratched when being resaddled. Whilst Stewards accepted that the comments were not of an improper nature, D Barton was advised that any unnecessary verbal comments to barrier staff whilst they are in the course of their duties will not be tolerated and therefor D Barton was placed on notice that a similar occurrence may lead to some action being taken.

VALLEY PRINCE (J Booth) – Bumped with another runner on jumping and lay in under pressure concluding stages.

SHEER REWARD (J Hampson) – Began awkwardly.

General: Stewards questioned H Le Blanc (BECQUEREL) in relation to her ride throughout the event and the lack of vigour shown on her mount from the top of the straight. H Le Blanc explained that she was of the opinion that the gelding did not feel right in its action and felt it unnecessary to test her mount at the top of the straight. As this was not reported to the Stewards, she was reminded of her obligations under AR114 that she must report to the Stewards as soon as practicable anything that may have affected her mounts running. Stewards also advised that by not reporting such concerns about a runners welfare immediately, it eliminates any chance for a veterinary examination on a runner to be performed. Stewards further advised that in future she must ride in a manner that does not leave her rides open for question.

1ST SHEER REWARD 2ND VALLEY PRINCE 3RD KICKATORP

Maximum Bookmaker Bet Limits

Up until 3 minutes prior to the advertised starting time of the race bookmakers need not risk more than \$1,000 on any one bet— When a bookmaker refuses to accept a bet which is in excess of the maximum amount which he is obliged to accept under the provision of this rule, the bookmaker must inform the bettor of the lesser amount which the bookmaker is obliged to accept under the rule.

Betting Deductions Explained

After a Bookmaker has posted their prices for a race, a horse may be scratched for any number of reasons. When this occurs the Bookmakers original prices are now incorrect, as they were based on scratched horse/s taking part in the event. Bookmakers have no jurisdiction over deductions and are directed by the Northern Territory governing racing bodies who have adopted the ARB (Australian Racing Board) sanctioned method of calculating a deduction. Depending on the amount of horses scratched, and their price, the deduction will differ. For example if a short priced favorite is scratched the deduction is greatly increased, and the more horses scratched the higher the deduction. However when a long shot or higher priced horse is scratched the deduction is minimal or none as it has less effect on the price. A bookmaker has to refund the money on scratched horse/s
