

2025-2026 Book Process

Here you will find step by step instructions for purchasing books and other materials for the 2025-2026 school year.

1. Course List

The first thing you will want to do is consult your **Course List**. This list tells you what courses you will be taking during the 2025-2026 school year. Your **Course List** will be emailed to you on **July 14, 2025**.

2. Book List

Once you know what courses you are taking, you will want to consult the **Grade 7-8 Book List**. The Book List is organized by subject area and by course. It will tell you exactly what books and materials you need and where to find them. This year's **Book Lists** will be finalized and published on the **New Student Information webpage**¹ on our website on **July 16, 2025**.

3. Purchase Materials

Now that you know what books and materials you need, you can begin purchasing.

All Grade 7 & 8 families are required to purchase the **Grade 7 & 8 Book Rental Fee for \$235**. In the **Grade 7-8 Book List**, you will see which items are covered by this book rental fee. For other materials that must be purchased independently, families should follow any direct links listed in the Book List. Unless otherwise noted, families are encouraged to purchase required books and materials through Amazon or Barnes and Nobles. Families can purchase items through other vendors as well. When purchasing, please make sure to select the correct edition that matches the ISBN code listed.

The Grade 7 & 8 Book Rental fee will be added to your FACTS account the week of July 14

Additional Supplies - For students in Grades 7 and 8, please consult your Book List for additional supplies. We recommend **all students** bring a notebook and writing materials to the first day of classes.
