Each Unit shall be conveyed as a separately designated and legally described freehold estate subject to the Act and the Condominium Instruments. The Units are depicted on the Plat. Each Unit includes that part of the structure which lies within the following boundaries:

(a) Vertical Boundaries. The vertical boundaries of each Unit shall be the vertical planes formed by the inside unfinished surface of the wall system serving the Unit and the inside unfinished surface of the wall separating one Unit from another, or the Unit from the hallway or other areas of the floor on which the Unit is located in the Building. With respect to common walls between Units, the vertical boundaries of the Units served thereby shall be the inside unfinished surface of such walls. With respect to the Roof Decks, the vertical boundaries of the Units shall be the inside unfinished surface of the fences, walls or other partitions separating one Unit from another, or the Unit from the walkway or other areas of the roof. The vertical boundaries include the inside unfinished surface of the wallboard or other material comprising the walls of the Unit.

(b) Horizontal Boundaries.

(i) The horizontal boundaries of the Commercial Unit shall be the following:

(A) The upper horizontal boundary of that portion of the Commercial Unit located in the Basement is the inside unfinished surface of the concrete slab between the ceiling of the Basement and the flooring of the area above it. The lower horizontal boundary of that portion of the Commercial Unit located in the Basement is the inside unfinished surface of the concrete subflooring of the Basement, with the flooring, if any, constituting part of the Commercial Unit and the concrete subflooring and building foundation not constituting part of the Commercial Unit.

(B) The upper horizontal boundary of that portion of the Commercial Unit located in the first (1st) floor of the Building is the inside unfinished surface of the concrete slab between the ceiling of such portion of the Commercial Unit and the flooring of the area above it. The lower horizontal boundary of that portion of the Commercial Unit located in the first (1st) floor of the Building is the inside unfinished surface of the concrete slab between the flooring of such portion of the Commercial Unit and the ceiling of the Basement.

(ii) The upper horizontal boundary of each Residential Unit located on the second (2nd) floor of the Building is the inside unfinished surface of the concrete slab between the ceiling of such Unit and the flooring of the area above it. The lower horizontal boundary of each such Unit is the inside unfinished surface of the concrete slab between the flooring of such Unit and the ceiling of the Unit below it.

(iii) The upper horizontal boundary of each Residential Unit located on the third (3rd) floor of the Building is the inside unfinished surface of the concrete slab between the ceiling of such Unit and the roof of the Building or other area above such Unit. The lower horizontal boundary of each such Unit is the inside unfinished surface of the concrete slab between the flooring of such Unit and the ceiling of the floor below it.

If any chutes, flues, ducts, conduits, wires, pipes or other apparatus lie partially within and partially outside of the designated boundaries of the Unit, any portion thereof which serves only that Unit shall be deemed to be a part of that Unit, while any portions thereof which serve more than one (1) Unit or any portion of the Common Elements shall be deemed a part of the Common Elements.

In interpreting deeds and the Plat, the existing physical boundaries of a Unit as originally constructed or of a Unit reconstructed in substantial accordance with the original Plat thereof, or any amendments or supplements thereto, shall be conclusively presumed to be its boundaries rather than the metes and bounds expressed in any deed or Plat, regardless of settling or lateral movement of the Building in which the Unit was located, and regardless of minor variance between the boundaries shown on the Plat or in a deed and those of the Unit.

The ownership of each Unit shall include, and there shall pass with each Unit, whether or not separately described in the conveyance thereof, that percentage of the undivided right, title and interest in the Common Elements and Limited Common Elements attributable to such Unit, together with membership in the Association and that percentage of the undivided interest attributable to such Unit in the funds and assets held by the Association.

5. COMMON ELEMENTS.

The Common Elements consist of all portions of the Condominium not located within the boundaries of a Unit. The Common Elements include, but are not limited to, certain utility infrastructures including, but not limited to, such items as plumbing stacks or electrical feeder lines, fire escape staircases, the foundation, roof, all concrete floor and ceiling slabs, exterior walls of the Building, mail room, stairs, hallways, lobby, elevators, elevator shafts, elevator lobbies, elevator machine room, electrical rooms, main communications room, mechanical rooms, maintenance room, dumpster, water meter room, loading docks, exterior portions of exterior windows of the Building, all door knobs and other hardware on the sides of the doors of the Units which face any Common Element of the Building, and all lighting in any Common Element of the Building.

Ownership of the Common Elements shall be by the Owners as tenants-in-common. The percentage of undivided interest in and to the Common Elements attributable to each Unit is set forth in Exhibit "B" attached hereto and incorporated herein by this reference. Such percentages of undivided interest may be altered only by the consent of all Owners and Mortgagees (or such

lesser number of Owners and Mortgagees as may hereafter be prescribed or as may be prescribed by the Act) expressed in a duly recorded amendment to this Master Deed.

The Common Elements shall remain undivided, and no Owner or any other Person shall bring any action for partition or division of the whole or any part thereof except as provided in the Act. Except as provided for Limited Common Elements or as otherwise provided herein, each Owner and the Association may use the Common Elements for the purposes for which they are intended, but no such use shall enter or encroach in any material respect upon the lawful rights of the other Owners. Subject to the rights of Declarant and the Commercial Unit Owner as is elsewhere expressly provided for herein, the Board may establish from time to time reasonable rules and regulations pertaining to the Common Elements.

Notwithstanding anything to the contrary set forth herein, Declarant reserves the right at any time to annex as a portion of the Commercial Unit all or a portion of the area of the Common Elements in the Basement or on the first (1st) floor of the Building designated on the Plat as the "Expansion Area". In the event of such annexation by Declarant, the percentage of undivided interest in the Common Elements appurtenant to each Unit, and the square footage of the Commercial Unit, both of which are set forth in Exhibit "B" hereto, shall be modified to reflect the amount of square footage of the Common Elements so annexed, and the Board of Directors, on behalf of the Association (but without the need for a vote of the members) shall record an amendment to this Master Deed reflecting such reallocation of the undivided interests.

6. LIMITED COMMON ELEMENTS.

(a) The Limited Common Elements located on the Condominium and the Unit(s) to which they are assigned are as follows, and may be more specifically shown on the Plat:

(i) the portion of the Common Elements on which there is located any portion of the air conditioning or heating system exclusively serving a particular Unit or Units is assigned as a Limited Common Element to the Unit or Units so served;

(ii) any utility meter which serves only one (1) Unit is assigned as a Limited Common Element to the Unit so served;

(iii) a balcony or a terrace attached to and exclusively serving a Unit, as more specifically shown on the Plat, is assigned as a Limited Common Element to the Unit so served;

(iv) each Residential Unit is assigned one (1) mailbox or mail slot, to be initially assigned in the sole discretion of Declarant.

(b) The Association's Board of Directors, without need for a membership vote, is hereby authorized to assign and to reassign Limited Common Elements and Common Elements not previously assigned, provided that any such assignment or reassignment shall be made in accordance with the Act. A Common Element not previously assigned as a Limited Common Element may be assigned by the Board as a Limited Common Element, and a Limited Common Element may be reassigned by the Board, without the need for a vote of the Association, upon

written application to the Association by the Owner or Owners for whose exclusive use such Common Element is requested or whose use of the Limited Common Element previously assigned is directly affected. Upon such application, the Association at the expense of the requesting Owner or Owners, shall prepare and execute an amendment to the Master Deed assigning the Common Element as a Limited Common Element or reassigning the Limited Common Element, which amendment shall be executed by the Owner or Owners making such application. The Board has the right to approve or disapprove any such request made by any Owner.

7. ASSOCIATION MEMBERSHIP AND ALLOCATION OF VOTES.

All Owners, by virtue of their ownership of a fee or undivided fee interest in any Unit in the Condominium, excluding Persons holding such interest under a Mortgage, are members of the Association, and, except as otherwise provided herein or in the Bylaws, shall be entitled to vote on all matters upon which members of the Association are entitled to vote pursuant to the Master Deed and in accordance with the Bylaws. Subject to the provisions of the Condominium Instruments, the Owner of the Commercial Unit shall be entitled to twenty-two (22) votes for such Unit, and the Owner of a Residential Unit shall be entitled to one (1) vote for each such Unit.

8. ALLOCATION OF LIABILITY FOR COMMON EXPENSES.

(a) Except as provided below or elsewhere in the Act or Condominium Instruments, the amount of all Common Expenses shall be assessed against all the Units in accordance with the percentage of undivided interest in the Common Elements appurtenant to the Unit as set forth in Exhibit "B" attached hereto and incorporated herein by this reference.

(b) The Board of Directors shall have the power to levy special assessments against Units pursuant to subparagraphs 8(b)(i) and (ii) below which the Board, in its discretion, shall deem appropriate. Failure of the Board of Directors to exercise its authority under this Paragraph shall not be grounds for any action against the Association or the Board of Directors and shall not constitute a waiver of the Board's right to exercise its authority under this Paragraph in the future with respect to any expenses, including an expense for which the Board has not previously exercised its authority under this Paragraph.

(i) Any Common Expenses benefiting less than all of the Units or significantly disproportionately benefiting all Units (such as Common Expenses benefiting the Unit or Units to which certain Limited Common Elements have been assigned, as set forth in Paragraph 6 hereof) shall be specially assessed equitably among all of the Units that are benefited according to the benefit received. Except for expenses for maintenance, repair or replacement of Limited Common Elements, which may be specially assessed, expenses incurred for the maintenance, repair or replacement of the Area of Common Responsibility, shall not be specially assessed.

(ii) Any Common Expenses occasioned by the conduct of less than all of those entitled to occupy all of the Units or by the Occupant(s), licensees or invitees of any such Unit or Units may be specially assessed against such Unit or Units.

(c) The Condominium is currently served by (i) a common water meter and two (2) submeters for water service, one (1) submeter for water service to the Commercial Unit and one (1) submeter for water service to all of the Residential Units, collectively, and (ii) a common electrical meter and submeters for electric service to individual Units and the Common Elements. The Board shall have the authority to assess individual Unit utilities usage charges based on readings of either existing or installed submeters or based upon reasonable estimates of utilities charges with periodic adjustments, including the right to add a charge for the cost of overhead for such submetering, to add a charge for common area utilities usage charges based on such individual usage as a proportion of all individual usage, and/or to install separate, direct utility meters for the Units.

(d) In accordance with the provisions of Paragraph 11, it is hereby acknowledged that the property or hazard insurance coverage for the Association shall also include coverage for the interior portions of the Commercial Unit and personalty (including, but not limited to, fixtures and appliances) of the Commercial Unit Owner; provided, however, that at such time as the Commercial Unit is no longer owned by the Declarant, the Association's insurance coverage shall no longer include the Commercial Unit. The Board shall make a reasonable allocation of the premium for the property insurance coverage between the Association and the Commercial Unit Owner. Deductibles required pursuant to the property insurance policy shall be handled in the manner described in Paragraph 11.

(e) In accordance with the provisions of Paragraph 11, it is hereby acknowledged that the liability, public liability or umbrella insurance coverages for the Association shall also include coverage for occurrences for which the Association and the Commercial Unit Owner may be liable within or about the Building. Due to the nature of liability, public liability and umbrella insurance and that the Commercial Unit Owner is responsible for a significant portion of the Association's costs, it is agreed that the Association shall pay the entire amount of the liability, public liability or umbrella insurance coverage premium and there will not be a separate allocation to the Commercial Unit Owner other than any deductibles that can be specifically attributable to an occurrence occurring in the Commercial Unit. At such time as the Commercial Unit is no longer owned by the Declarant, the Association's insurance coverage shall no longer include the Commercial Unit.

9. ASSOCIATION RIGHTS AND RESTRICTIONS.

In addition to and not in limitation of all other rights it may have, the Association, acting through its Board of Directors, shall have the right and authority:

(a) to enter into Units for maintenance, emergency, security, or life-safety purposes, which right may be exercised by the Board of Directors, officers, agents, employees, managers, and all police officers, firemen, ambulance personnel, and similar emergency personnel in the performance of their respective duties. Except in an emergency situation, entry shall be only

during reasonable hours and after reasonable notice to the Owner or Occupant of the Unit. For the purposes of this Paragraph, an emergency justifying immediate entry into a Unit shall include, but not be limited to, the following situations: a water or other utility leak, fire, strong foul odor, obvious insect infestation or sounds indicating that a person or animal might be injured or sick and require immediate medical attention. No one exercising the rights granted in this subparagraph shall be liable for trespass, damages, or in any other manner by virtue of exercising such rights. The failure to exercise the rights herein or to exercise said rights in a timely manner shall not create liability to any of the above-referenced parties, it being agreed that no duty to enter a Unit shall exist;

(b) to make and to enforce reasonable rules and regulations governing the use of the Condominium, including the Units, Limited Common Elements, and Common Elements;

(c) to enforce use restrictions, other Master Deed and Bylaws provisions, and rules and regulations now or hereafter promulgated by the imposition of reasonable monetary fines, imposition of liens and suspension of use and voting privileges as provided in the Condominium Instruments;

(d) to grant and accept permits, licenses, utility easements, easements, and other easements;

(e) to control, manage, operate, maintain, improve and replace all portions of the Area of Common Responsibility;

(f) to represent and act on behalf of the Owners in the event of damage or destruction as a result of casualty loss in accordance with the provisions of the Act and Paragraph 12 of this Master Deed;

(g) to represent and act on behalf of the Owners in the event of any loss resulting from condemnation or eminent domain in accordance with the provisions of the Act and Paragraph 20 of this Master Deed;

(h) to acquire, hold, and dispose of tangible and intangible personal property and real property;

(i) to collect security deposits in reasonable amounts, as determined by the Board of Directors in its sole discretion, to protect against any damage to the Condominium, including, without limitation, damage resulting from: moving in or out of a Unit; the transportation and use of construction materials in the Condominium; and the alteration, modification, or addition to a Unit and any Limited Common Element appurtenant thereto. Costs for repair of such damage may be deductible from the security deposit and any additional expenses may be specifically assessed against the Unit under subparagraph 8(b)(ii) above;

(j) to approve contractors or subcontractors who have access to the Condominium for the purpose of making repairs or improvements to Units based on rules and regulations promulgated and adopted by the Board which may include, without limitation: financial stability

of the contractors and/or subcontractors; history of compliance with the Condominium Instruments and rules and regulations of the Association; and other factors that may be reflective of quality and ability. The Board may also impose insurance requirements and collect other non-refundable fees for use of elevators and the trash receptacle;

(k) at the sole expense of the Association, without need for a membership vote, and without the consent of any affected Owner, to relocate any portion of the air conditioning, heating, plumbing, ventilating, exhaust, electrical, or telecommunications system serving a particular Unit, provided that after such relocation, the system serving the Unit functions at least as well and at no greater cost to the Owner as existed prior to the relocation and costs may be specifically allocated by the Board to the Owner(s) of a Unit or Units who requested such work; and

(l) to close permanently or temporarily any portion of the Common Elements (excluding the Limited Common Elements, and any Common Elements the use of which is reasonably necessary for access to or from a Unit and any portion of the Common Elements over, on, upon or which Declarant or the Owner(s) of any Commercial Unit have an easement) with not less than thirty (30) days prior notice to all Owners, except that, in emergency situations requiring a temporary closing, prior notice shall not be required so long as notice is given within three (3) days after the closing explaining the reason for the closing. Notwithstanding the above, the Owners may re-open closed Common Elements by a Majority vote of the Total Association Vote, cast at a duly called special or annual meeting; and

(m) to hire, contract with, employ, manage, oversee coordinate and or terminate a courtesy patrol service.

10. ASSESSMENTS.

(a) Purpose of Assessment. The Association shall have the power to levy assessments as provided herein or in the Act. The assessments for Common Expenses provided for herein shall be used for the general purposes of promoting the recreation, health, safety, welfare, common benefit, and enjoyment of the Owners and Occupants of Units in the Condominium as may be more specifically authorized from time to time by the Board.

(b) Creation of the Lien and Personal Obligation For Assessments. Each Owner of any Unit, by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association: (i) annual assessments or charges; (ii) special assessments to be established and collected as hereinafter provided; and (iii) specific assessments against any particular Unit which are established pursuant to the terms of this Master Deed, including but not limited to reasonable fines imposed in accordance with the terms of this Master Deed.

All such assessments, together with charges, interest, costs, and reasonable attorneys' fees actually incurred shall be a charge on the Unit and shall be a continuing lien upon the Unit against which each assessment is made. Such amounts shall also be the personal obligation of the Person who was the Owner of such Unit at the time when the assessment fell due. Each Owner

and his grantee shall be jointly and severally liable for all assessments and charges due and payable at the time of any conveyance.

Assessments shall be paid in such manner and on such dates as may be fixed by the Board of Directors; unless otherwise provided, the annual assessments shall be paid in substantially equal monthly installments due on the first (1st) day of each calendar month. No Owner may be exempted from liability for or otherwise withhold payment of assessments for any reason whatsoever, including, but not limited to, nonuse of the Common Elements, the Association's failure to perform its obligations required hereunder, or inconvenience or discomfort arising from the Association's performance of its duties. The lien provided for herein shall be subordinate to any Mortgage on a Unit if the Mortgage was recorded before the delinquent assessment or charge was due.

The Board of Directors shall have the right to: (i) not spend the full amount budgeted for any particular line item in the budget; (ii) spend more than what has been budgeted; and (iii) shift revenues within the budget from one line to another.

Notwithstanding anything to the contrary stated herein, during the Declarant Control Period, the Declarant or Declarant appointed Board of Directors shall be authorized to unilaterally reduce the amount of the annual assessments owed on Units without the necessity of a vote of the Owners to reflect cost savings that were not contemplated at the time the initial, estimated operating budget for the Association was developed.

(c) Delinquent Assessments. All assessments and related charges not paid on or before the due date shall be delinquent, and the Owner shall be in default, and such delinquent assessments and charges shall constitute a lien against such Owner's Unit.

(i) If any monthly installment of annual assessments or any part thereof is not paid in full by the tenth (10th) day of the month or if any other charge is not paid within ten (10) days of the due date, a late charge equal to the greater of Fifty Dollars (\$50) or ten percent (10%) of the amount not paid, or such higher amounts as may be authorized by the Act, may be imposed without further notice or warning to the delinquent Owner and interest at the rate of ten percent (10%) per annum or such higher rate as may be permitted by the Act shall accrue from the due date.

(ii) If part payment of assessments and related charges is made, the amount received may be applied first to costs and attorneys' fees, then to late charges, then to interest, then to delinquent assessments, and then to current assessments, or as the Board may otherwise determine.

(iii) If assessments, fines or other charges or any part thereof due from an Owner remain delinquent and unpaid for a period greater than fifteen (15) days from the date due, a notice of delinquency may be given to that Owner stating that if the assessment, fine or charge remains delinquent for more than ten (10) days from the date of the notice of delinquency, the Board of Directors may accelerate and declare immediately due all of that Owner's unpaid installments of the annual assessment and of any special assessment without any

further notice being given to the delinquent Owner. Upon acceleration, that Owner shall thereby lose the privilege of paying the annual assessment in monthly installments for that fiscal year.

(iv) If assessments and other charges or any part thereof remain unpaid more than thirty (30) days after they become delinquent, the Association, acting through the Board, may institute suit to collect all amounts due pursuant to the provisions of the Master Deed, the Bylaws, and Tennessee law, including reasonable attorneys' fees actually incurred, and suspend the Owner and/or Occupant's right to use the Common Elements. However, the Board may not limit ingress or egress to or from the Unit.

If any assessment or other charge is delinquent for thirty (30) days or more, then, in addition to all other rights provided under law and herein, the Association shall have the right to suspend water, electricity, gas, heat, air conditioning, cable or satellite television, internet access or other internet-based services, or other utility services to the Unit paid for as a Common Expense by the Association. Any costs incurred by the Association in discontinuing and/or reconnecting any utility service, including reasonable attorneys' fees, shall be an assessment against the Unit. The utility services shall not be required to be restored until all delinquent or other charges are paid in full, at which time the Association shall make arrangements for restoration of the service. An Owner whose utility or service has been suspended hereunder shall not be entitled to use any such utility or service from any source, and any such unauthorized use shall be considered a theft of services. Enforcement under this subparagraph is not dependent upon or related to other restrictions and/or other actions.

(d) Computation of Operating Budget and Assessment. It shall be the duty of the Board at least twenty-one (21) days prior to the Association's annual meeting to prepare and deliver to each member a budget covering the estimated costs of operating the Condominium during the coming year and a notice of the assessments to be levied against each Unit for the following year. The budget and the assessment shall become effective unless disapproved at a duly called and constituted annual meeting of the Association by a vote of a Majority of the Total Association Vote; provided, however, if a quorum is not obtained at the annual meeting, the budget shall become effective even though a vote to disapprove the budget could not be called at this meeting.

Notwithstanding the foregoing, in the event that the membership disapproves the proposed budget or the Board fails for any reason so to determine the budget for the succeeding year, then and until such time as a budget shall have been determined as provided herein, the budget in effect for the current year shall continue for the succeeding year. In such case, the Board may propose a new budget at any time during the year at a special meeting of the Association. The proposed budget and assessment shall be delivered to the members at least twenty-one (21) days prior to the proposed effective date thereof and at least seven (7) days prior to the special meeting. The approval procedure set forth above for budgets considered at annual meetings shall also apply to budgets considered at special meetings.

(e) Special Assessments. In addition to the annual assessment provided for in subparagraph (c) above, the Board may, at any time, and in addition to any other rights it may have, levy a special assessment against all Owners, notice of which shall be sent to all Owners.

Any special assessment (except as provided in subparagraph 8(b) and subparagraph 12(b) herein) which would cause the total of special assessments levied in one (1) fiscal year to exceed the amount One Dollar (\$1.00) per square foot for each Unit, which square footage is set forth on Exhibit "B" attached hereto as it may be modified or amended hereafter, shall be approved by a Majority of the Total Association Vote prior to becoming effective.

(f) Capital Reserve Budget and Contribution. The Board of Directors shall annually prepare a capital reserve budget that shall take into account the number and nature of replaceable assets, the expected life of each asset, and the expected repair or replacement cost. The Board shall set the required capital reserve contribution, if any, in an amount sufficient to permit meeting the projected capital needs of the Association, as shown on the capital reserve budget, with respect both to amount and timing by equal annual assessments over the period of the budget. The annual capital reserve contribution required, if any, shall be fixed by the Board and included within the budget and assessment as provided in subparagraph (e) of this Paragraph. A copy of the capital reserve budget shall be distributed to each member in the same manner as the operating budget.

(g) Date of Commencement of Assessments. Assessments shall commence as to each Unit on the date of this Master Deed. The first annual common assessment shall be adjusted according to the number of days then remaining in that fiscal year.

(h) Statement of Account. Any Owner, Mortgagee, or a Person having executed a contract for the purchase of a Unit, or a lender considering a loan to be secured by a Unit, shall be entitled, upon written request, to a statement from the Association setting forth the amount of assessments due and unpaid, including any late charges, interest, fines, or other charges against a Unit. The Association shall respond in writing within ten (10) business days of receipt of the request for a statement; provided, however, the Association may require the payment of a fee, not exceeding Ten Dollars (\$10), or such higher amount as may be authorized by the Act, as a prerequisite to the issuance of such a statement. Such written statement shall be binding on the Association as to the amount of assessments due on the Unit as of the date specified therein.

(i) Surplus Funds and Common Profits. Common profits from whatever source shall be applied to the payment of Common Expenses. Any surplus funds remaining after the application of such common profits to the payment of Common Expenses shall, at the option of the Board of Directors, either be distributed to the Owners or credited to the next assessment chargeable to the Owners in proportion to the liability for Common Expenses attributable to each Unit, or added to the Association's capital reserve account as set forth in (g) above.

If the Board of Directors reasonably determines that during a fiscal year there will likely be a surplus of funds at the end of such fiscal year (excluding amounts designated for reserves), the Board may, but shall not be required to, reduce the amount of the annual assessment to be collected from the Owners for the remainder of that fiscal year. Any Owner who has already paid the entire annual assessment at the time of such reduction shall, in the discretion of the Owner, either receive a refund of the overpayment or a credit of the amount of the overpayment towards the annual assessment of the Association for the following fiscal year. Notwithstanding the

above, the Association may first apply the amount of any overpayment toward any other amount an Owner may owe to the Association.

(j) Working Capital Fund. Declarant shall initially establish a working capital fund in the amount of Five Thousand Dollars (\$5,000) to meet unforeseen expenditures or to purchase any additional equipment or services with reference to the Residential Units and sale and modification thereof. A non-refundable contribution to the working capital fund of the Association shall be paid by the purchaser of a Unit at the closing of each sale or resale of a Residential Unit or a Commercial Unit in the amount of two (2) months of the general assessment then being charged to such Unit. Notwithstanding anything to the contrary herein, the contribution to the working capital fund shall not be due from: (i) any grantee who is the spouse or former spouse of the grantor; (ii) any grantee that is a wholly-owned entity of the grantor; (iii) any grantee to whom a Unit is conveyed by a will or through the law of intestacy; (iv) any grantee of a Unit who obtains title pursuant to judicial or nonjudicial foreclosure of any first Mortgage of record or secondary purchase money Mortgage of record; or (v) except as provided above regarding the initial contribution by Declarant, Declarant.

11. INSURANCE.

The Association shall obtain and maintain at all times, as a Common Expense, insurance as required herein. The Association shall obtain property insurance that shall, at a minimum, (i) afford fire and extended coverage insurance for and in an amount consonant with the full replacement value of the buildings and other structures or improvements on the Condominium, and (ii) afford coverage for any loss or damages resulting from the leaking of water from any bath tub, shower, sink, faucet or other plumbing line or fixture located in the Building, regardless of the cause of such leak. Such coverage shall include all of the Units but, except as set forth in this Paragraph 11 and in Subparagraphs 8(d) and 8(e) hereof, shall not include any improvements or additions (including wall coverings and fixtures) made by or on behalf of any Owner in or to a Unit and shall exclude furnishings and other personal property within a Unit.

All insurance purchased by the Association pursuant to this Paragraph shall run to the benefit of the Association, the Board of Directors, officers, all agents and employees of the Association, the Owners and their respective Mortgagees, and all other persons entitled to occupy any Unit as their interests may appear and, with respect to the liability insurance policy covering the Parking Garage Easement described in subparagraph 21(h) hereof, the owner of said parking garage. The Association's insurance policy may contain a reasonable deductible, as determined by the Board, and the amount thereof shall not be subtracted from the face amount of the policy in determining whether the insurance equals at least the replacement cost of the insured property.

The Board of Directors shall make available for review by Owners a copy of the Association's insurance policy to allow Owners to assess their personal insurance needs and each Owner shall have the obligation to obtain any additional coverage at his own expense, including, but not limited to, insurance on the interior portions of the Unit that the Unit Owner would be obligated to restore following a casualty or other damage, on all personalty (including, but not limited to, fixtures and appliances) of the Unit Owner and liability insurance for incidents within

the Unit; provided the Commercial Unit Owner may insure its interests under the Association Insurance Policies, subject to the terms of this Paragraph 11 and to the terms of Subparagraphs 8 (d) and (e) hereof. At such time as the Commercial Unit is no longer owned by the Declarant, the Association's insurance coverage shall no longer include any such sold Units.

All insurance coverage for the Association shall be written in the name of the Association as trustee for itself and each of the Owners and Mortgagees of Owners and at the written request of a Mortgagee, it shall be listed as an additional insured. It shall be the duty of the Board of Directors at least every two (2) years to conduct an insurance review to determine if the policy in force is adequate to meet the needs of the Association and to satisfy the requirements of this Paragraph. Such responsibility may be performed, and shall be deemed reasonably performed, by the Board requesting the Association's insurance agent to verify that insurance policies in existence meet the needs of the Association and satisfy the requirements of this Paragraph.

(a) The Board of Directors shall utilize reasonable efforts to secure a blanket hazard insurance policy providing "special perils" coverage in an amount equal to full replacement cost, before application of deductibles, of all improvements located on the Condominium, excluding the interiors of the Residential Units which shall be the responsibility of the Residential Unit Owners. If "special perils" coverage is not reasonably available at reasonable cost, the Board shall obtain, at a minimum, fire and extended coverage, in like amounts. The Board shall use reasonable efforts to obtain policies that will provide the following:

(i) the insurer waives its rights of subrogation of any claims against directors, officers, the managing agent, the individual Owners, Occupants, and their respective household members;

(ii) any "other insurance" clause contained in the master policy shall expressly exclude individual Owners' policies from its operation;

(iii) until the expiration of thirty (30) days after the insurer gives notice in writing to the Mortgagee of any Unit, the Mortgagee's insurance coverage will not be affected or jeopardized by any act or conduct of the Owner of such Unit, the other Owners, the Board of Directors, or any of their agents, employees, or household members, nor be canceled for nonpayment of premiums;

(iv) the master policy may not be canceled, substantially modified, or subjected to non-renewal without at least thirty (30) days prior notice in writing to the Board of Directors and all Mortgagees of Units; and

(v) an agreed value endorsement and an inflation guard endorsement or its equivalent.

(b) All policies of insurance shall be written with a company licensed to do business in the State of Tennessee. The company shall provide insurance certificates to each Owner and each Mortgagee upon request.

(c) Exclusive authority to adjust losses under policies obtained by the Association shall be vested in the Association's Board of Directors; provided, however, no Mortgagee having an interest in such losses may be prohibited from participating in the settlement negotiations, if any, related thereto.

(d) In no event shall the insurance coverage obtained and maintained by the Association hereunder be brought into contribution with insurance purchased by individual Owners or their Mortgagees. Each Owner shall notify the Board of Directors of all structural improvements or significant upgrades made by the Owner to his Unit. Any Owner who obtains an individual insurance policy covering any portion of the Condominium, other than improvements and betterments made by such Owner at his expense and personal property belonging to such Owner, shall file a copy of such individual policy or policies with the Board of Directors within thirty (30) days after the purchase of such insurance. Such Owner shall also promptly notify, in writing, the Board of Directors in the event such policy is cancelled.

(e) In addition to the insurance required hereinabove, the Board shall obtain as a Common Expense:

(i) workers' compensation insurance if and to the extent necessary to meet the requirements of law;

(ii) public liability insurance for the Association and the Commercial Unit; provided, however that at such time as the Commercial Unit is no longer owned by the Declarant, the Association's insurance coverage shall no longer include the Commercial Unit, and officers' and directors' liability insurance in such amounts as the Board may determine. The public liability insurance shall contain a cross liability endorsement;

(iii) fidelity bonds, if reasonably available, covering officers, directors, employees, and other persons who handle or are responsible for handling Association funds. Such bonds, if reasonably available, shall be in an amount consistent with the best business judgment of the Board of Directors; provided, however, fidelity coverage herein required may be reduced based on the implementation of financial controls which take one or more of the following forms: (a) the Association or management company, if any, maintains a separate bank account for the working account and the reserve account, each with appropriate access controls and the bank in which funds are deposited sends copies of the monthly bank statements directly to the Association; (b) the management company, if any, maintains separate records and bank accounts for each association that uses its services and the management company does not have the authority to draw checks on, or to transfer funds from, the Association's reserve account; or (c) two (2) members of the Board of Directors must sign any checks written on the reserve account; and

(iv) such other insurance as the Board of Directors may determine to be necessary or desirable including, for example umbrella insurance coverage, personal property coverage for items owned by the Association or the Commercial Unit Owner or coverage of the following types of property contained within a Unit; regardless of ownership: (A) fixtures, improvements and alterations that are part of the Building or structure; and (B) appliances, such

as those used for refrigerating, ventilating, cooking, dishwashing, laundering, security or housekeeping.

(f) Insurance carried by the Association as a Common Expense shall not be required to include: (i) any part of a Unit that is not depicted on the original Plat; or (ii) any part of a Unit that was not included as part of the collateral for the initial loan made for the initial purchase of the Unit, nor shall the Association include public liability insurance for individual Owners for liability arising within the Unit.

(g) Nothing contained herein gives any Owner or other party a priority over any rights of first Mortgagees as to distribution of insurance proceeds. Any insurance proceeds payable to the Owner of a Unit on which there is a Mortgagee endorsement shall be disbursed jointly to such Owner and the Mortgagee. This is a covenant for the benefit of any such Mortgagee and may be enforced by any such Mortgagee.

(h) Every Owner shall be obligated to obtain and maintain at all times insurance covering those portions of his Unit to the extent not insured by policies maintained by the Association. Upon request by the Board, the Owner shall furnish a copy of such insurance policy or policies to the Association. In the event that any such Owner fails to obtain insurance as required by this subparagraph, the Association may purchase such insurance on behalf of the Owner and assess the cost thereof to the Owner pursuant to Paragraph 8(b) hereof, to be collected in the manner provided for collection of assessments under Paragraph 10 hereof.

(i) Insurance Deductibles. In the event of an insured loss, any required deductible shall be considered a maintenance expense to be paid by the Unit Owner or Unit Owners who would be responsible for such loss in the absence of insurance. If the loss affects more than one (1) Unit or a Unit and the Common Elements, the cost of the deductible may be apportioned equitably by the Board among the parties suffering the loss in proportion to each affected owner's portion of the total cost of repair. Notwithstanding this, if the insurance policy provides that the deductible will apply to each Unit separately or to each occurrence, each Owner shall be responsible for paying the deductible pertaining to his Unit, if any. If any Owner or Owners fail to pay the deductible when required under this subparagraph, then the Association may pay the deductible and assess the cost to the Owner or Owners pursuant to Paragraph 8(b) hereof, to be collected in the manner provided for the collection of assessments under Paragraph 10 hereof.

(j) Payment of Claims to Delinquent Owners. Notwithstanding anything to the contrary herein, in the event of an insured loss under the Association's master hazard insurance policy for which the Association receives from the insurer payment for a loss sustained by an Owner who is delinquent in the payment of assessments owed to the Association, then the Association may retain and apply such proceeds to the delinquency. Any surplus remaining after application of the proceeds to any delinquency shall be paid by the Association to the affected Owner.

12. REPAIR AND RECONSTRUCTION.

(a) Reconstruction. Subject to the subparagraph 12(b) below, in the event of damage to or destruction of all or any part of the Condominium as a result of fire or other casualty, the Board of Directors or its duly authorized agent shall arrange for the prompt repair and restoration and shall disburse the proceeds of all insurance policies to the contractors engaged in such repair and restoration in appropriate progress payments. In the event of substantial damage or destruction, each holder of a first Mortgage shall be entitled to written notice of the damage, and nothing in these documents shall be construed to afford a priority to any Owner with respect to the distribution of proceeds to any such Unit.

(b) Termination. If two-thirds (2/3) or more of the Condominium is substantially damaged or destroyed, unless more than seventy five percent (75%) of the Owners who have the right to vote agree to duly and promptly resolve to proceed with the repair or restoration thereof in writing, the Condominium shall not be repaired and the net proceeds of insurance resulting from such damage or destruction shall be distributed to each Owner, by check made payable to such Owner and its respective Mortgagee(s), as their interest may appear, based on the value of each Unit as such value shall be determined in the sole discretion of the Board, or an appraiser designated by the Board. Following such distribution of proceeds, the Condominium shall be terminated and the ownership of the Condominium shall be held by the formerly-titled Owners in undivided interests as tenants-in-common. In the event such withdrawal is authorized as aforesaid, the Condominium shall be subject to an action for partition by any Owner, Mortgagee or lienor as if owned in common, in which event the net proceeds of sale shall be divided among all Owners based on the value of each Unit, as such value shall be determined in the reasonable discretion of the Board, or by an appraiser designated by the Board; provided, however, that no payment shall be made to a Owner until there has first been paid off out of his share of such net proceeds all Mortgages and liens on his Unit in the order of their priority. The termination of the Condominium, as aforesaid, shall be evidenced by a certificate of the Association executed by its President and Secretary, certifying as to the basis of the termination and said certificate shall be recorded among the Register's Office for Davidson County, Tennessee.

(c) Cost Estimates. Promptly after a fire or other casualty causing damage to the Condominium, the Board of Directors shall obtain reliable and detailed estimates of the cost of repairing and restoring the structures (including any damaged Unit) to substantially the condition that existed before such casualty, allowing for any changes or improvements necessitated by changes in applicable building codes and the nature of such casualty. Such costs may also include professional fees and premiums for such bonds as the Board of Directors determines to be necessary.

(d) Source and Allocation of Proceeds. If, for any reason, the proceeds of insurance are not sufficient to defray the costs of reconstruction and repair, as determined by the Board, the additional costs shall be assessed against the Owners of the Unit(s) damaged in proportion to the damage to the Units or against all Owners, in the case of insufficient funds to cover damage to the Common Elements. If any Owner of a damaged Unit refuses to pay such assessments and a majority of the Owners of the damaged Units elect to proceed, the Association may proceed with the reconstruction at the expense of all Owners benefited thereby in accordance with Section 66-

27-119 of the Act. This assessment shall not be considered a special assessment as discussed in subparagraph 10(e) hereof. If there are surplus funds after repair and reconstruction is completed, such funds shall be common funds of the Association to be used as directed by the Board.

(e) Plat and Specifications. Any such reconstruction or repair shall be substantially in accordance with the Plat and specifications under which the Condominium was originally constructed to standard finish so as to exclude any upgrades made to Units, except where changes are necessary to comply with current applicable building codes or where improvements not in accordance with the original Plat and specifications are approved by the Board of Directors. To the extent insurance proceeds are available from a Unit Owner's insurance policy, including insurance proceeds available to the Commercial Unit Owner under the association policies applicable to the Commercial Unit, the Association may reconstruct or repair Owner improvements and personal property of such Owner damaged as a result of fire or other casualty.

(f) Encroachments. Encroachments upon or in favor of Units that may be created as a result of such reconstruction or repair shall not constitute a claim or basis for any proceeding or action by the Owner upon whose property such encroachment exists, provided that such reconstruction was substantially in accordance with the architectural plans under which the Condominium was originally constructed or subsequently improved in accordance with the Master Deed. Such encroachments shall be allowed to continue in existence for so long as the reconstructed building shall stand.

(g) Construction Fund. The net proceeds of the insurance collected on account of a casualty and the funds collected by the Association from assessments against Owners on account of such casualty shall constitute a construction fund, which shall be disbursed in payment of the cost of reconstruction and repair in the manner set forth in this Paragraph to be disbursed by the Association in appropriate progress payments to such contractor(s), supplier(s), and personnel performing the work or supplying materials or services for the repair and reconstruction of the buildings as are designated by the Board of Directors.

13. ARCHITECTURAL CONTROLS.

(a) Architectural Control Committee. Pursuant to Article III, Part D, Section 1 of the Bylaws, the Board of Directors may establish an Architectural Control Committee for the purpose of establishing and maintaining architectural standards in the Condominium, as provided in this Paragraph 13. Until such time as the Board of Directors establishes an Architectural Control Committee, all references herein to the "Architectural Control Committee" or the "ACC" shall mean and refer to the Board of Directors. If so established by the Board, the ACC shall consist of three (3) members duly elected by the Unit Owners. No Owner, Occupant, or any other person, except for Declarant so long as it owns Units for sale, may make any encroachment onto the Common Elements or Limited Common Elements, or make any exterior change, alteration, or construction (including painting and landscaping), nor erect, place or post any object, sign, sticker, clothesline, speaker, playground equipment, light, fountain, flag, personalized or customized exterior door mat, or thing on the exterior or roof of the Building, in any windows (except window treatments as provided herein), on any Limited Common Elements, or on any other Common Elements, without first obtaining the written approval of the

ACC. However, reasonable seasonal decorative lights may be displayed between Thanksgiving and January 10. The standard for approval of such improvements shall include, but not be limited to, aesthetic consideration, materials to be used, harmony with the external design of the existing buildings, Units and structures, the location in relation to surrounding structures and topography, and the impact of such approval, if any, on the increase or decrease of sounds and vibrations between the Units and between the Units and the Common Elements and the impact of such approval, if any, on the increase or decrease of sounds and vibrations between the Units and between the Units and the Common Elements. Notwithstanding the above, Declarant shall not be required to obtain any approvals under this Paragraph.

The Commercial Unit Owner may, with respect to the Commercial Unit, without approval of the ACC, in accordance with reasonable standards established by the Commercial Unit Owner, install signage, flags or other marketing items relating to the Commercial Unit in or on the Common Elements or the Limited Common Elements that are not specifically assigned to a Residential Unit Owner, or in or on the Commercial Unit.

(b) Alteration of Units. Subject to the other provisions of this Master Deed, alterations to the interiors of Units, relocation of the boundaries between adjoining Units, and subdivision of Units are subject to the following restrictions:

(i) Alterations to the Interiors of the Units. Notwithstanding anything to the contrary stated herein, no Owner or Occupant may make any alteration to or within a Unit that: (A) involves connecting to or relocating pipes, lines, conduits and/or other apparatus for access to common utilities; (B) places an excessive load on any structural or load bearing portions of a Unit; or (C) requires penetration of any concrete floor or ceiling slab without first making a complete application to the ACC pursuant to subparagraph 13(d) below, and obtaining the prior written approval of the ACC. Such approval shall not be granted by the ACC unless the Owner or Occupant of the Unit has presented to the ACC such information as the ACC may reasonably require, including, but not limited to, the following documentation: (1) a report or drawing prepared and certified by a structural engineer licensed in the State of Tennessee, which report or drawing shall demonstrate that such proposed interior modifications will not in any way affect or impair the structural soundness or integrity of the Building or any of the Units; (2) building plans for the proposed interior modifications; (3) all necessary permits or approvals required by governmental authorities for the proposed interior modifications; and (4) a certificate of insurance from applicant's contractor, which names the Association and the Owner of the Unit as an additional insured. In addition, within seven (7) days of completion of the interior modifications, the ACC shall be provided with a copy of the certificate of occupancy, certificate of completion or other similar type of certificate as may be required by any governmental authority having jurisdiction over such alterations, and an inspection report prepared and certified by a structural engineer licensed in the State of Tennessee.

Furthermore, if alterations to the interior of a Unit requires the penetration of the concrete floor or ceiling slab, the Owner shall also provide the ACC with a report prepared and certified by a structural engineer licensed in the State of Tennessee confirming that an x-ray analysis has been performed for the purposes of verifying that such penetration of the concrete floor or ceiling slab will not impair the structural integrity of such concrete floor or ceiling slab

or result in the severing of any structural post-tension system or conduits that may be located within the concrete floor or ceiling slab.

The Commercial Unit Owner shall not be required to comply with the provisions of this subparagraph (i) provided that it does not unreasonably affect any of the Residential Unit Owners' Units or rights to the Common Elements or Limited Common Elements.

(ii) Relocation of Boundaries. Boundaries between adjoining Units shall not be relocated without the consent of the Board; provided, however, Declarant shall have the right to relocate boundaries between Units owned by Declarant without the approval of the Board, and the Board shall execute the required amendment to the Master Deed.

(iii) Subdivision of Units. No Unit shall be subdivided into a smaller Unit or Units without the consent of the Board; provided, however, that notwithstanding the foregoing provisions, Declarant shall have the right to subdivide Units owned by Declarant and the Commercial Unit Owner shall have the right to subdivide the Commercial Unit without the approval of the Board, and in any such event the Board shall execute the required amendments to the Master Deed.

(c) Applications. Applications for approval of any such architectural modification shall be in writing and shall provide such information as the ACC may reasonably require, including, but not limited to, the documentation described in subparagraph 13(b) above. Once an application and all required information is received by the ACC, the ACC shall stamp the application as being complete, and shall then forward to the applicant a written notice of application completion (the "Notice of Application Completion"). The ACC shall be authorized to retain an engineer, architect or other consultant to review such application and related documentation and plans, and all costs and expenses related thereto shall be borne solely by the applicant. Approval of an application may be withheld by the ACC until such time as all costs and expenses related to the review of an application have been paid by the applicant. The ACC shall be the sole arbiter of such application and may withhold approval for any reason, including purely aesthetic considerations, materials to be used, harmony with the external or internal design of the Building as applicable and other structures that may be located on the Condominium, and it shall be entitled to stop any construction that is not in conformance with approved plans. The Board may publish written architectural standards for exterior and Common Element alterations or additions, and any request in substantial compliance therewith shall be approved; provided, however, each such requested change shall be in harmony with the external or internal design of the Building and Units as applicable, and the location in relation to surrounding structures and topography of the vicinity.

If the ACC fails to approve or to disapprove a complete application within fifteen (15) days after the date of the Notice of Application Completion, its approval will not be required and this Paragraph will be deemed complied with; provided, however, even if the requirements of this Paragraph are satisfied, nothing herein shall authorize anyone to construct or maintain any structure or improvement that is in violation of this Master Deed, the Bylaws or rules and regulations promulgated and adopted by the Association or of any applicable zoning or other

laws. Under no circumstances will alterations be made or permitted to be made by any Owner if such alteration will:

(i) unreasonably diminish the benefits afforded to the other Owners by any easement or license or unreasonably interrupt such other Owner's use or enjoyment of any easement or license; provided, however, interruption of the use and enjoyment of any easement or license for temporary construction purposes shall not require consent of the Owners if, upon completion of construction, each Owner's use and enjoyment of the affected easement or license is restored;

(ii) adversely affect or impair the structural integrity, safety, character, value or utility of the Building (or any portion thereof);

(iii) materially adversely affect facilities benefiting any other Owners;

(iv) except as to signage, alter the facade or exterior appearance of any portion of the Building in any material respect; or

(v) materially and adversely affects the rights of any Owner, Occupant or Person to exercise the easement rights granted in Paragraph 21 hereof.

(d) Encroachments onto Common Elements. The Board, subject to this Paragraph 13, may permit Owners to make encroachments onto the Common Elements as it deems acceptable.

(e) Condition of Approval. As a condition of approval for a requested architectural change, modification, addition, or alteration, an Owner, on behalf of himself and his successors-in-interest, shall assume all responsibilities for maintenance, repair, replacement and insurance of such change, modification, addition, or alteration, unless otherwise agreed to in writing by the Board. It is the responsibility of every Owner of a Unit to determine for himself what architectural changes, modifications, additions or alterations have been made to his Unit by any predecessor-in-interest. In the discretion of the Board, an Owner may be made to verify such condition of approval by written instrument in recordable form acknowledged by such Owner on behalf of himself and all successors-in-interest.

(f) Limitation of Liability. Review and approval of any application pursuant to this Paragraph is made on the basis of aesthetic considerations only, and neither Declarant, the Association, the Board, the ACC nor their directors, officers, and agents, shall bear any responsibility for ensuring the structural integrity or soundness of approved construction or changes, modifications, additions or alterations or for ensuring compliance with building codes and other governmental requirements. Neither Declarant, the Association, the Board, the ACC nor their directors, officers, and agents or any member of any of the foregoing shall be held liable for any injury, damages or loss arising out of the manner or quality of approved construction on or modifications to any Unit and the Applicant shall bear full liability therefor.

(g) No Waiver of Future Approvals. Each Owner acknowledges that the members of the Board and the ACC will change from time to time and that interpretation, application and

enforcement of the architectural standards may vary accordingly. Each Owner further acknowledges that the Board may adopt different architectural standards for different parts of the Condominium, based on street visibility and location of the proposed modification in the Building. The approval of either the Board or the ACC of any proposals, plans and specifications or drawings for any work done or proposed, or in connection with any other matter requiring the approval and consent of the Board or the ACC shall not be deemed to constitute a waiver of any right to withhold approval or consent as to any similar proposals, plans and specifications, drawings, or matters whatever subsequently or additionally submitted for approval or consent.

(h) Enforcement. Any change, modification, addition or alteration, or other work done in violation of this Paragraph shall be deemed to be nonconforming. Upon written request from the Board, Owners shall, at their own cost and expense, remove such change, modification, addition or alteration, or other work and shall restore the property to substantially the same condition as existed prior to the change, modification, addition or alteration, or other work. Should an Owner fail to remove and restore as required hereunder, the Board shall have the right to enter the property, remove the violation and restore the property to substantially the same condition as existed prior to the construction, alteration or other work. All costs thereof, including reasonable attorneys' fees, may be assessed against the benefited Unit and collected as an assessment pursuant to this Master Deed and shall constitute a lien against such Unit.

In addition to the foregoing, the Board of Directors shall have the authority and standing, on behalf of the Association, to impose reasonable fines and to pursue all legal and equitable remedies available to enforce the provisions of this Paragraph and its decisions. Furthermore, the Board shall have the authority to record in the Davidson County land records notices of violation of the provisions of this Paragraph.

If any Owner or Occupant makes any change, modification, addition or alteration upon the Common Elements or Limited Common Elements in violation of this Paragraph, he or she does so at his sole risk and expense. If a change is made in violation of this Section, the Board may require that the change, modification, addition or alteration be removed or that it remain on the Common Elements or Limited Common Elements without reimbursement to the Owner or Occupant for any expense he or she may have incurred in making the change, alteration or construction.

(i) Commencement of Construction. All changes, modifications, additions or alterations approved by the ACC hereunder must be commenced within six (6) months from the date of approval. If not commenced within six (6) months from the date of such approval, then such approval shall be deemed revoked by the Board or ACC, unless the Board or ACC gives a written extension for commencing the work. All work approved by the Board or ACC hereunder shall be completed in its entirety within ninety (90) days from the date of commencement, unless otherwise agreed in writing by the Board or ACC. All approved changes, modifications, additions or alterations must be completed in their entirety. An Owner may not construct only a portion or part of an approved change, modification, addition or alteration.

14. USE RESTRICTIONS.

Each Owner of a Unit shall be responsible for ensuring that the Owner's family, guests, tenants, Occupants, customers, contractors, agents and employees, and or other Permittees as applicable, comply with all provisions of the Condominium Instruments and the rules and regulations of the Association. Furthermore, each Owner and Occupant shall always endeavor to observe and promote the cooperative purposes for which the Association was established. In addition to any rights the Association may have against the Owner's family, guests, tenants, Occupants, customers, contractors, agents or employees and or other Permittees, as applicable, as a result of such person's violation of the Condominium Instruments, the Association may take action under this Master Deed against the Owner as if the Owner committed the violation in conjunction with the Owner's family, guests, tenants, Occupants, customers, contractors, agents or employees, and or other Permittees as applicable.

In addition to the following use restrictions, the Board of Directors may adopt rules and regulations in accordance with the terms hereof and as specified in the Bylaws. The failure of the Board to enforce any of such rules and regulations or any of the provisions set forth in this Master Deed or in the Bylaws shall not be deemed to be a waiver of the Board's right to enforce any of such rules, regulations or provisions.

(a) Use of Units.

(i) Residential Units. Each Residential Unit shall be used primarily for residential purposes, except that the Owner or Occupant residing in a Residential Unit may conduct business activities within the Residential Unit so long as the business activity is legal, conforms to all zoning requirements for the Condominium, and complies with all rules and regulations of the Association.

(ii) Commercial Unit. The Commercial Unit may be used for any residential or commercial use or business purposes permitted by applicable zoning ordinances and use restrictions; provided, however, no part of the Commercial Unit may be used for any of the following commercial purposes: (1) facility that hosts nude, semi-nude or other exotic performances; (2) establishment where sexually explicit, obscene, pornographic or "adult" materials or paraphernalia, including, but not limited to, movies, videotapes, DVDs, devices, novelties, books, magazines, or other related items are sold or displayed; (3) "head shops" or other facilities used for the sale, display or advertisement of any paraphernalia used in the preparation or consumption of controlled substances; (4) bar or other establishment serving alcohol for consumption on premises (except this restriction shall not apply to wine bars or to restaurants which derive more than fifty percent (50%) gross sales from food table service); (5) dance or music hall, "disco", nightclub, or discotheque; or (6) massage parlor (except for day spas that are approved by the Board of Directors).

(iii) Proposed Uses. Any proposed use of any part of a Unit that is not specified in subparagraph (i) or (ii), as applicable, shall be submitted for the review, consideration and approval or disapproval of the Board of Directors.

(b) Number of Occupants. The maximum number of Occupants in a Residential Unit shall be limited to two (2) people per bedroom in the Unit, (as such bedrooms are depicted on the original Plat). Upon written application, the Board shall grant variances to this restriction to comply with provisions of the Fair Housing Amendments Act of 1988 or any amendments thereto.

If an Owner of a Residential Unit is a corporation, partnership, trust or other legal entity not being a natural person, the entity shall designate in writing to the Board the name(s) of the person(s) who will occupy the Unit. The designated person(s) to occupy any Residential Unit may not be changed more frequently than once every six (6) months without the express written consent of the Board as determined in the Board's sole discretion.

(c) Use of Common Elements Including Amenities. There shall be no obstruction of the Common Elements, nor shall anything be kept on, parked on, stored on or removed from any part of the Common Elements without the prior written consent of the Board, except as specifically provided herein. With prior written Board approval, and subject to any restrictions imposed by the Board, an Owner may reserve portions of the Common Elements for use for a period of time as set by the Board, provided, however, such use shall not interfere with the use or access to the Commercial Unit. Any such Owner who reserves a portion of the Common Elements as provided herein shall assume, on behalf of himself and his guests, Occupants and family or other Permittees, all risks associated with the use of the Common Elements and all liability for any damage or injury to any person or thing as a result of such use. Neither the Association, the Board, nor the Board's officers or directors shall be liable for any damage or injury resulting from such use unless such damage or injury is caused solely by the willful acts or gross negligence of the Association, the Board and their agents or employees. There shall be no use of or access to any portion of the roof of the Condominium (other than the Roof Decks) by the Owners, his family members, guests, tenants, invitees, agents, contractors or other Permittees. The Association and its agents and contractors shall have access to the roof for performing its maintenance and repair responsibility. There shall be no gardening or landscaping on the Common Elements by Owners or Occupants or other Permittees without the prior written consent of the Board.

(d) Use of Limited Common Elements, Terraces and Balconies. Except as otherwise provided herein, the use of the Limited Common Elements assigned to the Units is restricted exclusively to the Owners of the Unit or Units to which such Limited Common Elements are assigned, and said Owner's family members, guests, tenants and invitees or other Permittees. The Limited Common Elements are reserved for exclusive use, but shall not be construed or interpreted to be separate and apart from the Common Elements in general, and the restrictions applicable to the Common Elements shall also apply to the Limited Common Elements except to the extent, if any, otherwise set forth in this Master Deed or any other Condominium Instrument.

No gas or charcoal grills or laundry garments may be located on a balcony, terrace or Roof Deck serving a Unit. Objects shall not be permitted to hang over or be attached to any exterior surface of a balcony, terrace or Roof Deck wall or to otherwise protrude outside of the vertical plane formed by the exterior surface of a balcony, terrace or Roof Deck wall. Penetration of the surfaces of a balcony, terrace or Roof Deck wall, floor or ceiling is also prohibited.

Enclosure of a balcony, terrace or Roof Deck is prohibited, except by Declarant. No balcony, terrace or Roof Deck may be used for the storage of any personal property, except as specifically authorized herein.

Notwithstanding the foregoing, patio tables and chairs constructed of materials and of such size as may be approved by the ACC may be placed on a balcony, terrace or Roof Deck. Furthermore, notwithstanding anything to the contrary stated herein, it shall be the sole responsibility of the Owner or Occupant of a Unit to remove all permitted objects from a balcony, terrace or Roof Deck during periods of high winds or other dangerous conditions to prevent permitted objects from being blown from a balcony, terrace or Roof Deck and to refrain from engaging in any activity on a balcony, terrace or Roof Deck that may cause objects to fall from a balcony, terrace or Roof Deck. Any damages resulting from the placement of chairs, tables and/or other objects on a balcony, terrace or Roof Deck, including the failure of an Owner or Occupant to remove all permitted objects from a balcony, terrace or Roof Deck during periods of high winds or other dangerous conditions, shall be borne solely by such Owner or Occupant, and such Owner or Occupant shall indemnify and hold harmless the Declarant, the Association, the Board, and their directors, officers, and agents and/or the other Owners from any and all claims, damages, fines, judgments, penalties, costs, liabilities or losses and any and all sums paid from settlement of claims, attorneys' fees, consultant and expert fees, resulting from any such damage caused by an Owner or Occupant.

(e) **Prohibition of Damage, Nuisance and Noise.** Without the prior written consent of the Board of Directors, nothing shall be done or kept on the Condominium, or any part thereof, which would increase the rate of insurance on the Condominium or any Unit or part thereof, which would be in violation of any statute, rule, ordinance, regulation, permit or other validly imposed requirements of any governmental body, or which would increase the Common Expenses.

The Units in the Condominium are built in close proximity to one another, resulting in the sharing of common walls, floors and ceilings. As a result, noise and vibration may be detectable between Units or between Units and the Common Elements. Therefore, an Owner or Occupant shall not conduct activities within a Unit or use a Unit in a manner that interferes with or causes disruption to the use and quiet enjoyment of another Unit by its respective Owner and Occupant.

Furthermore, noxious, destructive or offensive activity shall not be carried on within any portion of the Condominium. No Owner or Occupant of a Unit may use or allow the use of the Unit or any portion of the Condominium at any time, in any way or for any purpose which may endanger the health, unreasonably annoy or disturb or cause embarrassment, or discomfort to other Owners or Occupants, or in such a way as to constitute, in the sole opinion of the Board of Directors, a nuisance. In addition, no Owner or Occupant of a Unit may use or allow the use of a Unit or the Common Elements in any manner that creates disturbing noises, including, without limitation, use of stereo speakers or equipment that will in the sole discretion of the Board of Directors interfere with the rights, comfort or convenience of the other Owners or Occupants. Nothing herein, however, shall be construed to affect the rights of an aggrieved Owner to proceed individually for relief from interference with his property or personal rights.

No damage to or waste of the Common Elements, or any part thereof, shall be permitted by any Owner or member of his family or any invitee or other Permittee of any Owner. Each Owner shall indemnify and hold the Declarant, the Association, the Board, and their respective directors, officers and agents and the other Owners harmless against all loss to the Declarant, the Association, the Board, or their respective directors, officers, and agents, or the other Owners resulting from any such damage or waste caused by such Owner, members of his family, guests, invitees, other Permittees or Occupants of his Unit.

(f) Firearms and Fireworks. The display or discharge of firearms or fireworks on the Common Elements or Limited Common Elements is prohibited; provided, however, the display of lawful firearms on the Common Elements or Limited Common Elements is permitted by law enforcement officers and other licensed security service employees and or agents and also is permitted for the limited purpose of transporting the firearms across the Common Elements or Limited Common Elements to or from the Owner's Unit. The term "firearms" includes "B-B" guns, pellet guns, and other firearms of all types, regardless of size, and shall also include, without limitation, slingshots, archery, and other projectile emitting devices. Fireworks are not permitted in the Building.

(g) Pets. No Owner or Occupant may keep any animal on any portion of the Condominium except as expressly permitted in this subparagraph. An Owner or Occupant shall keep no more than one (1) dog, weighing less than fifty (50) pounds, and/or two (2) cats per Residential Unit, and a reasonable number of other generally recognized household pets, as determined in the Board's sole discretion, weighing less than two (2) pounds each (including by way of illustration, but not limitation, fish, gerbils and small birds).

No Owner or Occupant may keep, breed or maintain any pet for any commercial purpose, and no structure for the care, housing, or confinement of any pet shall be constructed or maintained on any part of the Common Elements, including Limited Common Elements, without prior written approval of the ACC. No pets are allowed on any portion of the Common Elements; provided, however, an Owner or Occupant may walk a pet across the Common Elements to enter or exit the Unit and or the Condominium property so long as the pet is on a leash or held by the Owner or Occupant. Notwithstanding the foregoing, pets must be kept on a leash and be under the physical control of a responsible person at all times while on the Common Elements. Feces left upon the Common Elements by pets must be immediately removed by the owner of the pet or the person responsible for the pet.

No potbellied pigs or snakes may be brought onto or kept on the Condominium at any time. In addition, other animals determined in the Board's sole discretion to be dangerous or potentially dangerous shall not be brought onto or kept on the Condominium at any time. The Board may require that any animal that, in the Board's opinion, endangers or potentially may endanger the health of any Owner or Occupant or creates or potentially may create a nuisance or unreasonable disturbance, be permanently removed from the Condominium upon seven (7) days written notice and in the event of emergency, as determined by the Board, the Board may designate a shorter time period. If the Owner or Occupant fails to do so, the Board may remove the pet. Any pet that in the Board's sole discretion presents an immediate danger to the health,

life-safety or property of any community member may be removed by the Board without prior notice to the pet's owner.

Any Owner or Occupant who keeps or maintains any pet upon the Condominium shall be deemed to have agreed to indemnify and hold the Declarant, the Association, the Board, and their directors, officers, and agents free and harmless from any loss, claim or liability of any kind or character whatever arising by reason of keeping or maintaining such pet within the Condominium.

(h) Heating of Units in Colder Months. In order to prevent damage within a Unit, including, but not limited to, cracks in finish materials, and breakage of water pipes during colder months of the year resulting in damage to any portion of the Condominium, increased Common Expenses, and increased insurance premiums or cancellation of insurance policies due to numerous damage claims, the thermostats within the Units shall be maintained with the heat in an "on" position and at a minimum temperature setting of sixty degrees (60°) Fahrenheit (except during power failures or periods when heating equipment is broken) at all time. Owners and Occupants of Units shall take all steps possible on a timely basis to keep heating equipment, including, but not limited to, the thermostat, in good working order and repair. The Board of Directors may fine any Owner or Occupant and/or may cause the water service to the violator's Unit to be discontinued for violation of this subparagraph, in addition to any other remedies of the Association. For the purposes hereof "colder months" shall be November, December, January, February and March.

(i) Signs. Except (A) as may be provided for herein or as may be required by legal proceedings, (B) signs which may be erected by Declarant related to the development and sale of the Residential Units, and (C) signs installed as of the date of this Master Deed, no signs, flags, banners, stickers, advertising posters, flyers, political placards or billboards of any kind shall be erected, placed, or permitted to remain on the Condominium without the prior written consent of the Board. The Board also shall have the authority to adopt regulations permitting temporary signs on the front door of a Unit announcing births, birthdays or other events for limited periods of time. The Board shall have the right to erect reasonable and appropriate signs on behalf of the Association.

Notwithstanding anything to the contrary herein, the Owner of the Commercial Unit, on behalf of itself or its Occupant(s), shall be permitted to erect signage subject to the following conditions: (A) an Owner or Occupant shall be permitted to erect signage related to its business activities conducted within the Commercial Unit on the interior of the windows of the Commercial Unit or on designated sign areas as approved by the ACC including, but not limited to, an area on the exterior of the Building near the Commercial Unit, on a sign box or on a canopy, provided that, such signage shall be subject to the approval of the ACC; (B) all signage shall comply with local signage ordinances, except as to signage which Declarant sought and for which Declarant was granted a variance; and (C) any Owner or Occupant that removes signage or other improvement from the exterior facade of the Building shall restore the affected portions of the exterior facade to substantially its original condition, normal wear and tear excepted.

(j) Rubbish, Trash, Garbage and Recyclable Items. All rubbish, trash, garbage and recyclable items shall be regularly removed from a Unit and shall not be allowed to accumulate therein. No rubbish, trash, garbage or recyclable items shall be placed on the Common Elements or Limited Common Elements outside of the Unit, temporarily or otherwise, and shall be moved to the Condominium trash facilities for collection, or otherwise removed from the Condominium by an Owner or Occupant. The Board may establish reasonable rules and regulation regarding the use, storage and disposal of rubbish, trash, garbage and recyclable items.

(k) Unightly or Unkempt Conditions. The pursuit of hobbies or other activities, including, but not limited to the assembly and disassembly of motor vehicles and other mechanical devices, which might tend to cause disorderly, unsightly, or unkempt conditions, shall not be pursued or undertaken on any part of the Condominium. Clothing, bedding, rugs, mops, appliances, indoor furniture, and other household items shall not be placed or stored outside the Unit.

(l) Garage Sales. Garage sales, yard sales, flea markets, or similar activities within the Condominium are prohibited unless approved in writing by the Board of Directors.

(m) Window Treatments. The Owners of the Residential Units shall install window treatments of such size, color and design in the Residential Units as are approved by the Association or the ACC, and shall be responsible for maintaining and keeping in good repair such window treatments. Under no circumstances shall there be allowed a canopy or awning to be placed by an Owner or Occupant on the exterior of a Residential Unit or over its balcony or terrace.

(n) Antennas and Satellite Dishes. Except as provided below, no satellite dish, antenna or other device for the transmission or reception of television signals, radio signals or any form of electromagnetic wave or radiation shall be erected, used or maintained on any portion of the Condominium, including the Unit or Limited Common Elements; provided, however, the Association shall have the right to erect, construct and maintain such devices. The following shall apply to all Owners:

(i) Except as otherwise provided hereunder, no transmission antenna, of any kind, may be erected anywhere on the Condominium, including the Units, without written approval of the Board.

(ii) No direct broadcast satellite (DBS) antenna or multi-channel multi-point distribution service (MMDS) antenna larger than one meter in diameter shall be placed, allowed or maintained upon the Condominium, including the Units and the Limited Common Elements.

(iii) Subject to the last sentence of this subparagraph 14(n), DBS and MMDS satellite dishes or antennas one meter or less in diameter and television broadcast service antennas may only be installed in accordance with Federal Communication Commission (FCC) rules and the rules and regulations of the Association, and only if and to the extent such rules mandate that such dishes or antennas be allowed, both as may be amended from time to time. In such event, to the extent permissible under the FCC rules and regulations, (A) such satellite

dishes and antennas shall not be located above a line 3-feet (3') from the floor of the balconies or outside of the balcony railings, (B) such satellite dishes and antennas shall be in a uniform color designated by the Board, and (C) the Board may designate and restrict the specific location and color of such satellite dishes and antennas. To the extent that any of the foregoing subsections (A) through (C) is not permitted under the FCC rules and regulations, the remaining portion of this subparagraph (o) shall survive independently to the extent permissible under the FCC rules and regulations.

In the event of a transfer of the Unit that includes a satellite dish or antenna, the grantee shall assume all responsibility for the satellite dish or antenna and shall comply with this Master Deed, the Bylaws and the rules and regulations regarding satellite dishes and antennas, including, but not limited to, those requirements relating to maintenance and removal of satellite dish or antenna.

To the extent allowed by FCC rules and regulations, the Association may maintain, as a Common Expense, a master DBS dish or antenna system; provided the Association maintains a master DBS dish or antenna system, the Owners and Occupants shall be required to utilize in lieu of individual DBS dishes and antennae.

(o) Grilling. The use of outdoor grills on any balcony or terrace serving a Unit is prohibited. The Association may, in its discretion, place grills in the Common Elements on the roof for use by the Owners and Occupants in accordance with such reasonable rules and regulations as may be established by the Association from time to time.

(p) Abandoned Personal Property. Personal property shall not be kept or allowed to remain for more than twenty-four (24) hours upon any portion of the Common Elements, other than on a Limited Common Element, without prior written Board permission. If the Board determines that a violation exists, then, not less than two (2) days after written notice is placed on the personal property and/or on the front door of the property owner's Unit, if known, the Board may, at the Owner's expense, remove and either discard or store the personal property in a location which the Board may determine and shall have no obligation to return, replace or reimburse the owner of the property. The notice shall include the name and telephone number of the person or entity that will remove the property and the name and telephone number of a person to contact regarding the alleged violation.

The Board, in its discretion, may determine that an emergency situation exists and may exercise its removal rights hereunder without prior notice to the property owner; provided, however, in such case, the Board shall give the property owner, if known, notice of the removal of the property and the location of the property within three (3) days after the property is removed.

Neither the Declarant, the Association, the Board nor their directors, officers, or agents, shall be liable to any person for any claim of damage resulting from the removal activity in accordance herewith. The Board may elect to impose fines or use other available remedies, rather than exercise its authority to remove property hereunder.

(q) Sale Period. Notwithstanding any provisions contained in this Master Deed to the contrary, during the period of the sale of the Residential Units it shall be expressly permissible for Declarant or Declarant's contractors, agents, employees, assigns and representatives, to maintain and carry on, upon such portion of the Residential Units as Declarant may deem necessary, such facilities and activities as in the sole opinion of Declarant may be reasonably required, convenient or incidental to the sale of the Residential Units, including, but without limitation, business offices, model Residential Units and sales offices. The right to maintain and carry on such facilities and activities shall include specifically the right to use the Residential Units owned by Declarant as model Residential Units and as offices for the sale of the Residential Units and related activities.

(r) Move In/Move Out. An Owner or Occupant shall not move furniture, personal property, construction materials, and other over-sized items in or out of the Condominium except during such hours and according to requirements to be determined by the Board. Furthermore, an Owner or Occupant shall reserve a date and time with the Board to use the service elevators for moving furniture, personal property, construction materials, and other over-sized items in or out of the Condominium. The Board, in its sole discretion, may require a non-refundable security deposit prior to using a service elevator for moving furniture, construction materials or other over-sized items. The Board shall also be authorized to approve movers and/or moving companies that require access to the Condominium for the purpose of moving furniture, construction materials, and other over-sized items, on behalf of an Owner or Occupant, in or out of the Condominium, and such consent shall not be unreasonably withheld, conditioned or delayed. Notwithstanding anything to the contrary stated herein, an Owner or Occupant shall not leave unattended any furniture, personal property, construction materials, and other over-sized items on any portion of the Common Elements for any period of time. The provisions of this subparagraph(s) shall not apply to the Declarant so long as it owns Units for the purpose of sale or rental, or the Commercial Unit Owner.

(s) Life-Safety Systems. Owners and Occupants shall not tamper with or disengage any portion of the life-safety systems that serve the Condominium including, without limitation, the sprinkler heads and all branch and feed lines that support such sprinkler heads, and all fire control devices (such as smoke detectors and call boxes), regardless of whether such items are located within the boundaries of a Unit.

15. LEASING.

Leasing of the Residential Units shall be governed by the restrictions imposed by this Paragraph. Except as provided herein, the leasing of Residential Units shall be prohibited. "Leasing," for the purposes of this Master Deed, is defined as regular, exclusive occupancy of a Residential Unit by any Person other than the Owner or Occupant thereof. For purposes hereof, occupancy by a roommate of an Owner of a Residential Unit who occupies the Residential Unit as such Owner's primary residence shall not constitute "leasing" hereunder.

(a) Leasing of Residential Units. The Residential Units may be leased only in strict accordance with the applicable terms of this Paragraph 15.

(i) Leasing Provisions for Residential Units. Residential Units may be leased only in their entirety; no fraction or portion may be leased without prior written Board approval. All leases shall be in writing and in a form approved by the Board prior to the effective date of the lease. No lease of a Residential Unit may be for a term of less than six (6) months nor greater than two (2) years. The Board may maintain and, upon request, provide a form that is deemed acceptable. There shall be no subleasing of Residential Units or assignment of leases without prior written Board approval. Within ten (10) days after executing a lease agreement for the lease of a Residential Unit, the Owner of the Residential Unit shall provide the Board with a copy of the lease and the name of the lessee and all other people occupying such Residential Unit.

The Residential Units may be leased only in strict accordance with the terms of this subparagraph (i) and the leasing standards established by the Board in accordance with this Paragraph 15. Such leasing standards shall be based on standards established by other Class A apartment properties in the Nashville, Tennessee metropolitan area. In addition to the requirements set forth in this subparagraph (i), the Owner of a leased Residential Unit must provide the lessee copies of the Master Deed, Bylaws, and the rules and regulations, and, within ten (10) days after executing a lease agreement for the lease of a Residential Unit, the Owner of such Residential Unit must provide the Association a certification, in form and substance satisfactory to the Association, that he has provided copies of the Master Deed, Bylaws, and the rules and regulations to such lessee.

(ii) Liability for Assessments, Use of Common Elements and Compliance with Master Deed, Bylaws, and Rules and Regulations. Each Residential Unit Owner covenants and agrees that any lease of a Residential Unit shall contain the following language and agrees that if such language is not expressly contained therein, then such language shall be incorporated into the lease by existence of this covenant, and the lessee, by occupancy of the Residential Unit, agrees to the applicability of this covenant and incorporation of the following language into the lease:

(A) Compliance with Master Deed, Bylaws, and Rules and Regulations. The lessee shall comply with all provisions of the Master Deed, Bylaws, and rules and regulations adopted pursuant thereto and shall control the conduct of all other Occupants and guests of the leased Residential Unit in order to ensure such compliance. The Owner shall cause all Occupants of his Residential Unit to comply with the Master Deed, Bylaws, and the rules and regulations adopted pursuant thereto, and shall be responsible for all violations by such Occupants, notwithstanding the fact that such Occupants of the Residential Unit are fully liable and may be sanctioned for any such violation. If the lessee, or a person living with the lessee, violates the Master Deed, Bylaws, or a rule or regulation for which a fine is imposed, notice of the violation shall be given to the Owner and the lessee, and such time may be assessed against the lessee in accordance with Article V of the Bylaws. If the fine is not paid by the lessee within the time period set by the Board, the Owner shall pay the fine upon notice from the Association of the lessee's failure to pay the time. Unpaid fines shall constitute a lien against the Residential Unit.

Any violation of the Master Deed, Bylaws, or rules and regulations adopted pursuant thereto by the lessee, any Occupant, or any guest of lessee, is deemed to be a

default under the terms of the lease and authorizes the Owner to terminate the lease without liability and to evict the lessee in accordance with Tennessee law. The Residential Unit Owners hereby delegate and assign to the Association, acting through the Board, the power and authority of enforcement against the lessee for breaches resulting from the violation of the Master Deed, Bylaws, and the rules and regulations adopted pursuant thereto, and appoints the Association, acting through the Board, as attorney-in-fact (which appointment, being coupled with an interest, shall be irrevocable so long as this Master Deed is in effect) to evict the lessee on behalf and for the benefit of such Owner, in accordance with the terms hereof. If the Association proceeds to evict the lessee, any costs, including reasonable attorney's fees actually incurred and court costs, associated with the eviction shall be an assessment and lien against the applicable Residential Unit and Residential Unit Owner.

(B) Use of Common Elements. The lessee of a Residential Unit shall be entitled, for the term of the lease, to exercise any and all rights and privileges that the Owner has to use the Common Elements, including but not limited to, the use of any and all recreational facilities and other amenities, but only to the extent permitted under the applicable lease.

(C) Liability for Assessments. When the Owner of any Residential Unit fails to pay any annual or special assessment or any other charge for a period of more than thirty (30) days after it is due and payable, then the delinquent Owner hereby consents to the assignment of any rent received from the lessee(s) during the period of delinquency, and, upon request by the Board, lessee(s) shall pay to the Association all unpaid annual and special assessments and other charges payable during and prior to the term of the lease and any other period of occupancy by lessee. However, lessee(s) need not make such payments to the Association in excess of, or prior to the due dates for, monthly rental payments unpaid or thereafter becoming due at the time of the Board's request. All such payments made by lessee shall reduce, by the same amount, lessee's obligation to make monthly rental payments to lessor. If any lessee fails to comply with the Board's request to pay assessments or other charges, such lessee shall pay to the Association all amounts authorized under the Master Deed as if lessee were an Owner. The above provision shall not be construed to release the Owner from any obligation, including the obligation for assessments, for which he or she would otherwise be responsible.

(b) Leasing of Commercial Unit. The Commercial Unit may be leased for only those purposes permitted for the Commercial Unit as set forth in Paragraph 14(a) and shall be subject to the following provisions.

(i) Liability for Assessments, Use of Common Elements, and Compliance with Master Deed, Bylaws, and Rules and Regulations. The owner of the Commercial Unit covenants and agrees that any lease of any portion of the Commercial Unit shall contain the following language and agrees that if such language is not expressly contained therein, then such language shall be incorporated into the lease by existence of this covenant, and the lessee, by occupancy of the Commercial Unit, agrees to the applicability of this covenant and incorporation of the following language into the lease:

(A) Compliance with Master Deed, Bylaws, and Rules and Regulations. The lessee shall comply with all provisions of the Master Deed, Bylaws, and rules and regulations adopted pursuant thereto and shall control the conduct of all other Occupants, guests and other Permittees of the leased Commercial Unit in order to ensure such compliance. The Owner of the Commercial Unit shall cause all Occupants of the Commercial Unit to comply with the Master Deed, Bylaws, and the rules and regulations adopted pursuant thereto, and shall be responsible for all violations by such Occupants, notwithstanding the fact that such Occupants of the Commercial Unit are fully liable and may be sanctioned for any such violation. If the lessee, or an employee, agent, contractor, customer, or invitee of the lessee, violates the Master Deed, Bylaws, or a rule or regulation for which a fine is imposed, notice of the violation shall be given to the Owner of the Commercial Unit and the lessee, and such fine may be assessed against the lessee in accordance with Article V of the Bylaws. If the fine is not paid by the lessee within the time period set by the Board, the Owner shall pay the fine upon notice from the Association of the lessee's failure to pay the fine. Unpaid fines shall constitute a lien against the Commercial Unit.

Any violation of the Master Deed, Bylaws, or rules and regulations adopted pursuant thereto by the lessee, any Occupant, or any guest of lessee, is deemed to be a default under the terms of the lease after the expiration of any cure provisions in such lease and shall authorize the Owner to terminate the lease without liability and to evict the lessee in accordance with Tennessee law, provided, however, the preceding sentence shall be subject to the lessee's reasonable right to cure such violation under the lease for the Commercial Unit, which cure period shall not exceed thirty (30) days. Each Owner, other than Declarant and the Commercial Unit Owner (which shall retain the option to do so in a writing to such effect), hereby delegates and assigns to the Association, acting through the Board, the power and authority of enforcement against the lessee for breaches resulting from the violation of the Master Deed, Bylaws, and the rules and regulations adopted pursuant thereto, and appoints the Association, acting through the Board, as attorney-in-fact (which appointment, being coupled with an interest, shall be irrevocable so long as this Master Deed is in effect) to evict the lessee on behalf and for the benefit of the Owner, in accordance with the terms hereof. If the Association proceeds to evict the lessee, any costs, including reasonable attorney's fees actually incurred and court costs, associated with the eviction shall be an assessment and lien against the Residential Unit.

(B) Use of Common Elements. The lessee, and such lessee's employees, agents, customers and invitees, shall be entitled, for the term of the lease, to exercise any and all rights and privileges that the Owner of the Commercial Unit has to use the Common Elements, but only to the extent permitted under the applicable lease.

(C) Liability for Assessments. When the Owner of the Commercial Unit is leasing the Commercial Unit and fails to pay any annual or special assessment or any other charge for a period of more than thirty (30) days after it is due and payable, then the Owner of the Commercial Unit hereby consents to the assignment of that portion of any rent payable by such lessee in an amount equal to such delinquent assessment during the period of delinquency. However, lessee need not make such payments to the Association in excess of, or prior to the due dates for, monthly rental payments unpaid at the time of the Board's request. All such payments made by lessee shall reduce, by the same amount, lessee's obligation to make monthly rental

payments to lessor and shall reduce any outstanding obligations of the Commercial Unit Owner for such annual or special assessments. The above provision shall not be construed to release the Owner of the Commercial Unit from any obligation, including the obligation for assessments, for which he or she would otherwise be responsible.

(c) Applicability of this Paragraph. Notwithstanding anything to the contrary contained in this Paragraph 15, Declarant, the Association, the Commercial Unit Owner or the holder of any first Mortgage on a Unit who becomes the Owner of a Unit through foreclosure or any other means pursuant to the satisfaction of the indebtedness secured by such Mortgage shall be permitted to lease a Residential Unit or the Commercial Unit without first obtaining the approval of the Association or the Board.

(d) Existing Leases. To the extent that a lease of any portion of the Condominium exists as of the date of the formation of the Condominium, the provisions of this Paragraph 15 shall not be applicable during the term of any such lease or any renewal thereof.

16. SALE OF UNITS.

An Owner intending to make a transfer or sale of a Unit or any interest in a Unit shall give written notice to the Board of Directors of such intention within seven (7) days after execution of the transfer or closing sales documents. The Owner shall furnish to the Board as part of the notice (i) the name and address of the intended grantee; and (ii) such other information as the Board may reasonably require. This Paragraph shall not be construed to create a right of first refusal in the Association or in any third party.

In addition, a non-refundable contribution to the working capital fund of the Association shall be paid to the Association by the purchaser of a Unit at the closing of each sale or resale of a Unit in the amount of two (2) months of the general assessment charges to such Unit in accordance with subparagraph 10(j) hereof.

Within seven (7) days after receiving title to a Unit, the purchaser of the Unit shall give written notice to the Board of Directors of his ownership of the Unit. Upon failure of an Owner to give the required notice within the seven (7) day time period provided herein, the Board may levy fines against the Unit and the Owner thereof, and assess the Owner for all costs incurred by the Association in determining his identity.

17. MAINTENANCE RESPONSIBILITY.

(a) By the Owner. Each Owner shall have the obligation to maintain and keep in good repair all portions of his Unit and all improvements made by the Owner or the Association to the Limited Common Elements assigned to the Unit, except any portion of a Unit which is expressly made the maintenance obligation of the Association as set forth in subparagraph (b) below. This maintenance responsibility shall include, but not be limited to the following: all glass surfaces (excluding exterior cleaning other than glass surfaces within the balcony or terrace of the Owner's Unit, windows, window frames (except for periodic painting, staining and/or cleaning of the exterior window frames), casings and locks (including interior caulking of

windows and excluding exterior caulking); all doors, doorways, door frames, and hardware that are part of the entry system of the Unit (except for periodic painting, staining and/or cleaning of the exterior surface of entry doors and door frames facing the hallway of the Condominium); all portions of the heating and air conditioning system, including the air conditioning compressor or central chiller and the fan coil serving the Unit; and all pipes, lines, ducts, conduits, or other apparatus which serve only the Unit, whether located within or without a Unit's boundaries (including all electricity, water, sewer, or air conditioning pipes, lines, ducts, conduits, or other apparatus serving only the Unit). Notwithstanding the foregoing replacement of the windows shall be performed by the Association at the Unit Owner's expense.

In addition, each Owner shall have the responsibility:

(i) To keep in a neat, clean and sanitary condition any Limited Common Elements serving his, her or its Unit.

(ii) To perform his responsibility in such manner so as not to unreasonably disturb other persons in other Units.

(iii) To promptly report to the Association or its agent any defect or need for repairs, for which the Association is responsible.

(iv) To pay for the cost incurred by the Association of repairing, replacing or cleaning up any item which is the responsibility of the Owner, but which responsibility such Owner fails or refuses to discharge (which the Association shall have the right, but not the obligation, to do), or to pay for the cost of repairing, replacing, or cleaning up any item which, although the responsibility of the Association, is necessitated by reason of the willful or negligent act of the Owner, his family, tenants or guests, with the cost thereof to be added to and become part of the Owner's next chargeable assessment.

(v) Any damages resulting from water damage to any Unit or Common Element caused by, resulting from, or otherwise arising as a consequence of the negligence or intentional act of an Owner or Occupant shall be borne solely by such Owner or Occupant, and such Owner or Occupant shall indemnify and hold harmless the Declarant, the Association, the Board, and their directors, officers, and agents and/or the other Owners from any and all claims, damages, fines, judgments, penalties, costs, liabilities or losses and any and all sums paid from settlement of claims, attorneys' fees, consultant and expert fees, resulting from any such damage caused by an Owner or Occupant.

(b) By the Association. The Association shall maintain and keep in good repair as a Common Expense the "Area of Common Responsibility," which includes the following:

(i) all Common Elements, including any Limited Common Elements, but excluding all improvements made to such Limited Common Elements; provided, however, the cost of maintenance and repair of Limited Common Elements shall be assessed against the Owner(s) to whom the Limited Common Element is assigned under Paragraph 8(b)(i);

(ii) periodic painting, staining and/or cleaning of exterior surfaces of the Condominium Building, exterior window frames, and entry doors and door frames facing the hallway of the Condominium, on a schedule to be determined by the Board of Directors;

(iii) periodic cleaning of exterior window surfaces on a schedule to be determined by the Board of Directors; and

(iv) life safety (including, but not limited to, interior sprinkler systems) and building systems.

An Owner or Occupant is strictly prohibited from making any repairs or performing any maintenance to the Common Elements. An Owner or Occupant shall not be entitled to reimbursement from the Association even if the Association accepts the maintenance or repair, and if the Association does not accept said maintenance or repair, such Owner and/or Occupant shall be liable for any additional maintenance or repairs as the Board deems necessary.

The Association shall repair, as a Common Expense, incidental damage to any Unit resulting from performance of work that is the responsibility of the Association. As finish levels can have varying degrees, such repairs will be complete only to the extent of being "paint-ready". Such repair and subsequent cleaning shall be performed based on a reasonableness standard. In performing its responsibilities hereunder, the Association shall have the authority to delegate to such persons, firms or corporations of its choice, such duties as are approved by the Board.

The Association and or the Board may hold a Unit Owner liable for the cost of maintenance or repair to the Common Elements or Limited Common Elements or another Unit caused by a Unit Owner, or a Unit Owners' Occupant, contractor, employee, invitee or other Permittee.

Neither the Association, nor the Board or their directors, officers and agents shall be liable for injury or damage to person or property caused by the elements or by the Owner of any Unit, or a Unit Owner's Occupant, contractor, employee, invitee or other Permittee or any other person, or resulting from any utility, rain, snow or ice which may leak or flow from any portion of the Common Elements or another Unit or from any pipe, drain, conduit, appliance or equipment which the Association or another Unit is responsible to maintain hereunder, except for injuries or damages arising after the Owner of a Unit has put the Association on written notice of a specific leak or flow from any portion of the Common Elements and the Association has failed to exercise due care to correct the leak or flow within a reasonable time thereafter. The Association shall not be liable to the Owner of any Unit or such Owner's Unit Owner's Occupant, contractor, employee or invitee, for loss or damage, by theft or otherwise, of any property which may be stored in or upon any of the Common Elements. The Association shall not be liable to any Owner, or any Owner's Occupant, guest or family for any damage or injury caused in whole or in part by the Association's failure to discharge its responsibilities under this Paragraph where such damage or injury is not a foreseeable, natural result of the Association's failure to discharge its responsibilities. No diminution or abatement of assessments shall be claimed or allowed by reason of any alleged failure of the Association to take some action or

perform some function required to be taken or performed by the Association under this Master Deed, or for inconvenience or discomfort arising from the making of repairs or improvements which are the responsibility of the Association, or from any action taken by the Association to comply with any law, ordinance, or with any order or directive of any municipal or other governmental authority.

(c) Failure to Maintain. If the Board of Directors determines that any Owner has failed or refused to discharge properly his obligation with regard to the maintenance, repair, or replacement of items for which the Owner is responsible hereunder, then, the Association shall give the Owner written notice of the Owner's failure or refusal and of the Association's right to provide necessary maintenance, repair, or replacement at the Owner's cost and expense. The notice shall set forth with reasonable particularity the maintenance, repair, or replacement deemed necessary by the Board of Directors.

Unless the Board of Directors determines that an emergency exists, the Owner shall have ten (10) days within which to complete maintenance or repair, or if the maintenance or repair is not capable of completion within such time period, to commence replacement or repair within ten (10) days. If the Board determines that: (i) an emergency exists or (ii) that an Owner has not complied with the demand given by the Association as herein provided; then the Association may provide any such maintenance, repair, or replacement at the Owner's sole cost and expense, and such costs shall be added to and become a part of the assessment to which such Owner is subject, shall become and be a lien against the Unit, and shall be collected as provided herein for the collection of assessments.

If the Board determines that the need for maintenance or repair is in the Area of Common Responsibility and is caused through the willful or negligent act or omission of any Owner, a Unit Owner's Occupant, contractor, employee, invitee or other Permittee, then the Association may assess the cost of any such maintenance, repair, or replacement against the Owner's or Occupant's Unit, which cost shall constitute a lien against the Unit, and shall be collected as provided herein for the collection of assessments.

(d) Measures Related to Insurance Coverage.

(i) The Board of Directors, upon resolution, shall have the authority to require all or any Owner(s) to do any act or perform any work involving portions of the Condominium which are the maintenance responsibility of the Owner, which will, in the Board's sole discretion, decrease the possibility of fire or other damage in the Condominium, reduce the insurance premium paid by the Association for any insurance coverage or otherwise assist the Board in procuring or maintaining such insurance coverage. This authority shall include, but need not be limited to, requiring Owners to install and maintain smoke detectors, requiring Owners to certify that they have checked the batteries for their smoke detectors, requiring Owners to allow the Association to inspect the smoke detectors and replace batteries if needed on a schedule to be determined by the Board of Directors, requiring Owners to make improvements to the Owner's Unit, and such other measures as the Board may reasonably.

(ii) In addition to, and not in limitation of, any other rights the Association may have, if any Owner does not comply with any requirement made by the Board of Directors pursuant to subparagraph (d)(i) above, the Association, upon fifteen (15) days' written notice (during which period the Owner may perform the required act or work without further liability), may perform such required act or work at the Owner's sole cost provided that, in the event of an emergency, the 15-day notice period may be reduced by the Board to address such problem promptly. Such cost shall be an assessment and a lien against the Unit as provided herein. The Association shall have all rights necessary to implement the requirements mandated by the Board pursuant to subparagraph (d)(i) of this Paragraph, including, but not limited to, a right of entry during reasonable hours and after reasonable notice to the Owner or Occupant of the Unit, except that access may be had at any time without notice in an emergency situation.

(c) Inspection Obligations.

(i) Contract for Services. In addition to the Association's general maintenance obligations set forth in this Master Deed, the Association may, subject to the Board's approval, contract with (subject to the limitations otherwise set forth in this Master Deed) or otherwise retain, as a Common Expense, the services of independent, qualified, licensed individuals or entities to provide the Association with inspection services relative to the maintenance, repair and physical condition of the Condominium.

(ii) Schedule of Inspections. Such inspections shall take place at least annually. The inspectors shall provide written reports of their inspections to the Association promptly following completion thereof. The written reports shall identify any items of maintenance or repair that either require current action by the Association or will need further review and analysis. The Board shall report the contents of such written reports to the members of the Association at the next meeting of the members following receipt of such written reports or as soon thereafter as reasonably practicable and shall include such written reports in the minutes of the Association. Subject to the provisions of the Master Deed below, the Board shall promptly cause all matters identified as requiring attention to be maintained, repaired, or otherwise pursued, as a Common Expense, in accordance with prudent business practices and the recommendations of the inspectors.

(iii) Notice to Declarant. For a period of ten (10) years after the conveyance of the last Unit in the Condominium to an Owner other than Declarant, the Association shall, if requested by Declarant, deliver to the Declarant ten (10) days advance written notice of all such inspections (and an opportunity to be present during such inspection, personally or through an agent) and shall provide the Declarant (or its designee) with a copy of all written reports prepared by the inspectors.

(iv) The provisions of this subparagraph 17(e) shall not apply during the period Declarant appoints any members of the Board in accordance with Article III of the Bylaws.

(f) Mold and/or Mildew. Mold and/or mildew can grow in any portion of the Condominium that is exposed to elevated levels of moisture. The Association and each Owner

agree to: (i) regularly inspect the parts of the Condominium that they respectively maintain, and which are visible and accessible without having to first conduct invasive testing, for the existence of mold, mildew, and/or water intrusion (except when the water intrusion is part of the normal functioning of improvements and appliances such as showers, sinks, dishwashers, and other similar appliances and improvements) and/or damage; (ii) upon discovery, immediately notify the Association of the existence of the condition and, subject to the provisions of the next succeeding sentence repair in a good and workmanlike condition the source of any water intrusion in the parts of the Condominium that they respectively maintain; (iii) remediate or replace any building material located in the parts of the Condominium that they respectively maintain that has absorbed water or moisture as a result of water intrusion; and (iv) promptly and regularly remediate all mold and/or mildew discovered in the parts of the Condominium that they respectively maintain in accordance with current industry-accepted methods. Notwithstanding the foregoing, the Association shall have the right, but not the obligation, to repair or replace any such building material, or remediate any such mold and/or mildew, located in any area for which any Owner is responsible, at such Owner's expense. In addition, each Owner agrees to notify the Association of the discovery of mold, mildew, and/or water intrusion and/or damage in the parts of the Condominium that they respectively maintain. Each Owner further agrees not to block or cover any of the heating, ventilation or air-conditioning ducts located in the Unit.

Notwithstanding anything to the contrary herein, Declarant shall have no obligation to perform any invasive testing or inspections, maintenance or repairs in accordance with this subparagraph 17(f), and shall not be held liable for any loss or damage caused by the failure of the Association or an Owner to perform their obligations herein.

18. MORTGAGEE'S AND OWNER'S RIGHTS.

(a) Any Owner may grant one (1) or more mortgages on such Owner's Unit.

(b) Unless the holders of the first Mortgages on Units having two-thirds (2/3) of the Total Association Vote and the Owners thereof give their consent, the Association or the membership shall not:

(i) by act or omission seek to abandon or terminate the Condominium;

(ii) Except to the extent permitted hereunder change the pro rata interest or obligations of any individual Unit for the purpose of (A) levying assessments or charges or allocating distributions of hazard insurance proceeds or condemnation awards; or (B) determining the pro rata share of ownership of each Unit in the Common Elements in any manner inconsistent with the provisions of the Master Deed;

(iii) partition or subdivide any Unit in any manner inconsistent with the provisions of this Master Deed;

(iv) by act or omission seek to abandon, partition, subdivide, encumber, sell, or transfer the Common Elements (the granting of easements or licenses, as authorized herein, shall

not be deemed a transfer within the meaning of this clause) in any manner inconsistent with the provisions of this Master Deed; or

(v) use hazard insurance proceeds for losses to any portion of the Condominium (whether to Units or to Common Elements) for other than the repair, replacement, or reconstruction of such portion of the Condominium.

The provisions of this subparagraph shall not be construed to reduce the percentage vote that must be obtained from Mortgages or Owners where a larger percentage vote is otherwise required by the Act or the Condominium Instruments for any of the actions contained in this Paragraph 18 and are in addition to the rights afforded to eligible Mortgage Holders in Paragraph 22.

(c) Where the Mortgagee holding a first Mortgage of record, a secondary purchase money Mortgage of record (provided that neither the grantee nor any successor grantee on the secondary purchase money Mortgage is the seller of a Unit) or other purchaser of a Unit obtains title pursuant to judicial or nonjudicial foreclosure of the Mortgage, it shall not be liable, nor shall the Unit be subject to a lien, for the share of the Common Expenses or assessments by the Association chargeable to such Unit which became due prior to such acquisition of title. Such unpaid share of Common Expenses or assessments shall remain a personal obligation of the delinquent Unit Owner and also shall be deemed to be Common Expenses collectible from Owners of all the Units, including such acquirer, its successors and assigns. Additionally, such acquirer shall be responsible for all charges accruing subsequent to the passage of title, including, but not limited to, all charges for the month in which title is passed.

(d) Upon written request to the Association, identifying the name and address of the holder and the Unit number or address, any Eligible Mortgage Holder, or insurer or guarantor of a first mortgage on a Unit, will be entitled to timely written notice of:

(i) any proposed amendment of the Condominium Instruments effecting a change in (a) the boundaries of any Unit encumbered by the Mortgage of such holder or the exclusive easement rights appertaining thereto; (b) the interests in the Common Elements or Limited Common Elements appertaining to any Unit encumbered by the Mortgage of such holder or the liability for Common Expenses appertaining thereto; (c) the number of votes in the Association appertaining to any Unit encumbered by the Mortgage of such holder; or (d) the purposes to which any Unit encumbered by the Mortgage of such holder or the Common Elements are restricted;

(ii) any proposed termination of the Condominium;

(iii) any condemnation loss or any casualty loss which affects a material portion of the Condominium or any Unit on which there is a first Mortgage held by such Eligible Mortgage Holder;

(iv) any delinquency in the payment of assessments or charges owed by an Owner of a Unit subject to a first Mortgage held by such Eligible Mortgage Holder which

remains unsatisfied for a period of sixty (60) days, and any default in the performance by an individual Owner of any other obligation under the Condominium Instruments which is not cured within sixty (60) days;

(v) any lapse, cancellation, or material modification of any insurance policy or fidelity bond maintained by the Association; or

(vi) any proposed action that would require the consent of a specified percentage of Eligible Mortgage Holders, as specified herein.

(e) Any holder of a first Mortgage shall be entitled, upon written request, to receive within a reasonable time after request, a copy of the financial statement of the Association for the immediately preceding fiscal year, free of charge to the Mortgagee so requesting.

(f) Notwithstanding anything to the contrary herein contained, the provisions of Paragraphs 15 and 16 governing leasing and sales of units, respectively, shall not apply to impair the right of any first Mortgagee to:

(i) foreclose or take title to in its own name or in the name of a designee a Unit pursuant to remedies contained in its Mortgage; or

(ii) take in its own name or in the name of a designee a deed or assignment in lieu of foreclosure; or

(iii) sell, lease, or otherwise dispose of a Unit acquired by the Mortgagee.

(g) No Priority. No provision of this Master Deed or the Bylaws gives or shall be construed as giving any Owner or other party priority over any rights of the first Mortgagee of any Unit in the case of distribution to such Owner of insurance proceeds or condemnation awards for losses to or a taking of the Common Elements.

(h) Notice to Association. Upon request, each Owner shall be obligated to furnish to the Association the name and address of any Mortgagee encumbering such Owner's Unit.

(i) Failure of Mortgagee to Respond. Any Mortgagee who receives a written request from the Board to respond to any action shall be deemed to have approved such action if the Association does not receive a written response from the Mortgagee within thirty (30) days of the date of the Association's request, provided such request is delivered to the Mortgagee by certified or registered mail, return receipt requested or by a nationally recognized overnight courier service.

(j) Construction of this Paragraph. Nothing contained in this Paragraph 18 shall be construed to reduce the percentage vote that must otherwise be obtained under the Condominium Instruments or Tennessee law for any of the actions set forth in this Paragraph 18.

(k) Alterations. No Owner, Occupant or agent of such Owner or Occupant shall make any alteration which, in the reasonable opinion of the Board, would jeopardize the soundness or safety of the Condominium or any structure created thereon, would reduce the value thereof, or would impair any easement or other interest in real property thereto, without in every such case the unanimous, prior written consent of all Mortgagees.

19. GENERAL PROVISIONS.

(a) SECURITY. THE ASSOCIATION OR DECLARANT MAY, BUT SHALL NOT BE REQUIRED TO, FROM TIME TO TIME, PROVIDE MEASURES OR TAKE ACTIONS WHICH DIRECTLY OR INDIRECTLY IMPROVE SECURITY IN THE CONDOMINIUM; HOWEVER, EACH OWNER, FOR HIMSELF AND HIS OCCUPANTS, TENANTS, GUESTS, LICENSEES, AND INVITEES, ACKNOWLEDGES AND AGREES THAT NEITHER THE ASSOCIATION, THE BOARD NOR DECLARANT IS A PROVIDER OF SECURITY AND NO SUCH PARTY SHALL HAVE A DUTY TO PROVIDE SECURITY IN THE CONDOMINIUM. FURTHERMORE, NEITHER THE DECLARANT, THE ASSOCIATION NOR THE BOARD GUARANTEES THAT NON-OWNERS AND NON-OCCUPANTS WILL NOT GAIN ACCESS TO THE CONDOMINIUM AND COMMIT CRIMINAL ACTS IN THE CONDOMINIUM NOR DOES THE ASSOCIATION THE BOARD OR DECLARANT GUARANTEE THAT CRIMINAL ACTS IN THE CONDOMINIUM WILL NOT BE COMMITTED BY OTHER OWNERS OR OCCUPANTS. IT SHALL BE THE RESPONSIBILITY OF EACH OWNER TO PROTECT AND INSURE HIS PERSON AND PROPERTY AND ALL RESPONSIBILITY TO PROVIDE SUCH SECURITY SHALL LIE SOLELY WITH EACH OWNER (SUBJECT HOWEVER TO THE RIGHT OF THE COMMERCIAL UNIT OWNER TO MAINTAIN INSURANCE THROUGH THE ASSOCIATION PURSUANT TO TERMS OF PARAGRAPH 11 AND SUBPARAGRAPH 8 (h) AND (i)). NEITHER THE DECLARANT, THE ASSOCIATION, THE BOARD, NOR THEIR DIRECTORS, OFFICERS, OR AGENTS, SHALL BE HELD LIABLE FOR ANY LOSS OR DAMAGE BY REASON OF FAILURE TO PROVIDE ADEQUATE SECURITY OR INEFFECTIVENESS OF MEASURES UNDERTAKEN.

(b) Dispute Resolution.

(i) Prior to filing a lawsuit against the Association, the Board, or any officer, director, or property manager of the Association, an Owner or Occupant must request and attend a hearing with the Board of Directors. Any such request shall be in writing and shall be personally delivered to any member of the Board of Directors or the property manager, if any, of the Association. The Owner or Occupant shall, in such request and at the hearing, make a good faith effort to explain the grievance to the Board and resolve the dispute in an amicable fashion, and shall give the Board a reasonable opportunity to address the Owner's or Occupant's grievance before filing suit. Upon receiving a request for a hearing, the Board shall give notice of the date, time and place of the hearing to the person requesting the hearing. The Board shall schedule this hearing for a date not less than seven (7) or more than twenty-one (21) days from the date of receipt of the request.

(ii) Each and every claim and cause of action arising out of or related in any way to the design, construction, sale, maintenance, habitability or, condition of any Unit or the Common Elements of the Condominium that is asserted against Declarant or its affiliates by the Association, the Board or any Owner shall be resolved by final and binding arbitration in accordance with the terms and provisions set forth herein:

(A) The Association is hereby authorized to act as the exclusive representative of all Owners in asserting any claims and causes of action relating to the Common Elements of the Condominium (including the Limited Common Elements) and to any portion of the Units which is the responsibility of the Association to maintain, repair, and replace. Each Owner does hereby appoint the Association to exclusively act as its power of attorney (which power shall be irrevocable) with respect to the above referenced claims and causes of action including the right to compromise and settle the same. No Owner shall assert a claim or cause of action relating to the Common Elements except through the Association.

(B) All arbitrations in which the Association is a party shall be resolved before a panel of three (3) arbitrators pursuant to the Rules of the American Arbitration Association.

(C) All arbitrations in which an Owner is a party (and the Association is not a party) shall be resolved before one (1) arbitrator pursuant to the Rules of the American Arbitration Association or any such successor organization.

(D) The arbitration shall be conducted by a company actively involved in the dispute resolution business and mutually agreeable to all parties. In the event all parties cannot agree on an arbitrator, the arbitration shall be conducted by the American Arbitration Association or any successor organization.

(E) The arbitration hearing shall be conducted in Nashville, Tennessee. All claims and causes of action of all persons and entities entitled to enforce (or bound by) this arbitration provision shall be asserted in a single arbitration proceeding, and multiple parties may be joined in the arbitration proceeding so that all disputes may be resolved in one forum. No claim or cause of action may be asserted that would be barred by the statute of limitations or the statute of repose.

(F) In any arbitration proceeding, requests for production of documents may be served by each party, and non-privileged, responsive documents that would be discoverable under Rule 34 of the Federal Rules of Civil Procedure (were the claims and causes of action being asserted in United States District Court for the Middle District of Tennessee) shall be produced. Depositions may be taken as allowed by the arbitration panel, which panel shall reasonably limit the number of depositions in order to avoid unnecessary or excessive expense, delay, or harassment.

(G) The arbitration panel shall issue a written decision within thirty (30) days after the final hearing identifying with specificity each claim or cause of action asserted or resolved in any arbitration, and the legal principles of *res judicata* and collateral

estoppel shall be applicable to any arbitration award. Any arbitration award may be confirmed and enforced in any court of competent jurisdiction.

(H) This arbitration provision is expressly intended to benefit and be enforceable by each Person referenced in this subparagraph 19 whether or not such Person is bound by this arbitration provision. Any attempt by any such person or entity to enforce this arbitration provision shall constitute conclusive evidence of its intent to be bound hereby. Any portion of this provision that may be held to be unenforceable shall be severable from the balance of this provision so that the remainder of this provision shall remain in full force and effect. Costs of the arbitration and awards of attorney's fees may be included in the decision of the panel.

(c) Unit Keys. At the request of the Association, each Residential Unit Owner, by acceptance of a deed to a Residential Unit, agrees to provide the Association with a key to the Residential Unit (and the security alarm code, if any), to be used by the Association for maintenance, emergency, security or safety purposes as provided in subparagraph 9(a) of this Master Deed (and for pest control, if necessary, as provided in subparagraph 21(e) of this Master Deed). Neither the Declarant, the Association, the Board, nor their directors, officers, or agents, shall be liable for any loss or damage due to its holding such keys, or use of such keys for the purposes described above and each Owner shall indemnify and hold harmless the Declarant, the Association, the Board, and their directors, officers, and agents against any and all expenses, including attorneys' fees, reasonably incurred by or imposed upon Declarant, the Association, the Board or their directors, officers, and agents in connection with any action, suit, or other proceeding (including settlement of any such action, suit or proceeding) brought by the Owner or the Owner's family, tenants, guests, employees, invitees, or licensees against Declarant, the Association, the Board or their directors, officers, and agents arising out of or relating to its holding or use of such key for the purposes described above.

(d) Right of Action. All Owners hereby acknowledge and agree that the Association shall not be entitled to institute any legal action against anyone on behalf of any or all of the Owners which is based on any alleged defect in any Unit, the Common Elements or the Limited Common Elements, or any damage allegedly sustained by any Owner by reason thereof, but rather, that all such actions shall be instituted by the Person(s) owning such Units or served by such Common Elements or allegedly sustaining such damage. Notwithstanding the above, once the Board is no longer comprised of a majority of members appointed or elected by Declarant and/or the Commercial Unit Owner, the Board of Directors may negotiate the resolution of any alleged defect(s) in the Common Elements and Area of Common Responsibility on behalf of the Owners and shall have the right and authority to settle and release on behalf of any and all of the Owners claims, causes of action, damages and suits involving the same. Any such settlement and release shall bind all Owners and their successors and assigns. As set forth in Paragraph 22 hereof, no amendment to this Master Deed shall (i) modify, alter, or delete any provision of this Master Deed that benefits Declarant or any rights, privileges, easements, protections, or defenses of Declarant; or (ii) alter the rights of the Owners or the Association in relationship to Declarant, without the written consent of Declarant attached to and recorded with such amendment.

(e) Successor Declarants. Any successor to Declarant shall not be responsible or subject to liability by operation of law or through the purchase of Declarant's interest in the Condominium or any portion thereof at foreclosure or otherwise for any act, omission, or matter occurring or arising from any act, omission, or matter occurring prior to the time the successor succeeded to the interest of Declarant.

(f) Disclosures. Each Owner and Occupant acknowledge the following:

(i) The Condominium is located adjacent to thoroughfares that may be affected by traffic and noise from time to time and may be improved and/or widened in the future.

(ii) The natural light available to and views from any Unit may change over time due to, among other circumstances, additional development and the removal or addition of landscaping.

(iii) No representations are made regarding the zoning of adjacent property, or that the category to which adjacent property is zoned may not change in the future.

(iv) No representations are made regarding the schools that currently or may in the future serve the Unit.

(v) Since in every neighborhood, there are conditions that different people may find objectionable, it is acknowledged that there may be conditions outside of the Condominium property that an Owner or Occupant may find objectionable and that it shall be the sole responsibility of the Owners and Occupants to become acquainted with neighborhood conditions that could affect the Unit.

(vi) No representations are made that the Unit is or will be soundproof or that sound may not be transmitted from one Unit to another.

(vii) The Plat and Condominium floor plans and the dimensions and square footage calculations shown thereon are only approximations. Any Owner who is concerned about any representations regarding the floor plans should do his/her own investigation as to the dimensions, measurements and square footage of his/her Unit.

(viii) All Owners and Occupants acknowledge and understand that Declarant may be constructing/renovating portions of the Condominium and engaging in other construction activities related to the construction of Common Elements and improvement of Units. Such construction activities may, from time to time, produce certain conditions on the Condominium, including, without limitation: (A) noise or sound that is objectionable because of its volume, duration, frequency or shrillness; (B) smoke; (C) noxious, toxic, or corrosive fumes or gases; (D) obnoxious odors; (E) dust, dirt or flying ash; (F) unusual fire or explosion hazards; (G) temporary interruption of utilities; and/or (H) other conditions that may threaten the security or safety of Persons on the Condominium. Notwithstanding the foregoing, all Owners and Occupants agree that such conditions on the Condominium resulting from renovation and

construction activities shall not be deemed a nuisance and shall not cause Declarant or its agents, officers or directors to be deemed in violation of any provision of the Master Deed.

(ix) Exposed concrete and brick surfaces in portions of the Condominium which are not heated and cooled are subject to cracking due to (A) water penetration, (B) expansion and contraction of the concrete with temperature changes, and (C) building settlement.

(x) Concrete and brick surfaces in heated and cooled portions of the Condominium are subject to cracking due to building settlement.

(xi) Concrete and hardwood surfaces within a Unit may transmit noise, and such noise shall not be deemed to constitute a use of Unit that interferes with or causes disruption to the use and quiet enjoyment of another Unit by its respective Owner and/or Occupant.

(xii) The Building is not "new construction," having been built in approximately 1905. The Building has experienced the normal wear and tear, aging, and deterioration that would be expected and appropriate for a building of its age. Accordingly, Owners and Occupants should not expect the condition of the Building to be new or even similar to new construction.

(xiii) The flooring in each Unit may contain cracks and may be not be even. Declarant makes no representations or warranties regarding the condition of the flooring.

(xiv) A Unit may trap humidity created by every day living (cooking, bathing, laundering etc.). As a result, condensation may appear on the interior portion of windows and glass surfaces and fogging of windows and glass surfaces may occur due to temperature disparities between the interior and exterior portions of the windows and glass. If left unattended and not properly maintained by Owners and Occupants, the condensation may increase resulting in staining, damage to surrounding seals, caulk, paint, wood work and sheetrock, and potentially, mildew and/or mold (see subparagraph 17(f) of this Master Deed).

(xv) Mold and/or mildew can grow in any portion of the Condominium that is exposed to elevated levels of moisture. The Association and each Owner agree to: (A) regularly inspect the parts of the Condominium that they respectively maintain, and which are visible and accessible without having to first conduct invasive testing, for the existence of mold, mildew, and/or water intrusion (except when the water intrusion is part of the normal functioning of improvements and appliances such as showers, sinks, dishwashers, and other similar appliances and improvements) and/or damage; (B) upon discovery, immediately notify the Association of the condition and, subject to the provisions of the next succeeding sentence, repair in a good and workmanlike condition the source of any water intrusion in the parts of the Condominium that he or she maintains; (C) remediate or replace any building material located in the parts of the Condominium that they respectively maintain that has absorbed water or moisture as a result of water intrusion; and (D) promptly and regularly remediate all mold and/or mildew discovered in the parts of the Condominium that they respectively maintain in accordance with current industry-accepted methods. Notwithstanding the foregoing, the Association shall have the right,

but not the obligation, to repair or replace any such building material, or remediate any such mold and/or mildew, located in any area for which any Owner or Occupant is responsible, at such Owner or Occupant's expense. In addition, each Owner and Occupant agrees to notify the Association of the discovery of mold, mildew, and/or water intrusion and/or damage in the parts of the Condominium that he or she maintains. Each Owner and Occupant further agrees not to block or cover any of the heating, ventilation or air-conditioning ducts located in the Unit. Each Owner and Occupant hereby acknowledges that, notwithstanding anything to the contrary herein or in the Master Deed, Declarant shall have no obligation to perform any invasive testing or inspections, maintenance or repairs in accordance with this subparagraph 19(f)(xv), and shall not be held liable for any loss or damage caused by the failure of the Association or another unit owner to perform their obligations under the Master Deed.

(xvi) The Building is constructed with a flat roof system. Rainwater and refuse may accumulate on various portions of the Building's roof system and should be anticipated by the Owners and Occupants. Minimizing water intrusion and water penetrations may be possible if the Building's roof systems are properly maintained by the parties responsible for providing such maintenance, as more specifically set forth in Paragraph 17 hereof.

(xvii) One or more service providers, which may or may not be an affiliate of the Declarant, may enter into an exclusive marketing contract with the Association to provide satellite television, high-speed internet services and other services to the Building.

(xviii) Restaurant noise and odor and other noise and odor related to retail service and other businesses may emanate from the Commercial Unit. Declarant makes no representations or warranties that odors may not be transmitted from one Unit to another or between the Units and the Common Elements.

(xix) Each Owner and Occupant acknowledges and understands that there are no parking spaces or facilities located on the Condominium, and Declarant makes no representations or warranties regarding the availability of parking spaces for use by the Owners and Occupants. Each Owner and Occupant acknowledges and understands that he or she shall be solely responsible for making his or her own parking arrangements. The Association may, from time to time, enter into agreements for the use of neighboring parking facilities and/or spaces by Owners or Occupants, but each Owner and Occupant acknowledges and understands that the Association is not obligated to enter into such agreements, and that the Association shall have no liability whatsoever in the event it does not enter into such agreements or otherwise arrange for or provide parking spaces or parking facilities for use by the Owners and Occupants.

(xx) Each Owner and Occupant acknowledges and understands that the Building was originally designed and constructed for commercial use, not residential use, and has been converted to the condominium form of ownership. Unforeseen problems with respect to the Building's compliance with applicable building codes, or otherwise, could arise which result from the Building's original design and/or construction for commercial purposes.

(xxi) The Condominium property is subject to certain restrictions set forth in the Capital Mall Redevelopment Plan, last revised by recorded instrument number 20050124-0008719 in the Register's Office for Davidson County, Tennessee.

(xxii) The Condominium property is subject to certain restrictions set forth in that certain Settlement Agreement and Covenants of record in Book 6594, page 256 in the Register's Office for Davidson County, Tennessee.

(xxiii) Alley No. 17, along the northern side of the Building, is subject to that certain Metropolitan Government of Nashville and Davidson County Bill No. 089-643, as amended on January 17, 1989. Said ordinance requires the approval by certain utility companies and agencies of the Metropolitan Government of Nashville and Davidson County of any construction over, above or under said Alley No. 17.

(xxiv) The glass enclosed sky garden at the rear of the Building encroaches approximately four (4) feet over Alley No. 10 (Printers Alley), and is subject to that certain Metropolitan Government of Nashville and Davidson County Bill No. 78-1095.

(xxv) Each Owner and Occupant acknowledges and understands that Declarant has the right to grant to a qualified grantee a conservation and/or historic preservation easement relating to the façade of the Building pursuant to subparagraph 21(g) hereof. In the event Declarant exercises such right, the façade shall become subject to certain restrictions and covenants relating to alteration, replacement and repair.

(xxvi) Declarant makes no representations or warranties regarding security in the condominium. Each Owner and Occupant acknowledges and understands the provisions of subparagraph 19(a) hereof regarding security in the condominium.

(xxvii) Each Owner and Occupant acknowledges and understands that Declarant has the right to annex as a portion of the Commercial Unit all or a portion of the area of the Common Elements in the Basement or on the first (1st) floor of the Building designated on the Plat as the "Expansion Area" in accordance with the provisions of Paragraph 5 hereof.

(xxviii) Improvements may have been constructed on adjoining lands that encroach onto the Condominium property. Declarant gives no representations or warranties as to property rights, if any, created by such encroachments.

(xxix) A number of homes and residential buildings in the United States experience elevated levels of radon gas. Radon is a naturally occurring gas that is caused by radioactive decay of the element radium. Since radium is contained in the earth's crust and dissolves readily in water, radon can be found virtually everywhere and can enter the home or residential buildings through a variety of sources. Any Owner or Occupant can seek information about radon by contacting the EPA or a state environmental office. Declarant has no expertise in the measurement or reduction of radon in homes or residential buildings or regarding acceptable levels or possible health hazards associated with radon. Declarant makes no warranty or representation of any kind, express or implied, regarding the presence or absence of radon gas, or regarding the effectiveness of any architectural activities for reducing the presence of radon.

(xxx) Each Owner and Occupant acknowledges and understands that, notwithstanding anything to the contrary set forth herein, the construction of the proposed balconies for Residential Units 201, 203, 209, 301, 303 and 309 shown on the Floor Plan requires the approval of an adjacent landowner, several utility companies, and various departments of the Metropolitan Government of Nashville and Davidson County, Tennessee. Each Owner and Occupant further acknowledges and understands that such approvals may be denied or delayed and, in such event, Declarant shall have the right, in its sole discretion, to elect not to construct any or all of said balconies.

(xxxi) Each Owner and Occupant acknowledges and understands that neither the Declarant, the Association, the Owners or the Occupants has a contractual right to use the accessway between the second (2nd) floor of the Building and the Parking Garage (as such term is defined in Paragraph 21(h) below) for ingress to, or egress from, the Building or the Parking Garage.

(g) Services Provided by Declarant. Each Owner acknowledges that Declarant and its affiliates may provide services utilized by communities such as this Condominium including, but not limited to, management services, telecommunications services, parking, management, and other services. Each Owner consents and agrees that the Association may enter into service contracts with Declarant and its affiliates.

(h) Metropolitan Development and Housing Agency. In accordance with that certain Development Agreement entered into, or to be entered into, by and between the Metropolitan Development and Housing Agency ("MDHA") and Ambrose Lofts LLC, a Tennessee limited liability company, MDHA agreed to commit up to Four Hundred Twenty Thousand Dollars (\$420,000) in tax increment obligations backed with taxes generated by the Condominium property. Accordingly, each Owner hereby agrees not to contest or permit others to contest any prior tax assessment or imposition related to such Owner's Unit at or below the minimum amount required to enable MDHA to meet its tax increment obligations, and shall not initiate or permit others to initiate any contest of any future assessment or imposition unless such Owner first sets forth to MDHA the basis of any proposed contest and Owner's proposed valuation of the Unit demonstrating that the proposed valuation shall not impair MDHA's ability to meet the tax increment obligations for the Condominium and Owner has obtained MDHA's approval in writing, said approval subject to MDHA's sole and absolute discretion.

(i) Affordability Restriction. Declarant and each Owner of an Affordable Unit are required to meet the Affordability Restriction as follows:

(i) If a Unit is leased by Declarant to a tenant as an Affordable Unit, Declarant shall submit evidence of such tenant meeting the Affordability Restriction, including household size and annual income, to MDHA on an annual basis for a period of five (5) years from the commencement date of the initial lease for the Unit. The tenant must meet the Affordability Restriction, with a maximum income of eighty percent (80%) of the median income and a minimum income of sixty percent (60%) of the median income for household size for the Nashville, Tennessee area.

(ii) If a Unit is sold by Declarant as an Affordable Unit, the Owner of such Affordable Unit must meet the Affordable income requirements at the time of the execution of a binding sale and purchase agreement for said Unit. Such requirements include providing satisfactory evidence of the prospective Owner's family income to MDHA to ensure that the Affordability Restriction has been met at the time of the execution of a binding sale and purchase agreement for said Unit. Such satisfactory evidence shall include a current pay receipt, tax return, or other evidence approved by MDHA. Declarant shall require any and all such Owners to retain such evidence of the family income at the time of the execution of a binding sale and purchase agreement for five (5) years following the close of such sale. Declarant must provide proof of the sale, including a closing statement, recorded deed and the deed of trust, to MDHA immediately following the closing of such sale. An Affordable Unit shall also be encumbered with the Affordability Restriction by means of a deed restriction restricting the use of the Affordable Unit to an Affordable purchaser as provided in subparagraph 19(i)(v).

(iii) If an Affordable Unit is leased by an Owner (other than Declarant) to a tenant, the Owner shall submit evidence of such tenant meeting the Affordability Restriction, including household size and annual income, to MDHA on an annual basis from the commencement date of the lease and upon any renewal of the lease during the period commencing on the date of the original conveyance to the Owner (or the Owner's predecessor in title) from Declarant and terminating five (5) years thereafter. The tenant must meet the Affordability Restriction, with a maximum income of eighty percent (80%) of the median income and a minimum income of sixty percent (60%) of the median income for household size for the Nashville, Tennessee area.

(iv) If an Affordable Unit is subsequently sold by an Owner during the period commencing on the date of the original conveyance to the Owner (or the Owner's predecessor in title) from Declarant and terminating five (5) years thereafter, the new Owner of such Affordable Unit must meet the Affordable income requirements at the time of the execution of a binding sale and purchase agreement for said Unit. The selling Owner shall require the prospective Owner of the Affordable Unit to provide satisfactory evidence of his/her family income to MDHA to ensure that the Affordability Restriction has been met at the time of the execution of a binding sale and purchase agreement for said Unit. Such satisfactory evidence shall include a current pay receipt, tax return, or other evidence approved by MDHA and the new Owner of the Affordable Unit shall retain such evidence of family income at the time of the execution of a binding sale and purchase agreement until the expiration of the Affordability Restriction on said Unit. The selling Owner must provide proof of the sale, including a closing statement, recorded deed and the deed of trust, to MDHA immediately following the closing of such sale. The Affordable Unit purchased by the new Owner from the selling Owner shall also be encumbered with the Affordability Restriction by means of a deed restriction restricting the use of the Affordable Unit to an Affordable purchaser as provided in subparagraph 19(i)(v).

(v) A deed for an Affordable Unit sold to an Owner shall have the following deed restriction to ensure the Owner meets the Affordability Restriction:

"The said Grantee, its heirs, successors and assigns, takes title to the Property subject to the following restriction relating to its use, which shall be deemed a covenant running with the land but which shall terminate and be of no further

force and effect five (5) years from [date of the original conveyance from the Declarant]: the Property must be owned by an individual or individuals whose household earnings at the time the individual enters into a binding purchase and sale agreement for the Property are eighty percent (80%) or less of the median income for household size for the Nashville, Tennessee area as defined by the Department of Housing and Urban Development ("HUD"), as adjusted annually by HUD, and if rented, the Property must be rented by an individual or individuals whose household earnings during the term of the lease are eighty percent (80%) or less of the median income for household size for the Nashville, Tennessee area as defined by the HUD, as adjusted annually by HUD. The Property is subject to the Affordable Restrictions as provided in the Master Deed of record in Instrument No. _____ Register of Deeds, Davidson County, Tennessee."

20. EMINENT DOMAIN.

(a) If any portion of the Common Elements is taken by eminent domain, the award therefor shall be allocated to the Owners in proportion to their respective undivided interests in the Common Elements or deposited into the Association's operating account or reserve account to be applied to Common Expenses, at the option of the Board; provided, however, that the portion of the award attributable to the taking of any permanently assigned Limited Common Element shall be allocated to the Owner or Owners of the Unit or Units to which such Limited Common Element was so assigned at the time of the taking. If any Limited Common Element is permanently assigned to more than one Unit at the time of the taking, the portion of the award attributable to the taking thereof shall be allocated in proportionately equal shares to the Owners of the Units to which it was so assigned.

(b) If one (1) or more Units are taken by eminent domain, the undivided interest in the Common Elements pertaining to any such Units shall then pertain to the remaining Units to be allocated to them in proportion to their respective undivided interests in the Common Elements. The Board of Directors, on behalf of the Association (but without the need for a vote of the members) shall record an amendment to this Master Deed reflecting the reallocation of the undivided interests produced hereby.

(c) If a portion of any Unit is taken by eminent domain, the Board shall determine the fair market value of the portion of such Unit not taken (based on a determination by a court having jurisdiction over such eminent domain proceeding, or otherwise based on a report prepared by an independent appraiser); and the undivided interest in the Common Elements pertaining to any such Unit shall be reduced, in the case of each such Unit, in proportion to the diminution in the fair market value of such Unit resulting from the taking. The portion of undivided interest in the Common Elements thereby divested from the Owner of any such Unit shall be reallocated among that Unit and the other Units in the Condominium in proportion to their respective undivided interests in the Common Elements. Any Units partially taken shall participate in such reallocation on the basis of their undivided interests as reduced in accordance with the preceding sentence. The Board of Directors, on behalf of the Association (but without

the need for a vote of the members) shall record an amendment to this Master Deed reflecting the reallocation of the undivided interests produced thereby.

(d) If the taking of a portion of any Unit makes it impractical to use the remaining portion of that Unit for the primary purpose permitted by the Condominium Instruments, the entire undivided interest in the Common Elements pertaining to that Unit shall then pertain to the remaining Units, to be allocated to them in proportion to their respective undivided interests in the Common Elements, and the remaining portion of that Unit shall thenceforth be a part of the Common Elements. The Board of Directors, on behalf of the Association (but without the need for a vote of the members) shall record an amendment to this Master Deed reflecting the reallocation of the undivided interests produced thereby.

(e) Each holder of a first Mortgage shall be entitled to written notice of any such condemnation proceedings, and nothing in the Condominium Instruments shall be construed to give a priority to any Owner in the distribution of proceeds to such Unit.

21. EASEMENTS.

(a) Use and Enjoyment. Each Owner and Occupant shall have a right and a non-exclusive easement of use and enjoyment in and to the Common Elements (including the right of access, ingress and egress to and from his Unit over those portions of the Condominium designated for such purpose), and such non-exclusive easement shall be appurtenant to and shall pass with the title to such Unit, subject to (i) the rights of the Owners to the exclusive use of the Limited Common Elements assigned to their respective Units; (ii) to the right of the Association to control the use and enjoyment of the Common Elements as provided by the terms of this Master Deed including, but not limited to, the right of the Association to suspend voting and use privileges as provided herein; and (iii) the right of the Association to have access to the Units and Limited Common Elements assigned to a Unit to discharge its rights and obligations, under the Condominium Instruments, including without limitation, the maintenance responsibility of the Association.

(b) Support. Every portion of a Unit and all Limited Common Elements contributing to the support of an abutting Unit shall be burdened with a non-exclusive easement of support for the benefit of such abutting Unit.

(c) Encroachments. To the extent any Unit or Common Elements encroaches on any other Unit or Common Elements, a valid easement for such encroachment shall exist if the encroachment exists as a result of: (i) any deviation from the Plat in the initial construction of the Building or any improvements related thereto; (ii) settling or shifting of the Building or any improvements related thereto; (iii) any alteration or repair to the Common Elements or Units made by or with the consent of the Association or Declarant, as appropriate, or (iv) any repair or restoration of the Building (or any portion thereof) or any Unit after damage by fire or other casualty or any taking by condemnation or eminent domain proceedings of all or any portion of any Unit or the Common Elements.

(d) Utilities. To the extent that the sprinkler system or any utility line, pipe, wire, or conduit serving any Unit, Units or the Common Elements shall lie wholly or partially within the boundaries of another Unit or the Common Elements, such other Unit, Units, or the Common Elements shall be burdened with a non-exclusive easement for the use, maintenance, repair and replacement of such sprinkler system, utility line, pipe, wire or conduit, such non-exclusive easement to be in favor of the Unit, Units, or Common Elements served by the same and the Association. It shall be the obligation of the benefited Owner to notify the Association of any necessary maintenance, replacement and repair of any pipe, line, conduit, duct or wire owned by such Owner, even if such pipe, line conduit, duct or wire is located within the boundaries of a Unit of another Owner and the Association through a contractor shall perform such maintenance, repair or replacement on behalf of the Owner at such Owner's expense. In such circumstance, the benefited Owner shall repair all incidental damage to any Unit resulting from performance of any such work. All Owners hereby covenant and agree that as finish levels can have varying degrees, such repairs will be complete only to the extent of being "paint-ready". Components that may require repair or replacement, such as tile and trim, will be reinstalled only to the extent of readily available materials or similar materials (trim and such will also be finished to "paint-ready").

(e) Pest Control and Plants. The Association may but shall not be obligated to dispense chemicals for the extermination of insects and pests within the Units and Common Elements. In the event the Association chooses to provide such pest control, the Association and its duly authorized contractors, representatives, and agents shall have an easement to enter Units for the purpose of dispensing chemicals for the exterminating of insects and pests within the Units and Common Elements. Owners shall either provide a key to the Unit for purpose of such entry or have someone available at such times as are designated by the Board of Directors to allow entry into the Unit for these purposes. The Association shall not be liable for any illness, damage, or injury caused by the dispensing of these chemicals or performing such maintenance.

(f) Special Easements. For so long as Declarant owns any Unit primarily for the purpose of sale, Declarant and its duly authorized contractors, subcontractors, representatives, agents, associates, employees, tenants and successors and assigns shall have:

(i) a non-exclusive easement for access and ingress to, egress from and use of the Common Elements for the placement and maintenance of signs, banners, balloons, decorations marketing materials and tables, a sales office, a leasing office, a business office, promotional facilities and model Units on any portion of the Condominium, together with such other facilities as in the opinion of Declarant may be reasonably required, convenient or incidental to the completion, renovation, improvement, development, sale or lease of any Unit;

(ii) a non-exclusive easement to use the Common Elements for special events, promotional activities, and grand opening celebrations; and

(iii) a transferable, non-exclusive easement on, over, through, under and across the Common Elements and Limited Common Elements for the purpose of making improvements on the Condominium or any portion thereof, for the purpose of constructing, installing, replacing, repairing, restoring and maintaining all utilities, buildings, driveways, landscaping and

any other improvements on the Condominium property or serving the Condominium, and for the purpose of doing all things reasonably necessary and proper in connection therewith. In connection with the hosting of special events, promotional activities and grand opening celebrations in the Common Elements, Declarant shall be permitted to have live entertainment, and any noise created therefrom shall not be deemed a nuisance and shall not cause Declarant and its representatives, agents, associates, employees, tenants and guests to be deemed in violation of any provision of this Master Deed.

(g) Conservation Easement. Declarant hereby reserves the right to grant to a qualified grantee a conservation and/or historic preservation easement relating to the façade of the Building. Any lien encumbering the Condominium shall be subordinate to said conservation and/or historic preservation easement.

(h) Parking Garage Easement. Declarant hereby reserves the right to enter into an easement agreement with the owner of the parking garage located at 158 Fourth Avenue North (the "Parking Garage") regarding access between the Condominium and the Parking Garage and related issues.

22. AMENDMENTS.

Except where a higher vote is required for action under any other provision of this Master Deed or by the Act, in which case such higher vote shall be necessary to amend such provision, this Master Deed may be amended by the affirmative vote, written consent, or any combination of affirmative vote and written consent of the members of the Association holding two-thirds (2/3) of the Total Association Vote. Moreover, no amendment to this Master Deed shall modify, alter, or delete any: (a) provision of this Master Deed that benefits the Declarant; (b) rights, privileges, easements, protections, or defenses of the Declarant; or (c) rights of the Owners or the Association in relationship to the Declarant, without the written consent of the Declarant attached to and recorded with such amendment, until the later of the following: (i) the date upon which the Declarant no longer owns any Unit; or (ii) ten (10) years after the date on which this Master Deed is recorded in the Davidson County, Tennessee records, whichever period of time is longer. Notwithstanding the foregoing, the easements, rights, and licenses reserved to the Declarant and its successors, assigns and Permittees in accordance with subparagraph 21(f)(ii) shall not be modified, altered, or deleted without the Declarant's written consent.

In addition, no amendment to this Master Deed shall (A) modify, alter, or delete the authorized uses of the Commercial Unit; (B) interfere with the ownership or operation of the Commercial Unit; or (C) modify, alter, or delete any: (1) provision of this Master Deed that benefits the Owner of the Commercial Unit; (2) rights, privileges, easements, protections, or defenses of the Owner of the Commercial Unit; or (3) rights of the Owners or the Association in relationship to the Owner of the Commercial Unit, without the written consent of the Owner of the Commercial Unit attached to and recorded with such amendment.

Notice of any meeting at which a proposed amendment will be considered shall state the fact of consideration and the subject matter of the proposed amendment. No amendment shall be

effective until certified by the President and Secretary of the Association and recorded in the Davidson County, Tennessee land records.

In addition to the above, material amendments to this Master Deed must be approved by Eligible Mortgage Holders who represent at least fifty-one percent (51%) of the votes of Units that are subject to Mortgages held by Eligible Mortgage Holders. Notwithstanding the above, the approval of any proposed amendment by an Eligible Mortgage Holder shall be deemed implied and consented to if the Eligible Mortgage Holder fails to submit a response to *any* written proposal for an amendment within thirty (30) days after the Eligible Mortgage Holder receives notice of the proposed amendment sent by certified or registered mail, return receipt requested. Material amendments are those that establish, provide for, govern or regulate any of the following:

- (a) Voting;
- (b) Assessments, assessment liens or subordination of such liens;
- (c) Reserves for maintenance, repair and replacement of the Common Elements;
- (d) Insurance or fidelity bonds;
- (e) Rights to use of the Common Elements or Limited Common Elements assigned to a Unit;

- (m) Establishment of self-management by the Association where professional management has been required by any of the agencies or corporations set forth below;
- (n) Amendment of any provisions that are for the express benefit of Eligible Mortgage holders or insurers or guarantors of first mortgages on Units in the Condominium; and

(o) Restoration or repair of the Condominium (after damage or partial condemnation) in a manner other than that specified in the Condominium Instruments).

Notwithstanding the foregoing, the Declarant or the Board of Directors, without the necessity of a vote from the Owners, may amend this Master Deed to correct any scrivener's errors, comply with any applicable state, city or federal law, and/or to bring the Condominium into compliance with applicable rules and regulations of the Federal National Mortgage Association ("Fannie Mae"), the Department of Housing and Urban Development ("HUD") and the Veterans Administration ("VA") pursuant to federal law.

Any action to challenge the validity of an amendment adopted under this Paragraph must be brought within one (1) year of the effective date of such amendment. No action to challenge such amendment may be brought after such time.
