The Association shall not be deemed to be conducting a business of any kind. All activities undertaken by the Association shall be for the sole benefit of the Unit Owners, and all funds received by the Association shall be held and applied by it for the use and benefit of the Unit Owners, in accordance with the provisions of this Master Deed and By-Laws. A Unit Owner's membership shall automatically terminate when he ceases to be a Unit Owner. Upon the conveyance or transfer of a Unit Owner's ownership interest to a new Unit Owner, the new Unit Owner shall simultaneously succeed to the former Unit Owner's membership in the Association. Each Unit shall have one (1) vote.

(b) Management of Property. The Board shall have the authority to engage the services of an agent (herein sometimes referred to as the "Managing Agent") to maintain, repair, replace, administer and operate the Property, or any part thereof, to the extent deemed advisable by the Board, subject to the provisions of subparagraph (c) below. The Board shall require that such Managing Agent have fidelity bond coverage on its employees handling Association funds. The cost of such services shall be a common expense, as defined in paragraph 10 hereof.

(c) Initial Management Agreement. Prior to the appointment of the First Board as provided herein, the Developer, on behalf of the Association, may employ a management company, to act as Managing Agent for the Property.

(d) Use by Developer. During the period of sale by Developer of any Units, Developer, and Developer's agents, employees, contractors and subcontractors, and their respective agents and employees, shall be entitled to access, ingress to and egress from the Buildings and Property as may be required for purposes of sale of Units. While Developer owns any of the Units and until each Unit sold by it is occupied by the Purchaser, Developer and its employees may use and show one or more of such unsold or unoccupied Units as a model Unit or Units and may use one or more of such unsold or unoccupied Units as a sales office, and may maintain customary signs in connection therewith.

(e) Non-Liability of Directors and Officers. To the extent permitted by law, neither the directors nor officers of the Association shall be liable to Unit Owners for any mistake of judgment or for any other acts or omissions of any nature whatsoever as such directors or officers, except for any acts or omissions found by a court to constitute gross negligence or fraud. Unit Owners shall indemnify and hold harmless each of the directors and officers and their respective heirs, executors, administrators, successors and assigns in accordance with the provisions of Article VII of the By-Laws.

6. Board's Determination Binding. In the event of any dispute or disagreement between any Unit Owners relating to the Property, or any questions of

interpretation or application of the provisions of this Master Deed or By-Laws, the determination thereof by the Board shall be final and binding on all Unit Owners.

7. Ownership of the Common Elements. Each Unit is hereby allocated its Percentage Interest in the Common Elements as set forth on Exhibit "D" attached hereto and made a part hereof as though fully set forth herein. The assigned percentages of interest in the Common Elements set forth on Exhibit "D" shall remain constant unless hereafter changed by recorded amendment to this Master Deed consented to in writing by Unit Owners, in accordance with paragraph 23 herein. The ownership of a Unit shall not be conveyed separate from the Percentage Interest in the Common Elements appurtenant to such Unit. The Percentage Interest in the Common Elements appurtenant to any Unit shall be deemed conveyed or encumbered with that Unit, even though the legal description in the instrument conveying or encumbering such Unit may refer only to the fee title to that Unit.

8. Use of the Common Elements and Allocated Parking Spaces. Each Unit Owner shall have the right to use the Common Elements in common with all other Unit Owners, as may be required for the purposes of access, ingress to, egress from, use, occupancy and enjoyment of the respective Unit owned by such Unit Owner, but also to his agent, servants, tenants, family members, customers, invitees and licensees. Such rights to use the Common Elements shall be subject to and governed by the provisions of the Act, Master Deed, By-Laws, and Rules and Regulations of the Association. In addition, the Association shall have the authority to lease, grant concessions or grant easements with respect to parts of the Common Elements, subject to the provisions of this Master Deed and By-Laws. All income derived by the Association from leases,

concessions or other sources shall be held and used for the benefit of the members of the Association, pursuant to such rules, resolutions and regulations as the Board may adopt or prescribe.

The lawful Occupant of each Unit shall have the right to the exclusive use and possession of the Allocated Parking Space serving such Unit, as allocated to such Unit by Developer at the time of the conveyance of such Unit to the initial purchaser thereof or at any time subsequent to such initial conveyance. Such right to use the Allocated Parking Space shall be subject to and governed by the provisions of the Act, this Master Deed, the By-Laws and the Rules and Regulations of the Association; provided, however, the right to the use of an Allocated Parking Space may not be changed without the written consent of the Unit Owner of the Unit to which an Allocated Parking Space has been allocated. The Allocated Parking Space corresponding to any Unit shall be deemed conveyed or encumbered with that Unit as an inseparable appurtenance thereto, even though the legal description in the instrument conveying or encumbering such Unit may refer only to such Unit, and the Allocated Parking Space shall not be conveyed or encumbered separately from the Unit served thereby. Such Allocated Parking Space shall not be the subject of any partition action.

9. Parking Spaces. Parking spaces, other than the Allocated Parking Spaces, shall be part of the Common Elements, and may be allocated and reallocated, from time to time, to the respective Unit Owners, and shall be used by such Unit Owners subject to the Rules and Regulations of the Association, and parking spaces not so used by Unit Owners may be rented or otherwise used in such manner as the Board may prescribe.

10. (a) Common Expenses. Each Unit Owner, including Developer (so long as Developer is a Unit Owner), shall pay his proportionate share of the expenses of the administration and operation of the Common Elements and of any other expenses incurred in accordance with this Master Deed and the By-Laws (which expenses are herein sometimes referred to as "Common Expenses"), including, but not limited to, the maintenance and repair of the Common Elements and any and all replacements and additions thereto. Such proportionate share of the Common Expenses for each Unit Owner shall be in accordance with his Percentage Interest in the Common Elements. Payment of Common Expenses, including any prepayment thereof required by a contract for sale of a Unit, shall be in such amounts and at such times as determined in the manner provided in the By-Laws. No Unit Owner shall be exempt from payment of his proportionate share of the Common Expenses by waiver of the use or enjoyment of the Common Elements or by abandonment of his Unit. If any Unit Owner shall fail or refuse to make any such payment of Common Expenses when due, the amount thereof, together with interest thereon at the highest rate allowed by law from the date that said Common Expenses become due and payable, plus reasonable attorney's fees incurred by the Association in the collection thereof or the enforcement of the lien herein provided, shall constitute a lien on the interest of such Unit Owner in his Unit and the Property as provided in the Act. Except for a foreclosure sale described in subsection (b) below, the sale or conveyance of a Unit shall in all cases be subject to all unpaid assessments against the Unit Owner thereof for his pro rata share in the Common Expenses, and if the same are not paid by the owner thereof prior to any sale or conveyance, shall be a lien against

the Unit. Likewise, all taxes and other levies and assessments by governmental taxing bodies shall be a lien against individual Units.

Notwithstanding the foregoing, Developer shall not be required to pay any assessments for Common Expenses in respect of Units owned by it during the Development Period; provided, however, that subsequent to the date of Recording of this Master Deed but prior to the end of the Development Period, Developer shall fund any deficit in the operations of the Association after application of available funds from assessments for Common Expenses in respect of Units previously sold. After the end of the Development Period, Developer shall have no responsibility for the maintenance, repair or replacement of any of the Common Elements except for its responsibilities as a Unit Owner as provided herein; however, should Developer advance any of its own funds for such expenses, it shall be entitled to a credit of all sums so paid against the assessments that it is required to pay as a Unit Owner. Provided, however, for a period of two (2) years after the end of the Development Period, Developer shall not be liable for any special assessments levied by the Board for improvements or betterments to Common Elements.

(b) Mortgage and Deed of Trust Protection. The lien for assessments payable by a Unit Owner shall be subordinate to the lien of a recorded first Mortgage or Deed of Trust on the interest of such Unit Owner, except for the amount of the proportionate share of common expenses which become due and payable from and after the date on which the Mortgagee or Beneficiary thereunder either takes possession of the Unit encumbered thereby, accepts a conveyance of any interest therein (other than as security) or forecloses its Mortgage or Deed of Trust and except for claims for a pro rata

share of such assessments or charges resulting from a pro rata reallocation of such assessment or charges to all Units including the Mortgaged Unit. This subparagraph (b) shall not be amended, changed, modified or rescinded without the prior written consent of all Mortgagees and Beneficiaries of record.

11. Mortgages. Each Unit Owner shall have the right, subject to the provisions herein, to mortgage his Unit together with his respective Percentage Interest in the Common Elements. No Unit Owner shall have the right or authority to mortgage or place a lien on the Property or any part thereof, except to the extent of his own Unit and his appurtenant interest in the Common Elements.

12. Separate Real Estate Taxes. Real estate taxes shall be separately taxed to each Unit Owner for his Unit and its appurtenant interest in the Common Elements, as provided in the Act. In the event that such taxes for any years are not separately taxed to each Unit Owner, but rather are taxed on the Property as a whole, then each Unit Owner shall pay his proportionate share thereof in accordance with his respective Percentage Interest in the Common Elements, and, in said event, such taxes shall be a Common Expense.

13. Insurance.

(a) The Association shall maintain at least the following insurance coverage:

(1) Multi-peril, all-risk, fire and extended coverage insurance covering the entire Condominium, all improvements upon the Land, all Buildings, all additions and extensions attached thereto, all appliances, fixtures, machinery and equipment constituting a permanent part of the

Buildings whether located within or outside the boundaries of individual Units and whether such appliances, fixtures, machinery and equipment are owned in common or owned by an individual Unit Owner (excluding all improvements and additions to Units made by Unit Owners after the creation of the Condominium and personal property contents of the Units) and all personal property included in the Common Elements and Limited Common Elements. The multi-peril, all-risk policy purchased by the Association shall provide fire and extended coverage insurance on a replacement cost basis in an amount not less than that necessary to comply with any co-insurance percentage stipulated in the policy. The face amount of such policy or policies shall not be less than one hundred percent (100%) of the insurable value (based upon replacement cost) of the Buildings. Each policy shall contain the following endorsements: Inflation Guard, Building Ordinance or Law, Guaranteed Replacement Cost, Agreed Amount, Steam Boiler and Machinery Coverage (if applicable). Such insurance coverage's may exclude foundation and excavation costs, but shall afford protection against loss or damage as is commonly covered by a multi-peril, all-risk type policy with fire and extended coverage endorsements, and such other risks as are customarily covered with respect to buildings similar to the Buildings. The multi-peril, all-risk insurance shall be purchased by the Association for the use and benefit of individual Unit Owners and their mortgagees. The Association shall issue certificates of insurance to each Unit Owner

showing and describing the insurance coverage for the interest of each such Unit Owner, and shall develop procedures for the issuance, after request, of a certified copy of the policy together with standard mortgagee endorsements clauses to the mortgagees of Unit Owners. Each policy shall waive rights of subrogation as between Unit Owners. To the extent that Unit Owners are covered by multi-peril, all-risk insurance policies purchased by the Association, or by themselves, they shall not be liable for damage caused by their acts, or negligent acts of others which cause damage to the Common Elements, Limited Common Elements, or another Unit.

(2) Public liability insurance shall be secured in such amounts and with such coverage as shall be determined by the Association but such policy or policies shall be in amount not less than Three Million Dollars (\$3,000,000.00) per occurrence, including, but not limited to, hired automobile and non-owned automobile, with cross-liability endorsement to cover liabilities of the Unit Owners as a group to individual Unit Owners;

(3) Worker's compensation as required by law;

(4) Directors' and officers' liability insurance in an amount determined by the Association, but not less than One Million Dollars (\$1,000,000.00) per occurrence; and

(5) Such other insurance as the Association shall determine from time to time to be desirable and in the best interest of Unit Owners.

(b) The Association shall give each Unit Owner thirty (30) days written notice prior to making any change in the carrier, type of coverage, or policy limits of any insurance policy maintained by the Association.

(c) All policies of insurance shall show the named insured, in form and substance, similar to the following:

"The Row at 31st Condominium Owners Association, Inc." for use and benefit of the Individual Unit Owners." Each policy shall contain, or have issued in connection therewith, a loss payable clause which shall provide any proceeds due shall be paid to the Insurance Trustee, as hereinafter defined, subject to the provisions of this Master Deed for the use and benefit of the mortgagees of individual Units, if any, and Unit Owners as their interests may appear.

(d) Premiums upon insurance policies purchased by the Association shall be paid by the Association and the costs thereof included in the Common Expenses.

(e) The Association is hereby irrevocably appointed agent for each Unit Owner to purchase insurance as described and set forth in subparagraph (a) above and to adjust all claims arising under insurance policies purchased by the Association with the consent of mortgagees holding liens on the affected property and with the consent of such mortgagees to execute and deliver releases upon the payment of claims; however, all insurance drafts, notices, policies, invoices, and other necessary documents shall be delivered, after settlement, directly to the affected mortgagee or its servicer.

14. Responsibilities of Insurance Trustee.

(a) All insurance policies purchased by the Association shall provide that proceeds covering property losses shall be paid to any bank in Tennessee which is selected by the Association as a Trustee, which bank is herein referred to as the Insurance Trustee. The Insurance Trustee shall not be liable for payment of premiums, for the renewal or the sufficiency of policies, or for the failure to collect any insurance proceeds.

(b) The duty of the Insurance Trustee shall be to receive insurance proceeds or condemnation awards paid as a result of casualty or condemnation, and to hold them in trust for the benefit of the mortgagees of individual Units, if any, and Unit Owners, as their interests may appear. The Insurance Trustee will act on behalf of each Unit Owner in connection with the settlement of any condemnation awards or insurance claims, and each Unit Owner hereby appoints the Insurance Trustee as attorney-in-fact for this purpose. An undivided share of such proceeds on account of damages to Common Elements (whether by casualty or condemnation) shall be allocated to the Unit Owners according to their ownership interest in the Common Elements set forth in Exhibit "D". In the event a mortgagee endorsement has been issued as to a Unit, the share of the Unit Owner shall be held in trust for the named mortgagee and the Unit Owner as their interests may appear.

(c) Expenses and fees of the Insurance Trustee shall be paid by the Association and costs thereof included in the Common Expenses.

(d) Proceeds of insurance policies received by the Insurance Trustee shall be distributed as follows:

(1) If the damage for which the proceeds are paid is to be repaired or reconstructed, the proceeds shall be expended as provided in Paragraph 16. Any proceeds remaining after payment of repair or reconstruction expenses shall be distributed to the beneficial owners, with remittances to Unit Owners and mortgagees of Units being payment jointly to them. This is a covenant for the benefit of any mortgagee of a Unit and may be enforced by such mortgagee.

(2) If it is determined, as provided in Paragraph 15, that the damage for which the proceeds are paid shall not be reconstructed or repaired, the proceeds shall be distributed to the mortgagees of Units, if any, and Unit Owners as their interests may appear. This is a covenant for the benefit of any mortgagee and may be enforced by such mortgagee.

(3) In making distributions to Unit Owners and mortgagees, the Insurance Trustee may rely upon a certificate executed (i) by the Association as to the names of the Unit Owners, and (ii) by each of the mortgagees as to their respective share of the distribution.

15. When Damaged Property is to be Reconstructed or Repaired.

(a) If Common Elements are damaged, they shall be reconstructed or repaired, unless it is determined under Paragraph 24 that the Condominium shall be terminated.

(b) If the Buildings are damaged, and if Units with more than one-third (1/3) of the Common Elements appurtenant thereto are found by the Association to be tenantable, then the damaged property shall be reconstructed or repaired, unless, within sixty (60) days after the casualty, it is determined under Paragraph 24 that the Condominium shall be terminated.

(c) If the damaged property is the Buildings, and if Units with more than two-thirds (2/3) of the Common Elements appurtenant thereto are found by the Association not to be tenantable, then the damaged property will not be reconstructed or repaired, and the Condominium will be terminated under Paragraph 24, unless, within sixty (60) days after the casualty, all the Unit Owners and Eligible Mortgage Holders holding mortgages on not less than fifty-one percent (51%) of the Units agree in writing to such reconstruction or repair.

(d) Any reconstruction or repair must be substantially in accordance with the plans and specifications for the original Buildings or if not, then according to plans and specifications aesthetically compatible with the Buildings and Common Elements prior to the damage and approved by the Association, which approval shall not be unreasonably withheld or delayed.

16. Responsibilities and Procedures as to Payment for Repairs.

(a) If damage occurs only to those parts of a Unit that the Unit Owner has the responsibility of maintaining and repairing, then the Unit Owner shall be responsible for the prompt reconstruction and repair of such damage after the casualty. In all other instances, the Association shall have the responsibility of reconstruction and repair. In the event the Unit Owner fails to make such repairs

or reconstruction promptly, the Association may make such repairs and assess the Unit Owner for all expenses, together with a service fee of up to twenty percent (20%) for the Association's services.

(b) Immediately after a casualty causing damage to property for which the Association has the responsibility of maintenance and repair, the Association shall obtain reliable and detailed estimates of the cost to rebuild or repair the damaged property to a condition as good as that existing immediately before the casualty.

(c) If the proceeds of insurance are not sufficient to satisfy the estimated costs of reconstruction and repair, assessments shall be made against the Unit Owners who own the damaged property, and against all Unit Owners in the case of damage to Common Elements, in sufficient amounts to provide funds to pay the estimated costs. Additional assessments may be made at any time during or following the completion of construction. Such assessments against Unit Owners for damage to Units shall be in proportion to the Percentage Interest in the Common Elements of each Unit Owner. Such assessments on account of damage to Common Elements shall be in proportion to the Unit Owner's ownership interest in the Common Elements.

(d) If the amount of the estimated costs of reconstruction and repairs for which the Association is responsible is more than Thirty Thousand Dollars (\$30,000.00) in excess of the amount of insurance proceeds available for such reconstruction or repair, the assessments paid to meet such costs shall be deposited by the Association with the Insurance Trustee. In all other cases, the

Association shall hold the sums paid upon such assessments and disburse them in payment of the costs of reconstruction and repair.

(e) Notwithstanding anything to the contrary herein contained, the Association has a right of entry into any Unit in order to perform emergency repairs or to do other work necessary for the maintenance of the Condominium.

Each Unit Owner shall be responsible for obtaining his own insurance on the contents of his Unit, as well as his additions and improvements thereto, and all parts of the Unit (for which the responsibility of maintenance and repair is that of the Unit Owner), and for decorations, furnishings, and personal property therein, and personal property stored elsewhere on the Property, if any. In addition, in the event a Unit Owner desires to insure against his personal liability and loss or damage by fire or other hazards above and beyond the extent that his liability, loss or damage is covered by the liability insurance and insurance against loss or damage by fire and such other hazards obtained by the Board for all of the Unit Owners as part of the Common Expenses, as above provided, said Unit Owner may, at his option and expense, obtain additional insurance.

Anything in paragraph 13 to the contrary notwithstanding, all insurance maintained by the Board shall, to the fullest extent possible, be with such companies, be in such amounts, have such endorsements, and otherwise be of such form and substance as to permit the Federal National Mortgage Association to purchase mortgages of the Units.

17. Maintenance, Repairs and Replacements. Each Unit Owner at his own expense, shall furnish and be responsible for all maintenance of, repairs to and

replacements within and to his Unit. Except to the extent hereinafter set forth, maintenance of, repair to and replacement of the Common Elements shall be the responsibility of and shall be furnished by the Association, and the cost thereof shall be part of the Common Expenses, subject to the By-Laws, and Rules and Regulations of the Association.

If, due to the act or neglect of a Unit Owner, or of his agent, servant, tenant, family member, invitee, licensee or household pet, damage shall be caused to the Common Elements or to a Unit or Units owned by others, or maintenance, repairs or replacements are required which would otherwise be a Common Expense, then such Unit Owner shall pay for such damage or such maintenance, repairs and replacements, as may be determined by the Board, to the extent not covered by the Association's insurance.

The authorized representatives of the Association, Board, or of the Managing Agent with approval of the Board, shall be entitled to reasonable access to the individual Units as may be required in connection with the preservation of any individual Unit in the event of an emergency, or in connection with maintenance of, repairs to, or replacements within the Common Elements or to make any alteration required by any governmental authority.

18. Alterations, Additions or Improvements. Except as provided in paragraph 19 herein, no alteration of any Common Elements (including without limitation, drilling or otherwise disturbing the concrete floors between Units), or any additions or improvements thereto, shall be made by any Unit Owner without the prior written approval of the Board. The Board may authorize and charge as Common Expenses alterations, additions, and improvements of the Common Elements as provided in the By-

Laws. Any Unit Owner may make non-structural alterations, additions or improvements within and to his Unit without the prior written approval of the Board, but such Unit Owner shall be responsible for any damage to other Units, the Common Elements, the Property, or any part thereof, resulting from such alterations, additions or improvements.

19. Decorating. Each Unit Owner, at his own expense, shall furnish and be responsible for all decorating within and to his Unit as may be required from time to time, including painting, wallpapering, washing, cleaning, paneling, floor covering, draperies, window shades, curtains, lighting, and other furnishings and decorating. Each Unit Owner shall be entitled to the exclusive use of the interior surfaces and the balcony of his Unit, and such Unit Owner shall maintain said Unit surfaces and the balcony in good condition at his sole expense, as may be required from time to time. Said maintenance and use of Unit surfaces shall be subject to the Rules and Regulations of the Association, but each Unit Owner shall have the right to decorate such interior Unit surfaces from time to time as he may see fit and at his sole expense. Decorating of the Common Elements and any redecorating of Units, to the extent such redecorating of Units is made necessary by damage to Units caused by maintenance, repair or replacement of the Common Elements by the Association, shall be furnished by the Association as part of the Common Expenses.

20. Encroachments. If any portions of the Common Elements shall actually encroach upon any Unit, or if any Unit shall actually encroach upon any portions of the Common Elements, or if any Unit shall actually encroach upon another Unit, as the Common Elements and Units are shown on the Plat, there shall be deemed to be mutual

easements in favor of the owners of the Common Elements and the respective Unit Owners involved, to the extent of such encroachments, so long as the same shall exist.

21. Use and Occupancy Restrictions. Subject to the provisions of the By-Laws, no part of the Property may be used for purposes other than housing for single family residences and the related common purposes for which the Property was designed and as allowed by municipal zoning laws. Each Unit, or any two or more adjoining Units used together, shall be used as a single family residence or such other use permitted by this Master Deed, and for no other purpose, except that professional and quasi-professional people may use their residence (not in violation of municipal zoning laws) as an ancillary or secondary facility to an office established elsewhere. The foregoing restrictions as to residence shall not, however, be construed in such manner as to prohibit a Unit Owner from: (a) maintaining his personal professional library; (b) keeping his personal business or professional records or accounts; or (c) handling his personal business or professional telephone calls or correspondence. Such uses are expressly declared customarily incident to the principal residential use and not in violation of said restrictions.

The Common Elements shall be used only by Unit Owners and their agents, servants, tenants, family members, customers, invitees and licensees for access, ingress to and egress from the respective Units and for such purposes incidental to use of the Units; provided, however, the lobbies and corridor area and other areas designed for a specific use shall be used for the purposes approved by the Board. The use, maintenance and operation of the Common Elements shall not be obstructed, damaged or unreasonably interfered with by any Unit Owner, and shall be subject to any lease, concession or

easement, presently in existence or entered into by the Board at some future time, affecting any part or all of said Common Elements.

22. Remedies. In the event of any violation of the provisions of the Act, this Master Deed, By-Laws, or Rules and Regulations of the Association by any Unit Owner (either by his own conduct or by the conduct of any Occupant of his Unit), the Association, or its successors or assigns, shall have each and all of the rights and remedies which may be provided for in the Act, this Master Deed, the By-Laws or said Rules and Regulations, or which may be available at law or in equity, and may prosecute an action or other proceedings against such defaulting Unit Owner and/or others for enforcement of any lien and the appointment of a receiver for the Unit and ownership interest of such Unit Owner, or for damages or injunction or specific performance, or for judgment for payment of money and collection thereof, or the right to take possession of the Unit and ownership interest of such Unit Owner, or for damages or injunction or specific performance, or for judgment for payment of money and collection thereof, or the right to take possession of the Unit and to seal the same as provided hereinafter in this paragraph 22, or for any combination of remedies, or for any other relief. All expenses of the Board in connection with any such actions or proceedings, including court costs and attorney's fees and other fees and expenses and all damages, liquidated or otherwise, together with interest thereon at the highest rate allowed by law or such other uniform lawful rate as the Board shall determine, until paid, shall be charged to and assessed against such defaulting Unit Owner, and shall be added to and deemed part of his respective share of the Common Expenses, and the Board shall have a lien for all of the same, as well as for nonpayment of Common Expenses upon the Unit, and its appurtenant

interest in the Common Elements, of such defaulting Unit Owner and upon all of his additions and improvements thereto and upon all of his personal property in his Unit or located elsewhere on the Property; provided, however, that such lien shall be subordinate to the lien of a recorded first mortgage or deed of trust on the Unit, to the extent hereinabove set forth in paragraph 10(b) hereof. In the event of any such default by any Unit Owner, the Board and the Managing Agent, if so authorized by the Board, shall have the authority to correct such default, and to do whatever may be necessary for such purpose and all expenses in connection therewith shall be charged to and assessed against such defaulting Unit Owner. Any and all such rights and remedies may be exercised at any time and from time to time, cumulatively or otherwise, by the Board. This paragraph shall not be amended, changed, modified or rescinded without the prior written consent of all holders of records of mortgage and deed of trust liens against the Units.

The violation of any restriction or condition or regulation adopted by the Board or the breach of any covenant or provision herein contained, shall give the Board the right, in addition to any other rights provided for in this Master Deed: (a) to enter (either peaceably or forcibly without liability to such Unit Owner for such entry) upon the Unit, or any portion of the Property upon which or as to which such violation or breach exists, and to summarily abate and remove, at the expense of the defaulting Unit Owner, any structure, thing or condition that may exist thereon contrary to the intent and meaning of the provisions hereof, and the Board, or its employees or agents, shall not thereby be deemed guilty in any manner of trespass; or (b) to enjoy, abate or remedy by appropriate legal proceedings, either at law or in equity, the continuance of any breach; or (c) to take possession (either peaceably or forcibly without liability to such Unit Owner for such

entry) of such Unit Owner's interest in the Property and to maintain an action for possession of such Unit in the manner provided by law.

If any Unit Owner (either by his conduct or by the conduct of any other Occupant of his Unit) shall violate the Act, or any of the covenants or restrictions or provisions of this Master Deed, the By-Laws, or the Rules and Regulations adopted by the Board, and if such default or violation shall continue for ten (10) days after notice to the Unit Owner in writing from the Board, or shall occur repeatedly during any ten (10) day period after such written notice or request to cure such violation from the Board, then the Board shall have the power to issue to said defaulting Owner a notice in writing terminating the rights of said defaulting Owner to continue as a Unit Owner and to continue to occupy, use, or control his Unit, and thereupon an action in equity may be filed by the Board against said defaulting Owner for a decree of mandatory injunction against such defaulting Owner or Occupant, or in the alternative, for a decree declaring the termination of said defaulting Owner's right to occupy, use, or control the Unit owned by him on account of said violation, and ordering that the right, title and interest of said defaulting Owner in the Property shall be sold (subject to the lien of any existing deed of trust or mortgage) at a judicial sale upon such notice and terms as the court shall determine, except that the court shall enjoin and restrain the said defaulting Owner from reacquiring his interest at such judicial sale. The proceeds of any such judicial sale shall first be paid to discharge court costs, court reporter charges, reasonable attorney's fees and all other expenses of the proceeding and sale, and all such items shall be taxed against said defaulting Unit Owner in said decree. Any balance of proceeds, after satisfaction of such charges and any unpaid assessments hereunder, or any liens, shall be paid to said defaulting Unit Owner.

Upon the confirmation of such sale, the purchaser shall thereupon be entitled to a deed to the Unit and the Unit Owner's corresponding Percentage Interest in the Common Elements, and to immediate possession of the Unit sold and may apply to the court for a writ of assistance for the purpose of acquiring such possession, and it shall be a condition of any such sale, and the decree shall so provide, that the purchaser shall take the interest in the Unit Ownership sold subject to this Master Deed.

23. Amendment. The provisions of this Master Deed may be amended by an instrument in writing, setting forth such amendment, signed by Unit Owners owning not less than sixty-seven percent (67%) of the Units; provided.

However, if the Act, this Master Deed or the By-Laws requires the consent or agreement of all Unit Owners or of all lien holders for any action specified in the Act or in this Master Deed, then any instrument amending any provision of this Master Deed with respect to such action shall be signed by all Unit Owners or all lien holders or both as required by the Act or this Master Deed. Any amendment shall be effective upon the recording of such instrument in the Office of the Register of Deeds for Davidson County, Tennessee; provided, however, that no provisions in this Master Deed may be amended so as to conflict with the provisions of the Act.

Notwithstanding the provisions of this paragraph 23 to the contrary, during the Development Period, Developer, without the consent of any Unit Owner, may amend this Master Deed to reconfigure the boundaries of one or more Units so long as the boundaries and Percentage Interest in the Common Elements of Units which have been sold are not affected.

24. Termination. The Condominium may be terminated as follows:

(a) In the event it is determined under Paragraph 15(c) that damaged property shall not be reconstructed because of substantial loss in accordance with T.C.A. §67-27-118 as amended, the Condominium shall be terminated.

(b) The Condominium may be terminated in accordance with T.C.A. §66-27-109 at any time after obtaining the prior approval in writing of all Unit Owners, and by all record owners of encumbrances on the Units.

25. Perpetuities and Restraints on Alienation. If any of the options, privileges, covenants or rights created by this Master Deed shall be unlawful, void or voidable for violation of the rule against perpetuities, then such provision shall continue only until twenty-one (21) years after the death of the survivor of the now living descendants of Elizabeth II, Queen of England.

26. Rights and Obligations. Each grantee of Developer, by the acceptance of a deed of conveyance, accepts the same subject to all restrictions, conditions, covenants, reservations, liens and charges, and the jurisdiction, rights and powers created or reserved by this Master Deed. All future Unit Owners and Occupants shall be subject to and shall comply with the provisions of this Master Deed. Any restrictions or rules in the By-Laws which are more than administrative in nature such as, but not limited to, reservations and future rights of Developer are hereby incorporated into and made a part of this Master Deed by reference. All rights, benefits and privileges hereby imposed shall be deemed and taken to be covenants running with the land, and shall bind any person having at any time any interest or estate in said land, and shall inure to the benefit of such grantee in

like manner as though the provisions of this Master Deed were recited and stipulated at length in each and every deed of conveyance or contract for conveyance.

All present and future Unit Owners and Occupants of a Unit shall be subject to, and shall comply with, the provisions of the By-Laws appended hereto and recorded herewith, as they may be amended from time to time. The acceptance of a deed of conveyance, devise, or lease to a Unit, or the entering into occupancy of any Unit shall constitute an agreement that the provisions of the By-Laws, and any Rules and Regulations promulgated thereunder, as they may be amended from time to time, are assumed, accepted and ratified by such Unit Owner or Occupant, and all of such provisions shall be deemed and taken to be covenants running with the land and shall bind any person having at any time any interest or estate in such Unit, as though such provisions were recited and stipulated at length in each and every deed, conveyance or lease thereof.

The terms and conditions of the Master Deed, By-Laws and Rules and Regulations of the Association may be incorporated by reference in, and become part of, the agreement between any first mortgagee and any present or future Unit Owner who enters into such an agreement with a first mortgagee. When so incorporated, any default in the terms and conditions of this Master Deed, By-Laws, and Rules and Regulations may be considered by the first mortgagee as a default, whereupon said first mortgagee, after exercising its option to declare a default, shall then have all of the rights and privileges arising as a result of a default under its agreement with said Unit Owner.

27. Condemnation. In the event of a taking of part of the Common Elements in condemnation or by eminent domain, the award made for such taking shall be payable

to the Association. If a majority of the Board in their sole and absolute discretion approve the repair and restoration of such Common Elements, the Board shall arrange for the repair and restoration of such Common Elements, and the Board shall disburse the proceeds of such award to the contractors engaged in such repair and restoration in appropriate progress payments. In the event the Board does not approve the repair and commence restoration of such Common Elements within 120 days after taking by the public or private authority, the Board shall disburse the net proceeds of such award on the basis of such Unit's Percentage Interest in the Common Elements.

28. Assessments.

(a) Assessments against Unit Owners for Common Expenses shall be made pursuant to the By-Laws and shall be allocated as set forth in Paragraph 10 of this Master Deed.

(b) Assessments, and installments thereon, paid on or before fifteen (15) days after the date when due shall not bear interest, but all sums not paid on or before fifteen (15) days after the date when due shall bear interest at the maximum rate allowed under applicable laws and shall be subject to a Twenty Five Dollars (\$25.00) late charge or such other late charge amount as may be adopted by the Board. Unpaid Assessments shall be a lien upon the Unit(s) to which they pertain. All payments upon account shall be first applied to late charges, then interest and then to the assessment payment first due.

(c) The lien for unpaid assessments provided by the Act and this Master Deed shall also accrue reasonable attorneys' fees and all costs of collection

and/or enforcement incurred by the Association incident to the collection of such assessment or enforcement of such lien.

(d) In any foreclosure of a lien for assessments, the Unit Owner of the Unit subject to the lien shall be required to pay a reasonable rental for the Unit after foreclosure proceedings are commenced, and the Association shall be entitled to the appointment of a receiver to collect such rental.

(e) The Unit Owner and its grantees shall be jointly and severally liable for all unpaid assessments due and payable at the time of a conveyance, but without prejudice to the rights of the grantees to recover from the grantor the amounts paid by the grantee for delinquent assessments. Such liability may not be avoided by a waiver of the use of any Common Element or by the abandonment of the Unit. The Association shall have the right to sue for and collect any such unpaid assessments, to foreclose upon the lien securing the assessments or to institute any other competent proceeding. In any event, the Association shall be entitled to recover all delinquent payments, together with late charges, interest, and all costs of collection and/or enforcement, including reasonable attorneys' fees.

(f) A purchaser of a Unit at a foreclosure sale conducted pursuant to a first mortgage shall be liable only for assessments coming due after the date such sale is held and for the pro rata portion of the assessment due for the month in which such sale is held.

29. Power of Sale to Enforce Assessment Lien.

(a) For and in consideration of the privileges, protections, mutual enjoyment and use of the Common Elements, the assumption of the obligations of Unit Owners set forth in this Master Deed by grantees as required hereunder, the receipt of which is hereby acknowledged, and to secure the payment of Assessments, interest, late charges and attorneys' fees as provided herein (hereinafter collectively referred to as the "Secured Charges"), a lien is expressly retained in favor of the Association on each and every Unit Owner's Unit and pro rata interest in the Common Elements.

(b) For the purpose of better and more effectually securing the Secured Charges, rendering unnecessary court proceedings for the enforcement of said lien in the event of the nonpayment of the Secured Charges, and for the consideration of One Dollar (\$1.00) paid in cash, receipt of which is acknowledged, the Unit Owners, their respective heirs, successors, administrators, and assigns (hereinafter sometimes referred to, collectively, as "Trustors" and individually as "Trustor") hereby transfer and convey unto Trail & Trail, Trustee, of Rutherford County, Tennessee, its successors and assigns, their respective Units with the appurtenances, estates, titles and interests thereto belonging, upon the uses and trusts set forth in this Paragraph 29.

(c) Each Trustor agrees (i) to pay the Secured Charges attributable to its Unit when due, as provided in this Master Deed; (ii) to pay, discharge, or remove, any and all liens (except a first mortgage or deed of trust) which may be hereafter placed against its Unit and which shall adversely affect the lien of this

instrument or enforcement of the terms and provisions hereof; (iii) to comply with all of the terms and conditions of this Master Deed and By-Laws and all Rules and Regulations of the Association; and (iv) to pay upon demand of Trustee or the Association, all the costs and expenses, together with reasonable attorneys' fees, of any court appearance or other proceedings required by Trustee, his successors or the Association to enforce any provision of this Master Deed and By-Laws or any Rule and Regulations of the Association. If any Trustor fails to do any of these things, then Trustee or the Association may do any or all of those things, and the amounts so paid shall bear interest at the highest rate allowed under applicable law in effect from time to time from the date of payment and shall become a part of the Secured Charges secured hereby.

(d) If a Trustor shall pay the Secured Charges when due, then this trust conveyance shall be of no further force or effect with respect to such Trustor's Unit. If the Secured Charges with respect to any Unit are not paid promptly when due, this trust conveyance shall remain in full force and effect, and the Trustee, or his successor in trust, is hereby authorized and empowered, upon given twenty (20) days notice by three (3) publications in any newspaper, daily or weekly, published in Davidson County, Tennessee, to sell said Unit at the front door of the Court House in said County to the highest bidder for cash, at public outcry, free from the equity of redemption, the statutory right of redemption, homestead, dower and all exemptions of every kind, all of which are hereby expressly waived; and the Trustee, or his successor in trust, is authorized and empowered to execute and deliver a deed to the purchaser. The Association may bid at any sale

under this trust conveyance. The Association may, at any time after default in the payment of any of the Secured Charges, enter and take possession of the Unit, and shall only account for the net rents actually received by it. It is further agreed that, in the event the Association fails, before instructing Trustee to sell said Unit, as herein provided, to enter and take possession thereof, the purchaser shall be entitled to immediate possession thereof upon the delivery to him by the Trustee of a deed for said property. In case of sale hereunder, the proceeds will be applied by the Trustee as follows:

(1) First, to the payment of all costs, charges and expenses of executing this conveyance and enforcing the lien herein provided, including reasonable attorneys' fees and expenses incurred for instituting or defending any litigation which may arise on account of the execution of this conveyance, or the enforcement of said lien;

(2) Second, to the payment of all taxes which are due but unpaid with respect to such Unit;

(3) Third, to the payment of all unpaid Secured Charges with respect to such Unit;

(4) Fourth, the residue, if any, will be paid to the Unit Owner of such Unit, its order, representatives or assigns;

(e) In the case of the death, absence, inability, or refusal to act of the Trustee at any time when action under the foregoing power and trusts may be required or for any other reason, the Association is hereby authorized and empowered to name and appoint a successor to the Trustee by an instrument in

writing to be recorded in the Register's Office for Davidson County, Tennessee, and the title and rights herein conveyed to the above named Trustee shall be vested in said successor.

30. Rights of Mortgage Holders in Relation to Assessments.

(a) The liens as herein set out for the enforcement of assessments shall in all respects be subordinate to holders of first mortgage liens on the Units.

(b) The holder of a first mortgage, upon request, shall be notified by the Association in writing of any default by the mortgagor of a Unit in the performance of such mortgagor's obligations under the condominium documents which is not cured within sixty (60) days.

(c) A first mortgagee who obtains title to a Unit by reason of foreclosure of a mortgage covering a Unit, or by a deed in lieu of foreclosure, shall take the Unit free of any claims for unpaid assessments or charges against the Unit which accrue prior to the time such mortgagee takes title to the Unit. The preceding sentence shall not be construed to prevent the Association from filing liens for such assessments and enforcing them against the prior Unit Owner as provided by law.

31. Rights Reserved. Unit Owner's right of enjoyment in the Common Elements shall be subject to:

(a) The right of the Association, as provided in its By-Laws or Rules and Regulations to suspend the enjoyment rights of any member for any period during which any assessment remains unpaid, and for such period as it considers appropriate for any infraction of its published Rules and Regulations;

(b) The right of the Association to charge reasonable fees for the use of any part or parts of the Common Elements;

(c) The right of the Association to diminish in any way or to dedicate or transfer all or any part of the Common Elements to any public agency or authority for such purposes and subject to such conditions as may be agreed to by the members entitled to vote thereon, provided that no such diminution or dedication or transfer or determination as to the purposes or as to the conditions thereof, shall be effective unless members of the Association entitled to cast sixty-seven percent (67%) of the total votes of the Association have agreed to such dedication, transfer, purpose or condition;

(d) The right of Developer, at its sole expense, to relocate, expand, modify, reduce, or extend existing driveways, parking areas and yard, and to construct, expand, enlarge or relocate sewers, utility lines or service connections, in order to serve the existing Buildings; and

(e) The right of the Association to grant such easements and rights-of-way to such utility companies or public agencies or authorities as it shall deem necessary for the proper servicing and maintenance of the Common Elements and the Units.

32. Trustee as Unit Owner. In the event title to any Unit is conveyed to a land title-holding trust, under the terms of which all powers of management, operation and control of the Unit remain vested in the trust beneficiary or beneficiaries, then the beneficiaries thereunder shall be considered Unit Owners for all purposes and they shall be responsible for payment of all obligations, liens, or indebtedness and for the

performance of all agreements, covenants and undertakings chargeable or created under this Declaration against such Unit. No claim shall be made against any such title-holding trustee personally for payment of any lien or obligation as such lien or obligation shall continue to be a charge or lien upon the Unit and the beneficiaries of such trust, notwithstanding any transfers of the beneficial interest of any such trust or any transfer of title to such Unit.

33. Notices. Notices provided for in the Act, this Master Deed or the By-Laws shall be in writing, and shall be addressed to the Association or any Unit Owner, as the case may be at _____, _____, or at such other address as hereinafter provided. The Association may designate a different address or addresses for notices to it by giving written notice of such change of address to all Unit Owners. Any Unit Owner may designate a different address for notices to him by giving written notice to the Association. Notices addressed above shall be deemed delivered when mailed by United States registered or certified mail, or when delivered in person with written acknowledgment of the receipt thereof.

Upon written request to the Board, the holder of any recorded mortgage or trust deed encumbering any Unit shall be given a copy of all notices permitted or required by this Master Deed to be given to the Owner or Owners whose Unit is subject to such mortgage or trust deed.

34. Severability. If any provision of this Master Deed or By-Laws, or any section, sentence, clause, phrase, word, or the application thereof in any circumstances, is held invalid, the validity of the remainder of this Master Deed and the By-Laws and of the application of any such provision, section, sentence, clause, phrase or word in any

EXHIBIT C

BY-LAWS

OF

THE ROW AT 31ST CONDOMINIUM OWNERS ASSOCIATION, INC.

ARTICLE I

Association of Unit Members

Section 1. Eligibility. The Members of The Row at 31st Condominium Owners Association, Inc., a Tennessee not-for-profit corporation, shall consist of the Unit Owners of the Property known as The Row at 31st, located on 31st Avenue North, Nashville, Tennessee (the "Property"). If a Unit Owner is a trust, then the member shall be a beneficiary of such trust, and if a Unit Owner or such a beneficiary is a corporation or partnership, the member may be an officer, partner or employee of such Unit Owner or beneficiary.

Section 2. Succession. The membership of each Unit Owner shall terminate when he ceases to be Unit Owner, and upon the sale, transfer or other disposition of his ownership interest in the Property, his membership in the Association shall automatically be transferred to the new Unit owner succeeding to such ownership interest.

Section 3. Annual Meeting. The annual meeting of the Association (except for the First Annual Meeting, as hereinafter defined) shall be held in the second calendar month at a date to be determined by the Board of Directors following the close of the Association's fiscal year. The first annual meeting of the Association (the "First Annual Meeting") will be called by Developer at such time as, in its discretion, it deems best, but

in no event shall such meeting take place later than the expiration of the Development Period.

Section 4. Special Meetings. Special meetings may be held at any time upon the call of the President or upon the written demand by the Unit Owners of at least thirty percent (30%) of all the votes entitled to be cast at such a meeting, said written demand to be delivered to the Secretary. Upon receipt of such demand, the Secretary shall send out notices of the meeting to all members of the Association.

Section 5. Notice of Meetings. A written or printed notice of every meeting of the Association, stating whether it is an annual meeting or special meeting, the authority for the call of the meeting, the place, day and hour thereof and the purpose therefor, shall be given by the Secretary or the person or persons calling the meeting at least twenty (20) days before the date set for such meeting [but no more than sixty (60) days before such meeting]. Such notice shall be given to each member in any of the following ways: (a) by any manner permitted under the Master Deed, or (b) by leaving the same with him personally, or (c) by leaving the same at the residence or usual place of business of such member, or (d) by mailing it, postage prepaid, addressed to such member at his address as it appears on the records of the Association, or (e) if such member cannot be located by reasonable efforts, by posting said notice on the entrance of such member's Unit. If notice is given pursuant to the provisions of this section, the failure of any member to receive actual notice of the meeting shall in no way invalidate the meeting or any proceedings at such meeting. In the case of a special meeting or in the case of an annual meeting at which Unit Owners will be called upon to approve: (1) director or officer conflicts of interest; (2) indemnification of officers, employees or

agents; (3) any amendment to the Association's Charter; (4) an amendment of these By-Laws; (5) a merger of the Association with another entity; (6) dissolution of the Association; or (7) any other matter now or hereafter governed by the notice provisions of the Tennessee Nonprofit Corporation Act, the written or printed notice shall also state the purpose or purposes for which the meeting is called. Upon written request for notices, mailed by certified mail, addressed to the Secretary of the Association at the address of the Association, the holder of any duly recorded first mortgage or deed of trust against any Unit may obtain a copy of any and all notices permitted or required to be given, and any such mortgagee requesting such notice shall thereafter receive all notices sent to the members from and after receipt of said request until said request is withdrawn or said mortgage is discharged of Record.

Section 6. Waiver of Notice. The presence of all the members, in person or by proxy, at any meeting shall render the same a valid meeting, unless any member shall, at the opening of such meeting, object to the holding of the same for noncompliance with the provisions of Section 5 of this Article I. Any meeting so held without objection shall, notwithstanding the fact that no notice thereof was given, or that notice given was improper, be valid for all purposes, and at such meeting any general business may be transacted and any action may be taken; provided, however, that where a member has pledged his vote by mortgage, deed of trust or agreement of sale, only the presence of the pledgee will be counted in determining whether notice is waived with regard to business dealing with such matters upon which the member's vote is so pledged.

Section 7. Quorum; Voting. At any meeting of the Association, 20% (1/5) of the Unit Owners, present or by proxy, shall constitute a quorum, and, except as otherwise

provided herein, in the Master Deed or in the Act, the concurring vote of a Majority of the Unit Owners shall be valid and binding upon the Association. In the event a member has pledged his vote by mortgage, deed of trust or agreement of sale, the member's vote will be recognized in computing a quorum with respect to any business conducted concerning such matters upon which said member's vote is so pledged or mortgaged unless the mortgage, deed of trust or agreement of sale provides otherwise, in which event such instruments shall control. In the event of such mortgage or pledge, the Unit Owner shall provide the Association with a copy of the pledging or mortgaging instrument. A member may not vote if the member is not current in payment of fees to the Association.

Section 8. Membership; Voting. Any Person or combination thereof owning any Unit duly recorded in his or its name, the ownership of which shall be determined by the records of the Register's Office for Davidson County, Tennessee, shall be a member of the Association, and either in person or by proxy entitled to a vote equivalent to one vote for each Unit so owned at all meetings of the Association. Any provision to the contrary notwithstanding, co-owners or joint owners shall be deemed one Unit Owner and one member. The authority given by a member to another person to represent such member at meetings of the Association shall be in writing, signed by such member (or if a Unit is jointly owned then by co-owners or joint owners, by all such co-owners or joint owners; or if such member is a corporation, by the proper officers thereof), and shall be filed with the Secretary, and unless limited by its terms, such authority shall be deemed good until revoked in a writing filed with the Secretary. An executor, administrator, guardian or trustee may vote in person or by proxy at any meeting of the Association with

respect to any Unit owned or held by him in such capacity, whether or not the same shall have been transferred to his name by a duly recorded conveyance. In case such Unit shall not have so been transferred to his name, he shall satisfy the Secretary that he is the executor, administrator, guardian or trustee holding such Unit in such capacity. Whenever any such Unit is owned by two or more persons jointly according to the Record, the vote thereof may be exercised by any one of the owners present in the absence of protest by the other or others; PROVIDED, HOWEVER, that when the vote of an owner or owners has been pledged by mortgage of deed of trust of Record, only the vote of the pledgee will be recognized upon those matters upon which the owner's or owners' vote is so pledged except as otherwise provided in Section 7.

Section 9. Adjournment. Any meeting of the Association may be adjourned from time to time to such place and time as may be determined by majority vote of the members present, whether a quorum be present or not, without notice other than the announcement at the meeting. At any adjourned meeting at which a quorum is present, any business may be transacted that might have been transacted by a quorum at the meeting originally called.

ARTICLE II

Board of Directors

Section 1. Number and Qualification. The affairs of the Association shall be governed by a Board of Directors (the "Board of Directors" or the "Board") composed of five (5) persons, and all such directors shall be Unit Owners (or owners of an interest in a Unit).

Section 2. Powers and Duties. The Board of Directors shall have all of the powers and duties granted thereto in the Master Deed and all other powers and duties necessary for the administration of the affairs of the Association, and may do all such acts and things as are not by law, by the Master Deed or by these By-Laws directed to be exercised and done by the Unit Owners.

Section 3. Other Powers and Duties. In addition to duties imposed by the Master Deed, these By-Laws or by resolutions of the Association, the Board of Directors shall have the following powers and duties:

(a) to elect and remove the officers of the Association and Board Members;

(b) to administer the affairs of the Association and the Property;

(c) to engage the services of any agent (hereinafter sometimes called the "Managing Agent") to maintain, repair, replace, administer and operate the Property or any part hereof for all Unit Owners, upon such terms and for such compensation and with such authority as the Board may approve; provided, however, that any management agreement relating to the Property shall be terminable for cause upon thirty (30) days notice and shall have a term of not less than one (1) year nor more than three (3) years, which term shall be renewable upon approval of the Board of Directors; and provided further, however, that any such management agreement entered into during the Development Period shall be terminable by the Association without cause or penalty on ninety (90) days prior notice;

(d) to formulate policies for the administration, management and operation of the Property and the Common Elements;

(e) to adopt rules and regulations, with written notice thereof to all Unit Owners, governing the administration, management, operation and use of the Property and the Common Elements, and to amend such rules and regulations from time to time;

(f) to provide for the surveillance, maintenance, repair, and replacement of the Common Elements and payments therefor, and to approve payment vouchers or to delegate such approval to the officers or the manager or Managing Agent;

(g) to provide for the designation, hiring and removal of employees and other personnel, including accountants and attorneys, and to engage or contract for the services of others, and to make purchases for the maintenance, repair, replacement, administration, management and operation of the Property and the Common Elements, and to delegate any such powers to the Managing Agent (and any such employees or other personnel who may be the employees of a Managing Agent);

(h) to appoint committees of the Board and to delegate to such committees the Board's authority to carry out certain duties of the Board;

(i) to determine the fiscal year of the Association and to change said fiscal year from time to time as the Board deems advisable;

(j) to fix the estimated annual budget, and to provide the manner of assessing and collecting from Unit Owners their respective shares of such estimated expenses, as hereinafter provided;

(k) to enter into any lease of premises suitable for use as guest or custodian apartments, upon such terms as the Board may approve;

(l) to borrow money for the purpose of repair or restoration of Common Elements without the approval of the members of the Association;

(m) to secure insurance policies as required by the Master Deed, and in this regard, annually to review the amounts of coverage afforded by such policies;

(n) unless otherwise provided herein or in the Master Deed, to comply with the instructions of a majority of Unit Owners as expressed in resolutions duly adopted at any annual or special meeting of Unit Owners; and

(o) to exercise all other powers and duties of Unit Owners as a group referred to in the Act, or in the Master Deed or these By-Laws.

The Association shall not, in any event, be bound either directly or indirectly by any contract or lease entered into by the Developer on behalf of the Association (including, but not limited to, management contracts) unless such contract or lease has a term of one (1) year or less.

Section 4. Manager or Managing Agent; Employees Generally. The Managing Agent shall perform such duties and services as the Board of Directors shall authorize, including, but not limited to, the duties listed in Section 3 of this Article. The duties conferred upon the Managing Agent by the Board of Directors may be at any moment revoked, modified or amplified by the vote of the Association in a duly constituted meeting. The Board of Directors and/or the Managing Agent (with the approval of the Board of Directors) may employ any other employees or agents to perform such duties at such salaries as the Board of Directors may establish. The Board of Directors may enter into such service contracts on behalf of the Association as are necessary and appropriate and shall have the authority, but not the obligation, to assume,

on behalf of the Association, any initial service contracts entered into by Developer that comply with the requirements and limitations imposed herein. Managing Agent shall have liability, Workers' Compensation and Fidelity Insurance in effect at all times.

Section 5. Election and Term of Office. The directors of the Association shall be elected by the affirmative vote of not less than two-thirds (2/3) of the Unit Owners. At the First Annual Meeting, the terms of office for the first Board of Directors (the "First Board") shall be fixed wherein two directors shall serve for one year, two directors shall serve for two years and one director for three years. At the expiration of the initial term of office of each respective director, his successor shall be elected by all those entitled to vote to serve a term of three years. The directors shall hold office until their successors have been elected and hold their first meeting.

Section 6. Vacancies. Vacancies in the Board of Directors caused by any reason other than the removal of a director by a vote of the Association shall be filled by vote of the majority of the remaining directors, even though they may constitute less than a quorum; and each person so elected shall be a director until a successor is elected at the next annual meeting of the Association.

Section 7. Removal of Directors. At any regular meeting or special meeting duly called, any one or more of the elected directors may be removed with or without cause by not less than 3/5th of the Board of Directors and a successor may then and there be elected to fill the vacancy thus created. Any director whose removal has been proposed by the Board of Directors shall be given an opportunity to be heard at the meeting.

Section 8. Compensation. No compensation shall be paid to directors for their services as directors. No remuneration shall be paid to a director for services performed by him for the Association in any other capacity, unless a resolution authorizing such remuneration shall have been unanimously adopted by the Board of Directors before the services are undertaken. A director may not be an employee of the Association.

Section 9. Organizational Meeting. The first meeting of a newly elected Board of Directors shall be held within one week of election at such place as shall be fixed by the directors at the meeting at which such directors were elected, and no notice shall be necessary to the newly elected directors in order legally to constitute such meeting, providing the whole Board is present.

Section 10. Regular Meetings. Regular meetings of the Board of Directors may be held at such time and place as shall be determined, from time to time, by not less than three-fifths (3/5) of the directors. Any Director who misses 3 consecutive meetings shall be automatically removed from the Board.

Section 11. Special Meetings. Special meetings of the Board of Directors may be called by the President on three (3) days notice to each director, given personally or by mail, addressed to his residence, or by telephone, which notice shall state the time, place (as hereinabove provided) and purpose of the meeting. Special meetings of the Board of Directors shall be called by the President or Secretary in like manner and on like notice on the written request of not less than two (2) directors.

Section 12. Waiver of Notice. Before or at any meeting of the Board of Directors, any director, may, in writing, waive notice of such meeting and such waiver

shall be deemed equivalent to the giving of such notice. Attendance by a director at any meeting of the Board shall be a waiver of notice by him of the time and place thereof. If all the directors are present at any meeting of the Board, no notice shall be required and any business may be transacted at such meeting.

Section 13. Board of Directors' Quorum. At all meetings of the Board of Directors, three-fifths (3/5) of the directors shall constitute a quorum for the transaction of business, and the acts of a majority of the directors present at a meeting at which a quorum is present shall be the acts of the Board of Directors. If, at any meeting of the Board of Directors, there be less than a quorum present, the majority of those present may adjourn the meeting to a different time. At any such adjourned meeting, any business that might have been transacted at the meeting as originally called may be transacted without further notice.

Section 14. Bonds of Officers and Employees. The Board of Directors shall require that all officers and employees (including without limitation any management agent) of the corporation handling or responsible for corporate funds shall be covered by blanket fidelity bonds naming the Association as obligee, which bonds shall be in any amount not less than one hundred fifty percent (150%) of the estimated annual operating expenses of the Project. Each such bond shall contain an agreement to notify the Board, the holder of a first mortgage or deed of trust on a Unit and every other person in interest who shall have requested such notice at least thirty (30) days prior to notice of any cancellation or material alteration of such bond. The premiums on such bonds shall be paid by the Association as a common expense of the Association.

ARTICLE III

Officers

Section 1. Designation. The principal officers of the Association shall be a President, a Vice President, a Secretary and a Treasurer, all of whom shall be elected by and from the Board of Directors. The directors may appoint an assistant treasurer, an assistant secretary, and such other officers as in their judgment may be necessary. An officer may serve in more than one capacity; provided, however, that there shall be no less than two (2) persons serving as officers; and further provided that no one person shall serve as both President and Secretary simultaneously. All officers must be Unit Owners (or owners of an interest in an Unit).

Section 2. Election of Officers. The officers of the Association shall be elected annually by the Board of Directors at the organizational meeting of each new Board of Directors and shall hold office at the pleasure of the Board of Directors.

Section 3. Removal of Officers. Upon the affirmative vote of a majority of the members of the Board of Directors, any officer may be removed, either with or without cause, and his successor elected at any regular meeting of the Board of Directors, or at any special meeting of the Board of Directors for such purpose.

Section 4. President. The President shall be the chief executive officer of the Association. He shall preside at all meetings of the Association and of the Board of Directors. He shall have all of the general powers and duties that are usually vested in the office of president of an association, including, but not limited to, the power to appoint committees from among the Unit Owners from time to time as he may in his discretion decide is appropriate to assist in the conduct of the affairs of the Association.

Section 5. Vice President. The Vice President shall take the place of the President and perform his duties whenever the President shall be absent or unable to act. If neither the President nor the Vice President is able to act, the Board of Directors shall appoint some other member of the Board to do so on an interim basis. The Vice President shall also perform such other duties as shall from time to time be imposed upon him by the Board of Directors.

Section 6. Treasurer. The Treasurer shall have the responsibility for checking the monthly financial statements provided by the Management Company.

Section 7. Secretary. The Secretary shall review the minutes of all meetings of the Board of Directors or of the Association; shall give all notices as provided by these By-Laws, and shall have other powers and duties as may be incidental to the office of Secretary, given him by these By-Laws or assigned to him from time to time by the directors. The management company's agent shall keep the minutes of such meeting and record them in the books provided for that purpose.

Section 8. Auditor. The Association may at any meeting appoint some person, firm or corporation engaged in the business of auditing to act as auditor of the Association and to perform such audits and fiscal duties as may be requested of him by the Association.

ARTICLE IV

Assessments

Section 1. Annual Budget. The Board shall cause to be prepared an estimated annual budget for each fiscal year of the Association. Such budget shall take into account the estimated common expenses and cash requirements for the year, including, but not

limited to, salaries, wages, payroll taxes, legal and accounting fees, working capital fund, supplies, materials, parts, services, maintenance, repairs, replacements, landscaping, insurance, fuel, power, and all other common expenses. To the extent that the assessments and other cash income collected from Unit Owners during the preceding year shall be more or less than the expenditures for such preceding year, the surplus or deficit, as the case may be, shall also be taken into account. The annual budget shall also take into account the estimated net available cash income for the year from the lease, operation or use of the Common Elements. The annual budget shall provide for a reserve for contingencies for the year and replacements, in reasonable amounts as determined by the Board.

Section 2. Assessments. The estimated annual budget for each fiscal year shall be approved by the Board, and copies thereof shall be furnished by the Board to each Unit Owner, not later than thirty (30) days prior to the beginning of such year. On or before the first day of the first month and of each succeeding month of the year covered by the annual budget, each Unit Owner shall pay, as his respective monthly assessment for the Common Expenses, one-twelfth (1/12) of his proportionate share of the Common Expenses for such year as shown by the annual budget. The proportionate share for each Unit Owner shall be based upon his respective ownership interest in the Common Elements as set forth in Exhibit D to the Master Deed. In the event that the Board shall not approve an estimated annual budget or shall fail to determine new monthly assessments for any year, or shall be delayed in doing so, each Unit Owner shall continue to pay each month the amount of his respective monthly assessment as last determined. Each Unit Owner shall pay his monthly assessment on or before the first day

of each month to the Managing Agent or otherwise as directed by the Board. No Unit Owner shall be relieved of his obligation to pay any assessment by abandoning or not using his Unit or the Common Elements.

Section 3. Partial Year or Month. For the first fiscal year, the annual budget shall be as approved by the First Board. If such first fiscal year, or any succeeding fiscal year, shall be less than a full year, then the monthly assessments for each Unit Owner shall be proportionate to the number of months and days in such period covered by such budget. Commencing with the date of occupancy of his Unit, each Unit Owner shall pay his assessment for the following month or fraction of a month, which assessment shall be in proportion to his respective ownership interest in the Common Elements and the number of months and days remaining of the period covered by the current annual budget, and which assessment shall be computed by the Board.

Section 4. Annual Report. Within ninety (90) days after the end of each fiscal year covered by an annual budget, or as soon thereafter as practicable, the Board shall cause to be furnished to each Unit Owner a statement for such year, showing the receipts and expenditures and such other information as the Board may deem appropriate.

Section 5. Supplemental Budget. In the event that, during the course of any year, it shall appear to the Board that the monthly assessments, determined in accordance with the estimated annual budget for such year, are insufficient or inadequate to cover the estimated common expenses for the remainder of such year, then the Board shall prepare and approve a supplemental budget covering the estimated deficiency for the remainder of such year, copies of which supplemental budget shall be furnished to each Unit Owner,

and thereupon a supplemental assessment shall be made to each Unit Owner for his proportionate share of such supplemental budget.

Section 6. Expenditures. Except for the Management Agreement described in Article II, Section 3(c) hereof and expenditures and contracts specifically authorized by the Master Deed and By-Laws, the Board shall not approve any expenditure in an amount in excess of twenty percent (20%) of the annual budget for the then current year, unless required for emergency repair, protection or operation of the Common Elements nor enter into any contract for more than three (3) years, without the prior approval of two-thirds (2/3) of the total ownership in the Common Elements.

Section 7. Lien. It shall be the duty of every Unit Owner to pay his proportionate share of the common expenses as provided in the Master Deed, and as assessed in the manner herein provided.

If any Unit Owner shall fail or refuse to make any such payment of assessments when due, such delinquent payment shall be subject to a late charge in an amount established by the Board. Such delinquent payment, together with penalty and interest, shall constitute a lien, as provided in the Act, enforceable by the Board, on the interest of such Unit Owner in the Property.

The Association, or its successors and assigns, acting through the Board or its agents, shall have the right to maintain a suit to foreclose any such lien, and there shall be added to the amount due the costs of said suit and other fees and expenses, together with legal interest and reasonable attorney's fees. The Association, acting through the Board, shall have the authority to exercise and enforce any and all rights and remedies as

provided for in the Act, the Master Deed, or these By-Laws, or as are otherwise available at law or in equity, for the collection of all unpaid assessments.

Section 8. Records and Statement of Account. The Board shall cause to be kept detailed and accurate records in chronological order of its receipts and expenditures affecting the Common Elements, specifying and itemizing the common expenses incurred. Payment vouchers may be approved in such manner as the Board may determine.

The Board shall, upon receipt of ten (10) days written notice to the Association and upon payment of a reasonable fee, furnish to any Unit Owner a statement of his account setting forth the amount of any unpaid assessment or other charges due and owing from such Unit Owner.

Section 9. Discharge of Liens. The Board may cause the Association to discharge any mechanic's lien or other encumbrance which in the opinion of the Board may constitute a lien against the Property or the Common Elements, rather than a lien against only a particular Unit. When less than all the Unit Owners are responsible for the existence of any such lien, the Unit Owners responsible shall be jointly and severally liable for the amount necessary to discharge the same and for all costs and expenses, including attorney's fees, incurred by reason of such lien.

Section 10. Holding of Funds. All funds collected hereunder shall be held and expended for the purposes designated herein, and (except for such special assessments as may be levied hereunder against less than all the Unit Owners and for such adjustments as may be required to reflect delinquent or prepaid assessments) shall be deemed to be

held for the benefit, use and account of all the Unit Owners in the percentages set forth on Exhibit D to the Master Deed. Said funds shall be kept in an FDIC insured institution.

Section 11. Working Capital. A working capital fund shall be maintained by the Association during the initial months of the Property's operation, in an aggregate amount equal to at least two months assessments for each Unit. Each Unit's share of the working capital fund must be collected and transferred to the Association at the time of the closing of the sale of each Unit and maintained in an account for the use and benefit of the Association. The Developer, however, shall not be required to make contributions to the working capital fund until the end of the Development Period. The purpose of the working capital fund is to insure that the Association will have cash available to meet unforeseen expenditures, and/or to acquire additional equipment or services deemed necessary or advisable by the Board, and disbursements from such fund shall be made as directed by the Board. Amounts paid into the working capital fund shall in no event be considered advance payments of monthly assessments.

ARTICLE V

Use and Occupancy Restrictions

Section 1. General. No unlawful, noxious or offensive activities shall be carried on in any Unit or elsewhere on the Property, nor shall anything be done therein or thereon which shall constitute a nuisance or which shall in the judgment of the Board cause unreasonable noise or disturbance to others.

Section 2. Maintenance and Repair.

(a) Every Unit Owner must perform promptly all maintenance and repair work within his Unit that, if omitted, would affect the Property in its entirety or a part

belonging to other Unit Owners, and is responsible for the damages and liabilities that his failure to do so may cause.

(b) All the repairs of internal installations of a Unit such as water, light, power, sewage, telephone and sanitary installations, lamps and all other accessories belonging to the Unit area shall be maintained at the Unit Owner's expense.

(c) A Unit Owner shall reimburse the Association for any expenditure incurred in repairing or replacing any Common Elements damaged through his fault.

Section 3. Use of Units. All units shall be used in accordance with the provisions of the By-Laws, the Master Deed and the Rules and Regulations.

Section 4. Leases. The Units shall not be leased or rented under any terms by Unit Owners.

Section 5. Use by Developer. During the period of sale by Developer of any Units, Developer, Developer's agents, employees, contractors and subcontractors, and their respective agents and employees, shall be entitled to access, ingress to and egress from the Buildings and Property as may be required for purposes of sale of Units. In addition, Developer reserves the right to enter into, upon, over and under any Unit for a period of one (1) year after the date of sale of the Unit for such purposes as may be reasonably necessary for Developer or its agents to service any Unit. While Developer owns any of the Units and until each Unit sold by it is occupied by Purchasers, Developer and its employees may use and show one or more of such unsold or unoccupied Units as a model Unit or Units and may use one or more of such unsold or unoccupied Units as a sales office, and may maintain customary signs in connection herewith.

Section 6. Rules and Regulations. In order to assure the peaceful and orderly use and enjoyment of the Buildings and Common Elements of the Property, the Association may from time to time adopt, modify and revoke in whole or in part by a vote of not less than sixty percent (60%) of the Board Members. The Rules and Regulations, upon adoption, and every amendment, modification and revocation thereof, shall be delivered promptly to each Unit Owner and shall be binding upon all members and occupants of the Property.

The initial Rules and Regulations shall be these:

1. The entrances of the Buildings shall not be obstructed or used for any purpose other than ingress to and egress from the Units.
2. No exterior of any Unit or the windows or doors thereof or any other portions of the Common Elements shall be painted or decorated by any Unit Owner in any manner without the prior written consent of the Board.
3. No furniture, equipment or other personal articles shall be placed in the entrances or other Common Elements other than in enclosed balconies and patios.
4. No Unit Owner shall make or permit any noise or objectionable odor that will disturb or annoy the occupants of any of the Units in the Property, or do or permit anything to be done therein that will interfere with the rights, comfort or convenience of other Unit Owners.
5. Each Unit Owner shall keep his Unit in a good state of preservation and cleanliness and shall not sweep or throw or permit to be swept or thrown therefrom, or from the doors or windows thereof, any dirt or other substance.

6. No shades, awnings, window guards, ventilators, fans or air-conditioning devices shall be used in or about the Buildings or Common Elements except such as shall have been approved by the Board.

7. No window shutters shall be used in or about the Buildings or Common Elements without the prior written consent of the Board.

8. All interior curtains, blinds and window treatments in the Units shall have white backings so that only such white backing shall be visible from the exterior of the Buildings.

9. No sign, notice, lettering or advertisement shall be inscribed or exposed on, or at any window, door or other part of the Property, except such as shall have been approved in writing by the Board; nor shall anything be projected out of any window of the Buildings without similar approval.

10. All garbage, refuse, and ashes from the Buildings shall be deposited with care in receptacles intended for such purpose only at such times and in such manner as the Managing Agent shall direct.

11. Water closets and other water apparatus in the Buildings shall not be used for any purposes other than those for which they were constructed; nor shall any sweepings, rubbish, rags, paper, ashes or any other article be thrown into the same. Any damage resulting from misuse of any water closet or other apparatus shall be paid for by the Unit Owner or his invitees, licensees, visitors, clients, employees and/or guests causing such damage.

12. All balconies and patios shall be maintained neatly and cleanly. All plants on such balconies and patios must be potted and all pots must have drip pans. No

personal belongings may be stored or displayed on unenclosed balconies. No gas or charcoal grills are allowed.

13. Caged birds or animals, house cats, and dogs under 20 pounds may be kept in a Unit Owner's Unit unless the same shall become a nuisance or disturbance to other Unit Owners. In no event shall any other bird or animal be kept or harbored in the Buildings. All Unit Owners shall obey all applicable leash laws, will not allow their pets to run loose at any time, and will not leave them tied up outside their Units.

14. No radio, television aerial or satellite dish shall be attached to or hung from the exterior of the Buildings without the prior written consent of the Board.

15. The agents of the Managing Agent, and any contractor or workman authorized by the Managing Agent, may enter any Unit at any reasonable hour of the day for any purpose permitted under the terms of the Master Deed, these By-Laws or the Rules and Regulations.

16. No Unit Owner or any employee or any client, visitor or guest of a Unit Owner shall be allowed on the roof of the Buildings without the prior express written permission of the Managing Agent or the Board.

17. All damage to the Buildings or Common Elements caused by the moving or carrying of any article therein or thereon shall be paid by the Unit Owner, or his invitees, licensees, visitors, clients, employees and/or guests, responsible for the presence of such article.

RECITALS:

A. Developer established the Condominium under the terms of that certain Master Deed for The Row at 31st Condominiums dated April 29, 2003, recorded as Instrument No. 20030430-0057670 (the "Initially Recorded Master Deed"), in the Register's Office of Davidson County, Tennessee (the "Register's Office"), as corrected, supplemented and amended by that certain (i) Instrument of Correction of Master Deed for The Row at 31st Condominiums dated February 3, 2004, recorded as Instrument No. 20040203-0012935, (ii) Addendum to Master Deed for The Row at 31st Condominiums dated February 6, 2004, recorded as Instrument No. 20040206-0014724 (the "Addendum"), (iii) Amendment to the Master Deed for The Row at 31st Condominiums dated June 15, 2004, recorded as Instrument No. 20040615-0070764, and

(iv) Second Amendment to the Master Deed for The Row at 31st Condominiums dated September 13, 2004, recorded as Instrument No. 20040915-0111215, all in the Register's Office (collectively as supplemented, corrected and amended, the "Master Deed");

B. Exhibit B to the Initially Recorded Master Deed described eighteen (18) residential condominium units known as Unit Nos. 210, 212, 214, 216, 218, 220, 222, 224, 226, 228, 230, 232, 234, 236, 238, 240, 242 and 244 that were to be as shown on the "Plat" attached to said Exhibit B; however, the page containing the Plat was inadvertently omitted from Exhibit B;

C. Developer caused the Addendum to be recorded in order to add the initially omitted "Plat" to Exhibit B of the Initially Recorded Master Deed;

D. The Parties have determined that an amendment to Exhibit B to the Master Deed would be helpful in clarifying and confirming the identity of each of the numbered Units and their physical position in relation to the other Units in the condominium complex in order to prevent future disputes on the basis of any argued ambiguity in Exhibit B as originally filed;

E. The Parties wish to correct and clarify Exhibit B to the Master Deed;

F. The Initially Recorded Master Deed also referred to an Exhibit D, which was intended to allocate to each Unit its Percentage Interest in the Common Elements, however, such Exhibit D was inadvertently not attached to the Initially Recorded Master Deed and has not since been recorded;

G. The Parties wish to record Exhibit D to the Master Deed;

H. The Parties wish to amend the Master Deed to assign Allocated Parking Spaces to the Units and clarify certain parts of the Master Deed related to parking rights;

I. Bank has agreed to execute this Amendment solely for the purposes of consenting to the assignment and allocation of Allocated Parking Spaces and subordinating to the Master Deed its lien rights under that certain Deed of Trust, Assignment of Rents and Leases, Security Agreement and Financing Statement dated August 28, 2002, recorded as Instrument No. 20020828-0104441 in the Register's Office on August 28, 2002 (the "Deed of Trust"), which evidences Bank's lien on Unit Numbers 212, 224, 234, 236, 242, and 244 (each a "Remaining Unit" and collectively, "Remaining Units"); and

J. Developer and individuals persons named in the introductory paragraph of this Amendment constitute all of the Unit Owners.

NOW, THEREFORE, for and in consideration of the Recitals set forth above, which the Parties confirm to the best of their knowledge and belief are true and correct, the mutual covenants contained herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged by the Parties, the Parties agree as follows:

1. Unit Designations.

(a) Exhibit B to the Master Deed is hereby amended by deleting the first page of Exhibit B as it appears in the Addendum and replacing it with the five (5) pages attached to this Amendment as Attachment "B". The balance of Exhibit B to the Master Deed shall remain unmodified and in full force and effect. As used in the Master Deed and hereinafter in this Amendment, "Exhibit B" means Exhibit B as modified by this Amendment.

(b) For purposes of clarifying the location of each Unit within the condominium complex, the Unit Owners (i) agree that the reference to any Unit's identifying number in any deed, deed of trust or other conveyance of any Unit, whether previously or hereafter executed, delivered and recorded, was intended, and shall be construed, to refer to the Unit as so identified on Exhibit B as fully as if this Amendment had existed and been recorded in the Register's Office prior to the execution, delivery and recording of any such deed, deed of trust or other conveyance, and (ii) expressly ratify every such deed, deed of trust or other conveyance, to be so construed.

2. Ownership of Common Elements. To establish each Unit's Percentage Interest in the Common Elements, the Master Deed is hereby amended by adding as Exhibit D to the Master Deed the exhibit attached hereto as Exhibit D.

3. Allocated Parking Spaces. In order to resolve and avoid any misunderstandings as to (i) the rights of Unit Owners to use parking spaces which are part of the condominium complex and (ii) the nature of such parking spaces as property, the Master Deed is hereby amended as follows:

The exhibit attached to this Amendment as Exhibit E is added as Exhibit E to the Master Deed for the purpose of identifying the location of every Allocated Parking Space designated and allocated to a Unit by Section 8 of the Master Deed.

Section 8 is deleted in its entirety and replaced with the following:

8. Use of Common Elements and Allocated Parking Spaces. Each Unit Owner shall have the right to use the Common Elements in common with all other Unit Owners, as may be required for the purposes of access, ingress to, egress from, use, occupancy and enjoyment of the respective Unit owned by such Unit Owner, but also to such Unit Owner's agents, servants, tenants, family members, customers, invitees and licensees. Such rights to use the Common Elements shall be subject to and governed by the provisions of the Act, this Master Deed, the By-Laws and the Rules and Regulations of the Association. In addition, the Association shall have the authority to lease, grant concessions or grant easements with respect to parts of the Common Elements, subject to the provisions of this Master Deed and By-Laws. All income derived by the Association from leases, concessions or other sources shall be held and used for the benefit of the members of the Association, pursuant to such rules, resolutions and regulations as the Board may adopt or prescribe.

The Unit Owner(s) or lawful Occupant(s) of each Unit shall have the benefit of and the sole and exclusive right to possess, use and enjoy the Allocated Parking Space(s) designated and allocated to such Unit on Exhibit E attached to this Master Deed (collectively, "Parking Rights"). For example, the Unit Owner(s) or lawful Occupant(s) of Unit 210 shall have the benefit of and the sole and exclusive right to possess, use and enjoy the parking spaces identified as "210" on Exhibit E, and the Unit Owner(s) or lawful Occupant(s) of Unit 240 shall have the benefit of and the sole and exclusive right to possess, use and enjoy the parking space identified as "240" on Exhibit E. Each Unit's Parking Rights shall be subject to and governed by the provisions of the Act, this Master Deed, the By-Laws and the Rules and Regulations of the Association; provided, however, Unit Owners may exchange their respective Unit's Parking Rights without the consent or approval of any other Unit Owners whose respective Unit's Parking Rights are not affected by such exchange by satisfying all of the following requirements (each a "Permitted Reallocation"):

(a) Those specific Unit Owner(s) who have agreed to exchange their respective Unit's Parking Rights must (i) execute a written agreement between themselves (the "Exchange Agreement") to evidence such exchange specifically identifying (a) each Allocated Parking Space being exchanged by the number of each such Allocated Parking Space shown on Exhibit D and (b) the number of the Unit to which such Allocated Parking Space will be an appurtenance after such exchange, and (ii) record such Exchange Agreement in the real estate records in the Register's Office; and

(b) in the case of Developer, an Exchange Agreement shall not be entered by Developer except simultaneously with the initial fee simple conveyance of a Unit then owned by Developer, in which case Developer may enter into an Exchange Agreement in order to exchange (i) an Allocated Parking Space then designated and allocated by this Section 8 to Units then owned by Developer (each a "Developer Owned Unit" and collectively, the "Developer Owed Units") for (ii) another Allocated Parking Space for any other remaining Developer Owned Unit, provided that no Developer Owned Unit shall be left without an Allocated Parking Space.

A Permitted Reallocation shall be effective to transfer the Allocated Parking Spaces and Parking Rights related thereto between the Unit Owners who are parties to the relevant Exchange Agreement. No Permitted Reallocation shall be effective until the foregoing requirements have been satisfied.

Subject to the right of the Unit Owner(s) of a Unit to make a Permitted Reallocation of an Allocated Parking Space and the related Parking Rights, the Parking Rights of Unit Owner(s) of a Unit to each Allocated Parking Space designated and allocated to such Unit shall constitute a permanent and inseparable appurtenance to and shall run with the Unit to which it has been designated and allocated (or reallocated pursuant to a Permitted Reallocation) and shall be deemed to be conveyed or encumbered with that Unit even though the legal

description in the instrument conveying or encumbering such Unit may not mention such Allocated Parking Space or the related Parking Rights. Except for a Permitted Reallocation, an Allocated Parking Space and the related Parking Rights may not be conveyed or encumbered separately from the Unit to which the Allocated Parking Space and the related Parking Rights have been designated and allocated (or reallocated pursuant to a Permitted Reallocation). No Allocated Parking Space shall be the subject of any partition action.

Notwithstanding any contradictory language in the Master Deed, every Allocated Parking Space shall constitute and be maintained by the Association as a part of the Common Elements.

Notwithstanding anything to the contrary contained in the Master Deed, the designation and assignment of Allocated Parking Spaces and the related Parking Rights to Units as set forth in this Amendment supersedes all prior designations, assignments, awards, allocations, conveyances or grants of Allocated Parking Spaces or other parking rights made by Developer pursuant to the Master Deed or otherwise agreed upon by Unit Owners or the Association. Except for a Permitted Reallocation, Developer shall have no further right to assign, award, allocate, reallocate, convey or grant Allocated Parking Spaces or other parking rights to Unit Owners or Units in a manner inconsistent with Exhibit E.

4. **Deletion of Section 9 of Master Deed.** The Master Deed is hereby amended by deleting Section 9 thereof in its entirety.

5. **Ratification of Master Deed.** The Parties ratify and confirm the Master Deed and all documents comprising the Master Deed and agree that the Master Deed, as amended by this Amendment, shall supersede all other agreements among or between them with respect to all matters governed by the Master Deed, such other agreements having been merged into this Amendment.

6. **No Other Modification.** Except as expressly set forth herein, all other terms and conditions of the Master Deed shall remain unmodified and in full force and effect, and the Parties hereby confirm and ratify such terms and conditions and agree to abide by and comply with the same.

7. **Consent and Approval of this Amendment by Bank and Subordination of Deed of Trust to Master Deed.** Bank is executing this Amendment for the sole and exclusive purposes of consenting to the allocation and designation of Allocated Parking Spaces set forth in this Amendment and agreeing that the lien created by the Deed of Trust is hereby subordinated and made subject to the terms and conditions of the Master Deed as modified by this Amendment.

8. **Applicable Law.** This Amendment shall be governed by and construed in accordance with the internal laws of the State of Tennessee.

9. **Counterparts.** This Amendment may be executed in counterparts, and any number of counterparts signed in the aggregate by the Parties and Bank will constitute a single, original instrument.

IN WITNESS WHEREOF, the Parties and Bank have executed this Amendment on the dates set forth beside their respective signatures and made it effective as of the Effective Date defined above.

AND

FIRST AMENDMENT TO THE BY-LAWS FOR THE ROW AT 31ST CONDOMINIUM OWNERS ASSOCIATION, INC.

This FOURTH AMENDMENT TO THE MASTER DEED FOR THE ROW AT 31ST CONDOMINIUM OWNERS ASSOCIATION, INC (“Fourth Amendment”) is executed and effective this 16th day of October, 2017, by The Row at 31st Condominium Owners Association, Inc. (“the Association”).

WHEREAS, the Association is a residential condominium association in Davidson County, Tennessee, more particularly described in the Master Deed for The Row at 31st Condominiums, of record in Instrument No. 20030430-0057670 Register’s Office for Davidson County, Tennessee (the “Master Deed”); and

WHEREAS, the Unit Owners representing at least sixty-seven percent (67%) of the total votes of the Association have voted to amend the Master Deed and By-Laws as provided hereinbelow.

NOW, THEREFORE, the Association, after the requisite affirmative vote of the Unit Owners, amends the Master Deed as follows:

Paragraph 10(a) is deleted in its entirety and replaced with the following

10. (a) Common Expenses.

Each Unit Owner shall share equally in the Common Expenses of the Association. Each Unit Owner shall pay an equal share of the expenses of the administration and operation of the Common Elements and any other expenses incurred in accordance with this Master Deed and the By-Laws (which expenses are herein sometimes referred to as “Common Expenses”), including, but not limited to, the maintenance and repair of the Common Elements and all other replacements and additions thereto). Payment of Common Expenses, including any prepayment thereof required by a contract for sale of a Unit, shall be in such amounts and at such times as determined in the manner provided in the By-Laws. Likewise, all taxes and other levies and assessments by governmental taxing bodies shall be a lien against individual Units.

Article IV, Section 2 of the By-Laws is deleted in its entirety and replaced with the following:

Section 2. Assessments.

The estimated annual budget for each fiscal year shall be approved by the Board, and copies thereof shall be furnished by the Board to each Unit Owner, not later than thirty (30) days prior to the beginning of such year. On or before the first day of the first and of each succeeding month of the year covered by the annual budget, each Unit Owner shall pay, as his respective monthly assessment for the Common Expenses, one-twelfth (1/12) of his equal share of the Common Expenses for such year as shown by the annual budget. In the event that the Board shall not approve an estimated annual budget or shall fail to determine new monthly assessments for any year, or shall be delayed in doing so, each Unit Owners shall continue to pay each month the amount of his respective monthly assessment as last determined. Each Unit Owner shall pay his monthly assessment on or before the first day of each month to the Managing Agent or otherwise as directed by the Board.
