

PALLISER®

# Your partner in business, comfort and quality.

Seats that stay plush, designs that are timeless  
and materials that let life happen.

## WHO WE ARE

From our modest start in a basement workshop over 75 years ago, Palliser furniture has grown to be the largest custom upholstery manufacturer in North America.

Today we remain a family owned organization whose obsession with quality and commitment to our community drives everything we do.

**PALLISER®**

# OUR PRODUCT OFFERING

Palliser offers a wide range of upholstery including stationary, motion, home theatre seating, chairs, and sleepers.

We also manufacture an assortment of casegoods for living and bedroom environments.

From HGTV design personality Sarah Richardson, Palliser's first design partnership is made up of 4 unique lifestyle collections; Sarah Richardson for Palliser includes upholstery, case goods, rugs, pillows and throws.

## CUSTOMIZATION IS KEY

Our upholstery is custom made-to-order.

With over 100 fabrics and 100 leathers to choose from in a variety of colours, textures and grades, your customers can design the ideal piece for their home's esthetic and lifestyle.

## LEATHER EXPERTS

Palliser maintains a corporate leather lab staffed by experts with extensive tannery experience. We test for light fastness, tear strength, colour and thickness.

We use quality covers, including natural full grain and corrected leathers, sourced from many regions including: Italy, South America and Mexico.

## OBSESSED WITH QUALITY

We produce furniture made with solid frame components and plush foams and fibres, all covered in buttery-soft leathers and high-performance fabrics.

Before leaving the production facility, each piece undergoes rigorous testing and quality checks; we ensure each mechanism works smoothly, the upholstery is spotless, and every seam is in its place.
