### ***DRIVE THRU PRAYER***

Will be on September 4th from 11-1:00 pm. This is held on the first Friday of each month. Volunteers are needed to help. Come out and support this ministry.

The least will become a thousand, and the smallest a powerful people. I am the Lord; at the right moment, I will hurry it along. Isaiah 60:22

As I write this article, I am in need a least little flicker of an idea to become a thousand-degree fire of literary inspiration to share with you the joy of faith through hope and love. To become a powerful message in our illustrious newsletter. Unfortunately, there are only embers of ideas as to what to write. So, this is going to be more of a train of thought article than a polished gem that your used to from your esteemed pastor (I still have my humor working).

When is the right moment, Lord for you to hurry it along? Right now, I need you to make it happen. How often do we think or say aloud this very thought? All of us have moments of uncertainty, doubt, or just plain worry over situations that we cannot control. We desperately want to be in control so the outcome of a situation will be what we desire. We want God to be on standby for all our desires. But the Lord is not like a Little Caesar Hot-N-Ready pizza for a quick dinner fix. The Lord is the multiplier of faith.

How many times has the flicker of an idea, a calling from the Lord, sparked in your mind? As you thought upon the calling did it began to glow? Did the glow grow brighter and brighter until a flame appeared? As you prayed over the calling shared it with your brothers and sisters in faith, did the flame grow bigger? And as the flame grew bigger and resources and logistics began falling into place did it feel as though a fire was burning white hot? All this from the flicker of an idea, a calling from the Lord.

When we allow ourselves stillness and silence to hear God speak to us, we allow ourselves to allow God to guide us, use us, and share Grace through us. God will give us a calling; this calling will continue to grow when we welcome in more and more siblings of faith. What will begin as an idea, a calling from God will grow from one to many to become a powerful ministry. This will all happen in God's timing. We must trust that at the right moment, God will hurry along the process, and a powerful ministry will reach out to the lost, the hurt, and the searching. Let us allow the right moments to come so powerful ministry can happen.

Your Pastor,

Frank
