## From the chaplain's Desk

First let me apologize for the delay in the newsletter this month. I was away most of this month, but that didn't stop all the great activities that happen here at Eventide. I was blessed to speak at a Women's Retreat in beautiful Campbell River, BC and then took some vacation time.

I don't think we realize how much we need a vacation until we take one. It takes our minds and bodies time to relax and really be present in the moment. I was so blessed to enjoy the view from our friend's backyard. It was such a blessing to just enjoy God's beautiful creation.

It was here looking out at the lake that I could hear the words of Psalm 116:7, *"Return to your rest, my soul, for the Lord has been good to you."*

It was a reminder to reflect on the goodness of God and all the things I have to be thankful for and this was

especially true as we had just celebrated Holy Week and our Easter celebrations. Which is a reminder of just how much God loves us.

John 3:16, *For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life.*

As I walked along by this flowing stream, I was again reminded that God's love flows just as rapidly for me. Sometimes all I need to do is be present, be still and be open to how so clearly, He speaks truth through His creation. Keep your eyes open, as the trees bud and the flowers bloom, all God's way, I believe, of telling us He loves us.
