Canada Day  
2025

TUESDAY, JULY 1

**Happy  
Canada Day  
From our  
Residents  
& Staff**

**Canada Day celebrates the birthday of Canada.**

158 years ago, on July 1, 1867, Canada became a new federation with its own constitution by signing the Constitution Act - formerly known as the British North America Act.

**Do you know how old the oldest person in Canada is?**

The oldest person in Canada is Margaret Romans, who was born on March 16, 1912. She is 113 years old. She is a former art teacher and immigrant from Latvia who moved to Montreal in 1947. She is also known for her positive outlook and love for learning new things.

Here at Eventide, we have two ladies who are or will turn 104 years old in 2025 and one who will turn 105!

That's pretty amazing too, I think!

Thoughts from your  
Chaplain...

Aurika and I were the first to ride the train at the Family & Friends Annual Event. Someone had to do a safety check. 😊 It is always the highlight of the year for us here at Eventide and as I go through the hundred pictures I have taken; it always makes me smile. The genuine love and joy as families visit with our residents, staff with their children and everyone just enjoying being together. Even the humidity could not quench the excitement.

Summer is so bright and cheerful. It invites us to stay outside a bit later as the sunshine stretches the day longer.

We sometimes like to complain, "It's sure hot or humid outside," but we still enjoy the feelings of freedom and relaxation that summer gives. Daylight is plentiful and it appears that there is more time for everything.

Scripture is abundant with reminders about the place that joy should have in our lives:

*"Our mouths were filled with laughter, our tongues with songs of joy. Then it was said among the nations, 'The Lord has done great things for them.'" Psalm 126:2*

*"Great are the works of the LORD; they are pondered by all who delight in them." Psalm 111:2*

I love these reminders that God wants us to delight in the beauty around us and this month we experienced God's joy through the beauty of nature, the sound of children's laughter, reuniting with friends and family, playing fun games, or cheering others on.

It is amazing how our joy is multiplied when we share it with others.

*Blessings, Major Donna Simms*

Our total hand hygiene rate for the month of June was 92.5% which is a slight decrease from our previous month's rate of 94.6 % and slightly lower than our target of 95%.

Our overall PPE rate for June was 97.8% , an increase from our previous month's rate of 90.1%. Hand hygiene is the single most important way to prevent the spread of infections, and it all starts with YOU. Please remember to clean your hands while in the home.
