From the Chaplain's desk

On June 21st summer arrived. What a joy it is to sit outside and see the beauty all around us.

Psalm 16:11, You will show me the way of life, granting me the joy of your presence and the pleasures of living with you forever.

Yesterday I pulled a weed out of the middle of a concrete paver on our patio. There was a tiny hole and somehow that bright green leaf had found it's way to the sunlight! In some ways I had to appreciate its resilience and that pop of green in the mist of the concrete that certainly stood out. It made me smile and just for a moment I appreciated its beauty and its determination to find the light. God reminded me in that moment that I need to keep seeking 'His Light' in all that surrounds me.

When we truly look there is beauty in the world all around us, and sometimes we don't even realize it. Walking in our Eventide Garden there are signs of God's creation growing at our feet. Wherever we are God's creation envelopes us every day. The heart of summer is a wonderful time to experience the Creator. We feel the summer sun, the heat, and remember how God created *"the greater light to rule the day and the lesser light to rule the night."* We see and smell the flowers and hear the chirping of birds and feel ourselves surrounded by all creatures great and small. It is a reminder that God has provided all we need, we just need to open our eyes and truly appreciate all we have.

Matthew 6:28-29, And why worry about your clothing? Look at the lilies of the field and how they grow. They don't work or make their clothing, 29 yet Solomon in all his glory was not dressed as beautifully as they are.

Dear God, we praise you for creating the world. We thank you that we are part of that creation. We see, hear, smell, touch, and taste the wonders of nature. Thank you for giving us the beauty that surrounds us today and always. Amen.
