GREAT Breakfast

Taste and see that the Lord is good; blessed is the one who takes refuge in him.” – Psalm 34:8

Pumpkin spice lattes, warm blankets, and crisp autumn mornings are more than just seasonal treats; they’re small blessings from a loving God. These simple pleasures remind us to slow down and savor the goodness of life. God delights in giving us good gifts, both big and small. Taking time to notice these moments helps us cultivate gratitude and joy. Life’s little blessings reflect His love, showing us that even in the smallest details, He cares deeply for us.

What are some of those simple BLESSINGS that you are reflecting on this month? When they all come together maybe they aren’t so small after all.
