FUNCTION INFORMATION

We would love to host your next special event!

We make our space available generally for functions Wednesdays, Thursdays, Saturdays and Sundays.

Unfortunately we don't host functions on Friday nights so we can cater for our regular and local customers. We have two function sitting times of 3-7pm, or 7-11pm. Our spaces suit a mixture of seated and standing guests, or a purely standing function.

Unfortunately we are unable to accommodate seated meal events.

We have a 'minimum spend' model for functions to allow us to provide great service as well as the perfect space. The minimum spend is the dollar amount that is required to be spent at your function and can be used for any food and drinks from our regular or function menus.

If you would like us to assist you with getting the best value for your function, discuss your food and drink options with one of our friendly team members. There are some drink options on the following pages to help you with planning your event.

To confirm your function we require a deposit of the amount of the minimum spend relating to the space you're booking 3 weeks prior to your event. This allows us to reserve the space for your exclusive use. Unfortunately we are unable to confirm function bookings without the payment of the deposit after that time.

Your deposit can be paid in person, via a link from our booking system by credit card, or by EFT. Your deposit is fully refundable with 7 days notice of cancellation or variation.

BAR TAB ON CONSUMPTION

A bar tab can be arranged for your function with a specified limit or amount in mind that you feel comfortable spending. Your bar tab can be reviewed as your function progresses and increased if required. However, we will always ensure you are in control of the amount throughout the event. At any point you are welcome to turn the bar into a cash bar, so your guests can purchase their own drinks.
