CORONAVIRUS UPDATE

A detail email has been sent to our patrons regarding what Muree is doing to keep inline with the ever changing regulations regarding the pandemic. The following is a quick guide for your convenience.

- If anyone has been overseas, they will need to self exclude themselves from the club and course for a period of 14 days.
- No menus will be available for the Bistro, all ordering will be done from the board or you can see the menu via this link www.mureegolfclub.com.au/restaurant-menu
- Hand sanitiser is located at the bar for your usage.
- Tables have been spread out as per social distancing dictates.
- Unfortunately there will be no Friday bar snacks until further notice
- **WASH YOUR HANDS USING SOAP** before and after using facilities and amenities.
SELF ISOLATE, stay at home if you have any symptoms and seek medical advise.
- As a Club we are taking every measure possible to try to help contain the virus. As things change we will let you know. We thank you for your cooperation in these difficult times.

GREENS CORING

Dear Members,

On Sunday 22nd March our bi-annual greens coring will be taking place. We are seeking volunteers to help out on the day, especially some of the younger generation. Start time is around 11.30am with a run down on procedures then the coring from around 12 noon. Anyone helping will need to have enclosed footwear while working. Apart from this nothing else is required. Water will be supplied throughout the afternoon and a BBQ with a couple of beers will be supplied at the end. Thank you and we look forward to seeing you on the day.

LEE'S TIPS THIS WEEK

Mental Approach

- Picking a target from the tee. Pick a small target ie: a little branch on a tree, by doing so, aim small – miss small. Pick big target – miss big.
- Pick spots when chipping. Pick a spot on the green where you want the ball to land. From here it should run out up to the hole.
- Think of your spot when pitching not your action.

If you always pitch close to your spot you will be closer to the pin a lot more. This will keep your brain focused on the target to chip to instead of worrying about technique and how hard to pitch or chip.
