Happy EOFY

2nd July 2020

Take a swipe at this!!

I'm sure most of you have noticed our new kiosk as you enter the club. If you are not sure how to use it here is a simple guide:-

* Swipe your card with the picture facing you on the right-hand side of the machine. A picture will come up and say "sign in points", press the ok button.

Now you can choose either –

What's on at Muree – This give you information on what is happening each day.

Pick a Prize game – Choose from two games to see if you win a random prize

Members Hub – This will let you know what your current turbo points value is.

Members can also choose to renew their membership at the kiosk if they choose. This is done via EFTPOS located on the front of the kiosk.

If anyone needs help navigating the kiosk just ask one of our friendly staff for assistance.

HAPPY 80TH BIRTHDAY

LEEROY'S BITS

GOLF TIP FOR THE WEEK

Do you struggle casting the club from the top of your swing??

When practicing, draw a small black dot on the inside of the golf ball.

This is the inside looking down at the ball

Try to hit the inside of the ball making your focus the black dot.

What this does, when you get to the top of your swing, your brain takes over looking at the dot. It will get you to drop the club down and try to hit from the inside to attack the dot on the ball.

If you cast, you would be on the other side of the ball.

Feed back will come in divots being from in to out and some marker pen Hopefully on your clubface.

Happy Golfing,

Leeroy
