All of these standardized tests are recommended by the American Academy of Pediatrics to determine any signs of developmental and/or emotional concerns.

<u>If so, you will be billed for any patient balance.</u>

Since you are either pregnant or have recently had a baby, we want to know how you feel. Please place a **Check Mark (✓)** on the blank by the answer that comes closest to how you have felt **IN THE PAST 7 DAYS** – not just how you feel today. Complete all 10 items and find your score by adding each number that appears in parentheses (#) by your checked answer. This is a screening test, not a medical diagnosis. If something doesn't seem right, please call your health care provider regardless of your score.
