**Multi Award Winning
Wedding Entertainment**

WHO ARE WE?

Hi! I'm Alice - Chief Giggler!

Giggles opened in 2012, as I believe we all have an inner child that is desperate to come out and play. It started after I had organised a village event to celebrate Kate and Williams' marriage on April 29th, 2011. I desperately looked for entertainment to suit both adults and children. The market was swamped with children's entertainment but there was little available for families or for just big kids.

This planted the seed, and the following year Giggles and Games was born. I believe adults need a lot of fun and play time as it helps us reconnect with our childhood memories and creates fun and laughter. The happier we are the easier and less stressful everything becomes.
