About the Studio Program

The Lakewood Suzuki Strings Studio Group Program is for advanced violin and viola students who benefit from additional support beyond private lessons and school orchestra or youth orchestra.

The Studio Program allows students to:

- hone collaboration skills in rehearsals with the LSS collaborative pianist,
- develop advanced leadership and ensemble skills through chamber music with friends,
- work on technique and musicality in monthly studio classes, and
- strengthen performance skills through solo recitals and at community concerts.

Wednesday evening classes generally occur once a month from 7pm to 8pm. During the spring chamber music module students will meet once weekly.

In addition to the Wednesday evening studio classes, Studio Program students receive 4 hours of rehearsal with an LSS collaborative pianist over the course of the school year. Collaborative pianist rehearsals occur during the student's lessons and at recital dress rehearsals.
