Studio Program Expectations

Students are expected to come to every studio class prepared to perform an excerpt from their solo repertoire with the LSS collaborative pianist. Not all students will perform in each class, but all students attend to support one another and give constructive feedback to each other.

Reminder that piano rehearsals will be scheduled at your teacher's discretion throughout the semester. Rehearsals will take place during your regular lesson time, unless otherwise discussed with your teacher.

Arrivals

Please arrive 5 to 10 minutes prior to each studio class to account for parking and unpacking time.

Attendance

Attendance is key to making studio class a successful experience for all students. Students are expected to attend every studio class, regardless of whether they are performing. Please reach out to us at lakewoodsuzukistrings@gmail.com if your family has an extenuating circumstance during the semester that will necessitate an absence from studio class.
