For Your Order (1) [Hide Details](#)

\$XX99^{month}

A small device when installed into a Digital Cable Ready TV set or other device, allows you to access digital cable services without the need for a set top box. It fits into a special slot built into devices such as TVs, DVRs and PCs. We recommend you refer to the user manual that was supplied with your specific dquiepmnt to determine if it is "Digital Cable Ready".
