About Us

Hi everyone, I'm Ben & I am the owner/director of WBC Entertainment. I am a professional musician, and since studying music at university I have been playing in & managing bands. Now I also DJ too!

A few years ago when I was fresh out of university, I was lucky enough to join a couple of bands which took me overseas, touring and recording around Aus, NZ, and all over Europe. It was an incredible adventure, seeing parts of the world I'd never seen before, and getting to rock out on stage every night, doing what I love more than anything, playing music! Since then, I have stopped touring and focused on playing and booking gigs in my home town of Melbourne. The gigs are just as fun, but now I also get to have a decent night's sleep!

After realizing I wasn't built for the rock n roll lifestyle, I found myself being drawn to playing weddings and events. The best part for me is having a dance floor full of people with massive smiles on their faces, singing and dancing the night away. I love that I get to share my love of music with others, and whether I'm providing the music myself, or helping to plan weddings and events, I get an immense sense of satisfaction, knowing that I've been able to help people celebrate on their biggest days.

WBC can supply entertainment for:

- Weddings
- Corporate functions
- Birthdays
- Any other celebration you can think of!

Can I customise my package?

Yes, we can tailor make a package to suit your needs.

How long does the entertainment play for during our reception?

A typical wedding reception is 5 hours long, including 4 x 45 minute live sets from the band. Each wedding is different though, so the artist will play for as long as you like, based around your formalities.

Will the artist provide all their own equipment, or do we need to supply in order for them to play?

The act you book will provide their own PA system, lighting and any additional features they may require. All they need is access to power at the venue.

What happens when the entertainment isn't playing?

Our artist will ensure that background music is played between sets. We've got playlists to suit everything!

Do you provide MC services?

An MC service can be added to a package when booking.

Can you source different genre/artists/musicians?

We have an expansive range of musicians that we work with and can source whatever you require e.g. traditional instruments, jazz, swing, strings, piano.

Frequently Asked Questions continued...

Do you take song requests?

Certainly! Our musicians need a minimum of 1 months' notice before an event, for any songs not on their song lists. All of our artists provide extensive songs lists for you to check out.

When do we finalise details?

Our final details meetings are held one month prior to your event. However, we are always available if you need to chat before this deadline.

Can you provide us advice on our running sheet?

Our combined experience in the wedding industry is over 25 years. We've seen it all, we are here to help, and make the planning process as stress free as possible.

Bump in is normally 2 hours prior to ceremony, however this may change based on your venue.

WBC Entertainment were so easy to work with, from the initial enquiry through to the event itself. The band were great entertainment for our awards night and they were super friendly to work with. Would highly recommend using them.

Sean & Bonnie - November 2022:

Ben at The WBC Entertainment was fantastic. Our wedding planning process was made so much smoother thanks for Ben's experience, communication and professionalism. If you are looking for someone to manage for band/DJ/MC/entertainment needs for your wedding or big event, you have found the right spot!

Sarah & Anthony - October 2022:

Ben and DJ Baaz are a pleasure to work with. So professional throughout. We didn't have a lot of time to prepare much, and having DJ Baaz just follow the vibe of the two nights of celebration and to be so flexible was amazing. We did an impromptu first dance and DJ Baaz just chose the perfect song/blended with an Indian song. The night was amazing, everyone was up and dancing, and we are very appreciative of the service provided! Thanks so much! Highly recommend!!!

Sarah was amazing, I loved the relaxing vibe of the acoustic during the ceremony and for "in-between" set a really nice vibe! Ben was the party of the night! Was so fun and the music was awesome. Having both acoustic and DJ was exactly how we wanted it! And Ben was also sooo easy to communicate with, made sure he had all the right songs and music. Definitely recommend!
