## HILLS HORNETS REGISTRATION

***This must be paid to Hills Basketball Association before your child's first game.***

**NEW PLAYERS:** Once your child's team has been successfully entered into the summer competition, you will receive an email from Hills Hornets prompting you to log in or create an account with them and pay for the 12 months' registration.

# FREQUENTLY ASKED QUESTIONS

## ***Can I pay the fees in instalments?***

Yes. We offer the option to pay by instalments for those who would prefer to space their payment out. You can choose your preferred payment terms when you register. If you would like to discuss alternative options, please contact [assistance@bhnbasketball.com](mailto:assistance@bhnbasketball.com)

## ***My child's schedule is too busy for training. Can our fees be reduced if they don't attend?***

No. While attendance is up to each individual family, the fees for training are mandatory for everyone.

## ***Can I get a refund if I change my mind?***

Unfortunately we can't provide refunds, except in extraordinary circumstances. Once a team has been entered for the upcoming season, each players' fees must be paid in full. For more information on our refund policy, please [click here](#).

## ***Can my child play on two BHN teams?***

As part of the registration process, you will be asked if your child would like to play on more than one team. If a spot is available and your child's skill level is considered appropriate, a position may be offered to them. Please note that allocating players to teams in their correct age group is our priority and as such, placement on a second team cannot be guaranteed. If your child is offered a spot on a second team and you accept, an additional fee of \$150 will be payable towards that team's entry fees.

## ***My child would like to play on the same team as their friend. Is this possible?***

While it is possible for the two children to be placed on the same team if they are of a similar skill level and appropriate age, it's not our top priority and so this can't be guaranteed.

## ***Will I be required to help out on game day?***

Yes. All teams are required to provide 1-2 parents for scoretable duty, as per the HBA by-laws. This involves recording scores and fouls on either the electronic scoresheet (aka iPad) or the scoreboard. Your team manager will provide a scoretable duty roster at the beginning of the season. If you are unable to attend on your scheduled day you can arrange to swap with another family. If you are not confident performing scoretable duty, please let your team manager know so they can arrange for a more experienced parent to sit with you and instruct you.

We strongly recommend you watch the HBA instructional videos beforehand to familiarise yourself with operating the iPad. Brochures are also available in a number of different languages to assist ESL families. To access these resources, please [click here](#).

## ***I'd like to contribute to BHN Basketball in some way. How can I help?***

First of all – thank you! Volunteers are such an important part of our club, and we could use all the help we can get. There are plenty of roles available for those who are interested. The most important ones are team coaches and managers, as they're essential for each team to operate each season. If you've ever considered coaching, we encourage you to give it a go – we can provide you with a Club Mentor on game days to support you and HBA runs [free coaching courses](#) offering beginner levels of accreditation.

We're also keen to hear from any [potential sponsors](#) that might be willing to donate much needed funds or equipment to support the club.

Beyond that, you can help out at one of our fundraisers, or if you have other skills that you think could help us such as IT, marketing, social media, administration or accounting, please let us know!

**With thanks to our inaugural sponsors**
