VOLUNTEER APPLICATION

“Volunteers do not necessarily have the time; they just have the heart.”

Elizabeth Andrew

Thank you for your interest in volunteering at the Hornell Area Humane Society! Everyone brings a different skill set and talents to volunteering. You don't have to be an animal expert to help out at our shelter. You just need to have the time and desire to lend a helping hand!

The Hornell Area Humane Society has many ways for you to get involved. Giving hands-on care to animals, educating the community, or providing administrative support are a few ways to help. Most volunteers express a deep satisfaction in contributing to the health and well-being of our precious animals.

We provide the training for all volunteer positions, so no prior experience is required. Whether you are bottle feeding a kitten, finding a home for a puppy, or assisting to make an event successful, you can be a part of the life-saving work that we do.

Please complete the questionnaire below to help us match you and your talents with one of our volunteer opportunities. Mark each box with a X.
