

Children's Birthday Party at the MOOseum

Looking for a different venue for a child's birthday party? Consider the King Barn Dairy MOOseum located in South Germantown Recreational Park for children 2+ years old. The MOOseum is a historic dairy barn filled with interesting artifacts from the rich dairy history of Montgomery County. Check out the MOO's website at www.mooseum.org for more information about this local museum.

Cost: \$200 for 8-10 children. **Time:** 2 hours. **When:** May through October Saturdays 10 am – 3 pm. Sundays can be discussed. (The barn lacks heat and so is closed November – April)

What does the MOOseum provide? Farm themed plates, napkins, balloons, songs, games, a craft, cow (model) milking, scavenger hunt and more! Activities are planned around the age and interest of the child with one of the MOO's own party-planner. Parent/guardian provides food and drinks.

Details are worked out with the parent/guardian.
