*HERITAGE*

# WHO WE ARE...

**Polyscape Heritage** was founded in 2023 with a clear purpose: to redefine outdoor living through modern, distinctive patio furniture. Each piece is thoughtfully designed and expertly crafted to balance artful aesthetics with everyday comfort.

Our furniture is built using precision construction methods, featuring hidden fasteners and non-exposed pocket holes for a clean, seamless appearance. **Every detail is intentional**, allowing the design itself to take center stage without visible hardware distractions.

**Comfort is integral to our heritage.** Thoughtfully formed seating is designed to support the body naturally, delivering an elevated outdoor experience. Polyscape Heritage represents enduring quality, refined design, and a new standard in modern outdoor living.

# CARING FOR YOUR FURNITURE

## CLEANING:

Our poly furniture is made from High Density Polyethylene (HDPE), and is extremely durable and resistant to most corrosive substances, chemicals and solvents. It will not rot, splinter or be damaged by wood boring insects and does not promote bacterial growth. It contains UV inhibitors to resist fading and will never need to be painted or stained.

Although our furniture is virtually maintenance free, some cleaning is necessary.

## GENERAL FURNITURE CLEANING

- Scrub boards with a soap and water solution using a soft sponge or plastic-bristled brush.
- You can use a soft-bristled toothbrush to clean spaces that are hard to reach.
- To remove surface dust, just wash furniture with cold, clear water.

## DEEP FURNITURE CLEANING

- A pressure washer may be used on the lightest setting to deep clean your furniture.
- It is not recommended to use more than 1500 psi.
- Keep the tip of the pressure washer at least 10-12 inches away from the furniture so it does not damage the lumber.
- In areas where the furniture come s in to contact with saltwater or saltwater mist (such as coastal areas), be sure to regularly rinse furniture with fresh water to minimize the potential for corrosion of the stainless steel hardware and maximize the life of the product.

## CUSHION/PILLOW CLEANING

- We recommend using Sunbrella Clean/Restore products. If unavailable, use mild soap and water.

# WARRANTY

## FURNITURE

- 20 Year Residential
- 5 Year Commercial

## CUSHIONS

- 5 Year Residential
- 2 Year Commercial

Polyscape Heritage warrants, to the original purchaser that its poly furniture will be free of defects in workmanship and materials for a period of twenty years for residential use and five years for commercial use, effective from the original purchase date. At its option, Polyscape Heritage will repair or replace this project without charge for parts and labor, providing our inspection indicates that an original defect exists. If we choose to replace the product and the exact product is no longer available at the time of warranty service, a substitution of a similar piece in value and function may be made.

Polyethylene is a synthetic product and may scratch, fade when exposed to sunlight, or stain when exposed to other substances, all of which are not covered under this warranty. This warranty does not cover scratching, chipping, denting, or other surface damage due to normal wear or abuse. Some expansion and contraction due to extreme temperature or humidity cycles is normal and not considered a material or

manufacturing defect and is not covered by this warranty.

Stainless steel fasteners are warranted to not fail structurally for the life of the warranty period. Stainless steel swivels and glider arms are warranted for two years. E&B stainless steel swivels are warranted for 20 years. Stainless steel hardware is warranted against corrosion. Stainless steel hardware is not warranted in coastal areas, near saltwater pools or other environments with highly corrosive atmospheres.

Polyscape Heritage makes no warranties other than those specifically described herein. This warranty covers only the merchandise itself. Polyscape Heritage assumes no liability for personal injury or property damage as it relates to any malfunction or defect. This warranty does not cover damage due to unauthorized service or repair, normal wear and tear, abuse, misuse, or use of the product in manner other than its intended use. Alteration of the product voids its warranty. Sales by anyone other than an authorized dealer voids this warranty entirely.

**5-YEAR**  
LIMITED WARRANTY ON  
ALL CUSHIONS & PILLOWS

All Cushions and pillows are made with Sunbrella fabrics, the leader in quality and durability in outdoor fabrics. It has an abrasion rating of 15,000-29,000 double rubs. Choose any of the available fabric option colors for your furniture.

We also use **DryFast Foam** for our cushions, the ultimate foam for outdoor use. By not absorbing moisture when exposed to water, this high quality foam is true to its name, creating drier cushions on a daily basis. Under normal conditions, the foam will outlast the fabric.
