## **DISCLAIMER**

Welcome to Winford International Online School. This disclaimer outlines important information regarding the use of our website, services, and products. By accessing and using our website or engaging with our services, you agree to comply with the terms and conditions outlined in this disclaimer.

### **1. Nature of Services:**

Winford International Online School is an online school registered in the United Kingdom. We specialise in providing online learning in English as a Second Language (ESL) for individuals whose mother tongue is not considered native English. Our online school offers a range of educational services, including one-to-one and group lessons in various subjects such as Business English, Cambridge International English, Mathematics, Science, Global Perspectives, job interview skills training, and communication and presentation skills coaching for business executives.

### **2. Target Audience:**

Our services cater to school-aged children, university students, young adults, and business professionals who have clear goals and intentions to improve their English language skills or excel in specific subjects. We aim to provide high-quality online education and support to help our students achieve their academic and professional aspirations.

### **3. Educational Offerings:**

Winford International Online School offers exam preparation courses for the International English Language Testing System (IELTS) and the Occupational English Test (OET) for students seeking to demonstrate proficiency in English for academic or professional purposes. These online exam preparation courses are designed to equip students with the necessary skills and knowledge to excel in their chosen exams.

### **4. Limitations and Individual Results:**

While we strive to provide accurate and reliable information, we cannot guarantee specific outcomes or results for individual students. Educational progress, language
