

## Discovery Camp and Naturalist Program Scholarship Application

Thanks to a generous gift from E.G.C.F., the Nantucket Maria Mitchell Association (MMA) is able to offer scholarship opportunities for eligible Nantucket Island residents and visitors. The MMA is committed to providing camp experiences to children and families regardless of financial background. Any family who can demonstrate a need is encouraged to apply. Please review our camp program offerings at [Camp Programs | Maria Mitchell Association](#) to learn about the programs that we will be offering for children ages 5-16 years.

This financial aid program provides an 80% discount off the price of camp sessions. If approved, scholarships will provide enrollment codes for 1 camp session per child. The EGCF Scholarship applies to the Discovery Camp and the Naturalist Leadership Program.

To qualify, a family must make 80% Average Median Income (AMI) or lower of the MA State Median Income per family size, and purchase a \$25.00 EGCF Family Membership to participate in the scholarship program.

Nantucket County, MA Median Income Limits

Family Size	Annual Income Limits
2	\$ 84,000
3	\$ \$94,500
4	\$ 104,950
5	\$113,350
6	\$ 121,750
