

Travel Sommelier & Maria Mitchell Association Present:

## A RARE & TOTAL SOLAR ECLIPSE AUGUST, 2026

Join us for an extraordinary journey through Spain timed to one of nature's rarest events—the Total Solar Eclipse of 2026.

From the world's most premier vantage point, witness an experience you can see for yourself, but never again.

Two exclusive itineraries blend astronomy, culture, and cuisine:

1. A 10-day exploration of Bilbao, La Rioja & San Sebastián, featuring private Guggenheim tours, boutique wineries, and the exclusive eclipse viewing by a renowned astronomer from a private waterfront estate with a chef and sommelier driven menu of the finest Spanish wine and cuisine.
2. An 8-day escape through Barcelona & Menorca, pairing art, design, the best of wellness and top gastronomy with vineyard stays, sunset walks, and eclipse viewing over the Mediterranean.

### TRIP ONE: BARCELONA & MENORCA, 8 DAYS

Begin with three nights in vibrant Barcelona, staying at a luxury boutique hotel. Discover Gaudí's masterpieces, lively markets, and world-class gastronomy. Then retreat to Menorca's rustic elegance features vineyard stays, coastal walks, and holistic wellness experiences that set the stage for an exclusive eclipse viewing over the Mediterranean guided by a world-class astronomer.

### TRIP TWO: BILBAO, LA RIOJA & SAN SEBASTIÁN, 10 DAYS

Journey through Bilbao's bold architecture, La Rioja's legendary vineyards, and San Sebastián's shimmering coast. Enjoy private tastings, meet master winemakers, and experience the total solar eclipse over the Atlantic, at a private waterfront estate, paired with Michelin-level Basque cuisine.

### ONE "MOONSHOT" CHANCE...

Next year, you have the chance to experience the rare and remarkable Spanish eclipse from the world's most extraordinary vantage point, immersed in unparalleled luxury, seamless comfort, and all-encompassing service—a once-in-a-lifetime journey you'll remember forever.
