Cars Most Likely to be Bought Again

One of the best ways to choose a vehicle you can love is to ask who would buy it again.

Top 4 models: Passport, Civic Hybrid, Ridgeline, Highlander Hybrid and Sienna. Did yours make it?

Least likely—Jeep Grand Cherokee PHEV.

Get paid \$100 to use your NAPA card.

Get a NAPA card to better budget car repairs. When you spend \$199 to \$749, it will be 6 months no interest. \$750 and up is 12 months no interest. Spread out your expenses with no interest. But wait, there's more!

Special offer—Use the NAPA card for \$750 to \$999 and get a \$75 pre-paid Visa card. Use it to purchase \$1,000 or more and get a \$100 gift card.

Details at our shop.. Offer ends 3/31/2026.

Smart Alternators?

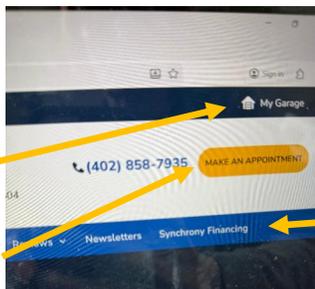

Vehicles that use an Enhanced Flooded Battery (EFB) have a "smart charging system". When the battery is replaced, the system must be reset.

The smart system has learned how to recharge a battery that has become weak. The reset introduces the new battery. This notifies the smart system of the need to adapt to a new partner.

This is a simple process using equipment that we have. Not resetting can damage the new battery.

Access Your Own Service History

On our website, top right corner, click on **My Garage**. You can look up all your cars. Click link below to make your appointment.

Car Quiz

1. T or F—The "idle stop" feature that shuts off the engine when stopped reduces engine wear.
2. T or F—Regular use of premium motor oil, like Mobil 1, protects engines from using oil.
3. T or F—Replace engine coolant every 2 years.
4. T or F—If your car is equipped with "idle stop" technology, it requires a special battery.

Answers to Quiz on Page 2

Appointments can be set up online. Go to:
www.georgewitt.com/appointments

We monitor this information when we're closed and can set up your visit over the weekend. So make an appt.
Open Mon and Tues 6:30 to 5, Wed 6:30 to noon or later.

Coupon

75 Wittbucks

Good on Annual Maintenance, includes oil change. Must use this or mention it at time of sale. This is an "I read the Newsletter" bonus.
Offer ends 3/31/26 for sure. Not good for Nutty Buddys.

Apply for your NAPA card in the privacy of your own home. Go to:

<https://www.georgewitt.com>

Click on Synchrony Financing on the far right of the blue bar. Get approval in minutes.

Our Annual Maintenance for a small SUV or sedan is 6¢ a mile. This includes synthetic oil rated for extended service and a loaner car. It also includes a Vacation Inspection. Call ahead to get the Dog Car.

Our service is a great value. You bought a Honda or Toyota product because it holds up and you can depend on it. We help make it last. No car runs as good as it does when it leaves Witt's.

We provide outstanding quality for a very reasonable price.

Call us at 402-434-6961

www.georgewitt.com/appointments

None of our staff have ever met Jeffrey Epstein, flown on his jet or soaked in his hot tub. If he rode a Harley, this story may have turned out differently. We don't recall anything else. The expiration dates of all our specials can be extended to the end of the year if you just ask. Only one special for visit. Don't ask for a bunch.

Honda/Acura V6 Timing Belt Special

If your Odyssey, Pilot, Ridgeline, Accord, Passport or Acura 6-cylinder engine has 100,000 miles, it's due for timing belt and water pump replacement.

We have the last of the complete premium kits made by the original factory vendors. For some reason, they are no longer available.

Mention this article and save \$75 on the job, while also saving your engine from rapid unscheduled disassembly. Offer ends when they are gone.

Keep it or Trade it Inspection \$100

Use your tax refund to fix up the car you own and keep it another year. We know Honda and Toyota products like no other shop.

We know how to keep them reliable and safe. Sales tax alone on a new car is \$2,900 and plates are on top of that. Deal ends April 30th, 2026.

\$50 says we can make your headlights work better.

We can polish a lot of headlights so they are dramatically better. The top photo shows a light that is so glazed over, it is dangerous to drive with it.

Is this permanent? No, but it's a great improvement. You might be able to hand polish them after this to keep them clear. No charge if we can't do it.

Answers to Quiz

1. False. It makes it difficult to maintain proper engine temperature. This harms the motor oil. It can also shut off the AC, harming the happiness of the driver and passengers. Its the dumbest idea ever. Turn it off every time you get in.

2. True. Engines use low tension piston rings to reduce friction. They are easily damaged if they get too hot. Oil not only lubricates, it also cools the rings. Mobil 1 better reaches the tightly fit rings. This reduces ring overheating. Our oil keeps your engine healthy longer.

3. False. Honda and Toyota coolant is designed for super long life. 1st change—10 years or 100,000 miles. This is another way we save you money, by not doing things that aren't needed.

4. True. Batteries had to be designed for the extreme load of repeated starter use. The new design is called an "Enhanced Flooded Battery" (EFB).

A regular battery won't do the job and may only last a few months. EFB is not a marketing term, it is a real design that's new and different.

See How Nice Your Car Can Be

Drive our Loaner car WITT 9. She is a 2009 Accord Coupe with only 240,000 miles.

We bought her after she was towed in for a timing chain failure. The owner gave up and we adopted her.

We had the wheels powder coated black for a sporty look. She runs quick like bunny and doesn't leak, squeak, rattle or creak. Save big money, keep your car and let us fix it up nice for you.
