Open World Learning

Working with businesses like yours, we're making it easy for **nonprofits** to run their programs and train their teams.

Make digital learning a key part of your value offering and bolster your connection to charities.

- Spread the word to your network
- Donate online learning content
- Offer free training as a value-add
- Co-create new online courses

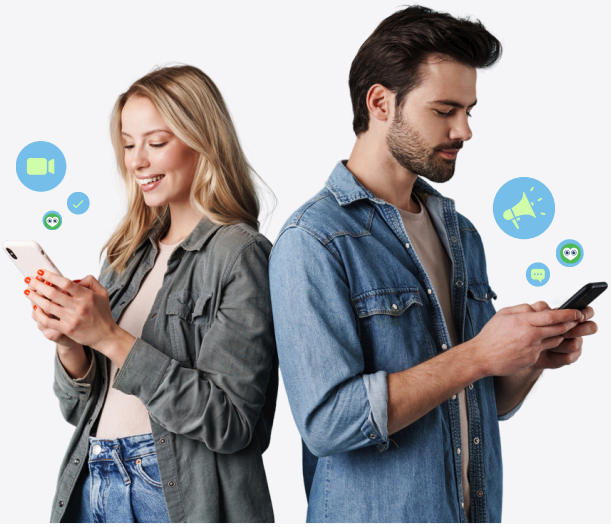

Your content can reach

THOUSANDS OF PEOPLE

working in 2200+ nonprofits

And we can help you turn it into eLearning!

docebo

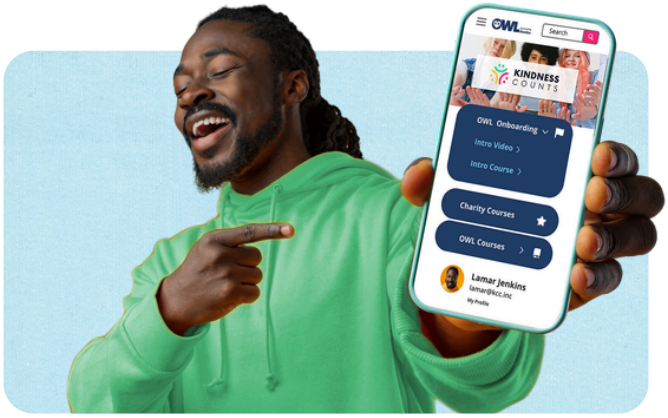

Stand out by embedding eLearning into your customer journey with our award-winning platform, powered by Docebo.

OWL offers HUNDREDS of free online courses including DEI, Mental Health, Governance, Leadership, Compliance, and more!

Grow your business with our charity network!

Refer us to your connections, and we'll refer you to ours. Let's expand our reach and make a bigger impact together

Share your valuable expertise, content & courses on OWL!

We believe in the power of sharing knowledge to make a difference!

Your Content + **Our Platform** = **An effective CSR program**

Work with us to provide accredited training through OWL

Accreditation attracts new learners and changes people's lives
