

Dorking and District Angling Society – Membership Renewal.

The Renewal Banner appears on the Clubmate Homepage within the Clubmate App from the 17th April each year as shown in the screen image below (images taken from Apple IOS device). This date is 14 days before your membership expires. You should also receive an email notifying you when the renewal option becomes available. **Important:** Please do not attempt to renew your membership via the 'Join Dorking Angling Society' option shown below. This option is for new members only.

Select the 'Renewal Available' banner as per the example above. This will provide details of the memberships available as per screen image below:

Select membership required via the 'View details' option. The following profile details screen is then displayed, check your profile details are correct, make any adjustments if required and then select the 'Save & Continue' option.
