Natura Collection

Trame impregiosite da ricami scintillanti, arabeschi che affascinano con la morbidezza delle loro linee, sinfonie geometriche che si rincorrono in un infinito gioco di chiaroscuro, rilievi floreali ispirati a preziosi tessuti medioevali, disegni minimal la cui essenzialità incide superfici lapidee ammorbidite da finiture esclusive.

Questi alcuni dei temi della collezione, dove la fantasia e l'energia vitale di elementi naturali si fondono alla solidità della pietra grazie a ricercate tecniche di lavorazione.

Natura Collection: dalla Natura la nostra nuova emozione.

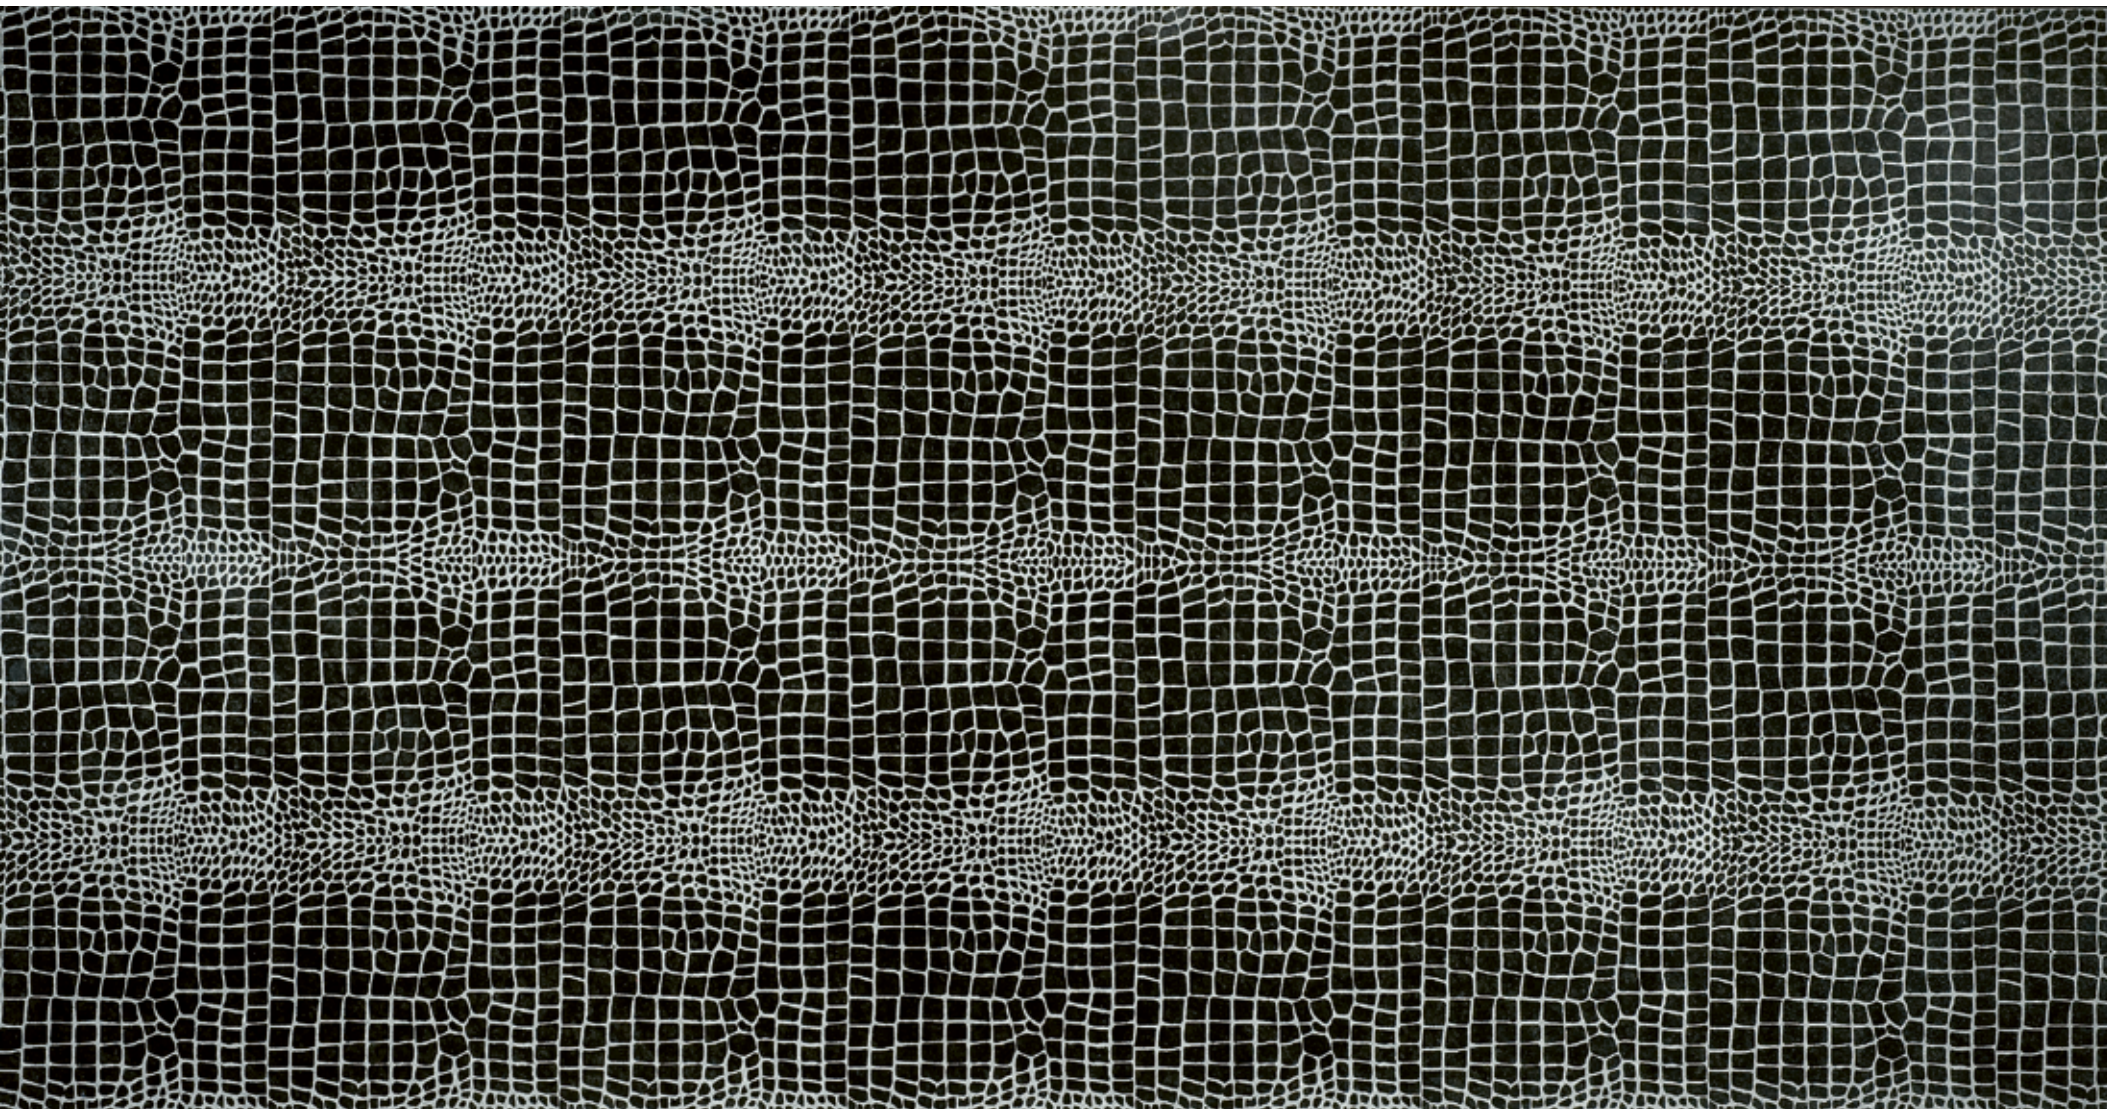

Textures enhanced by shining embroideries, charming arabesques with soft lines, geometrical symphonies endlessly following one another in a light and shade effect, embossed floral motifs recalling gorgeous medieval fabrics, crispy minimal patterns engraved on solid stone surfaces softened by exclusive finishes.

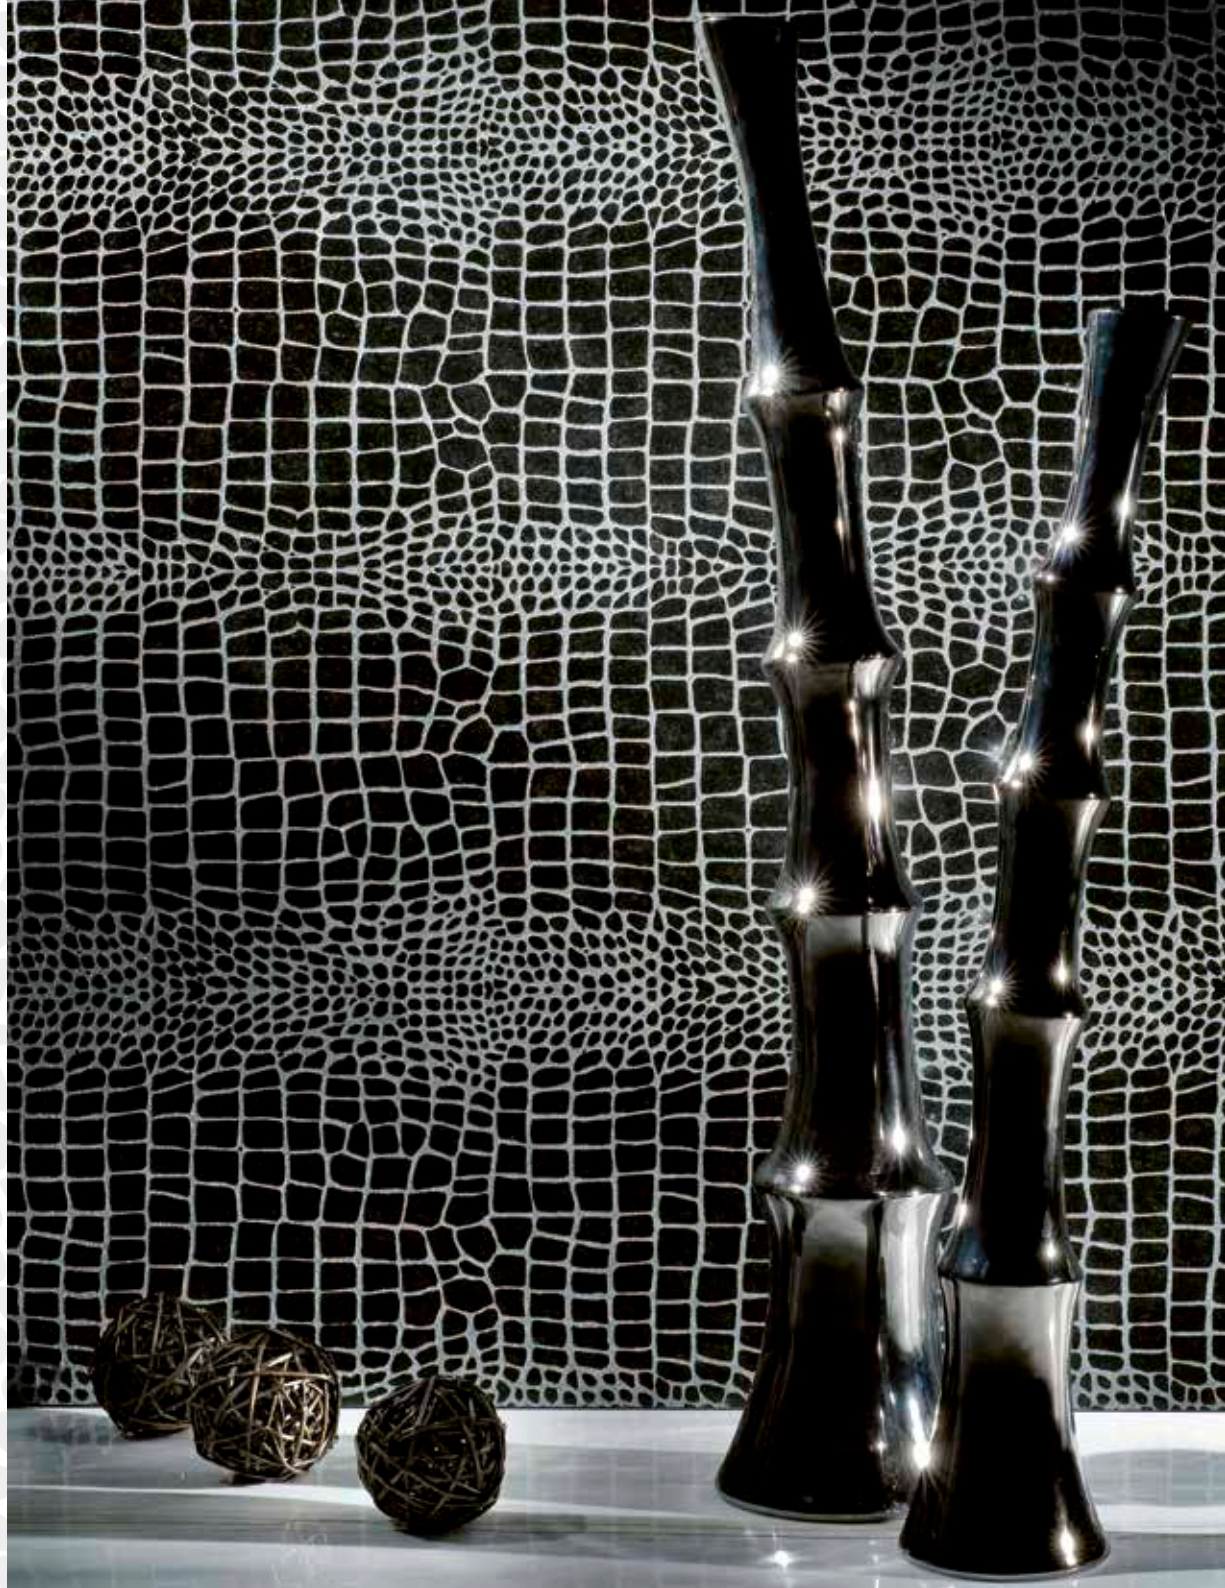

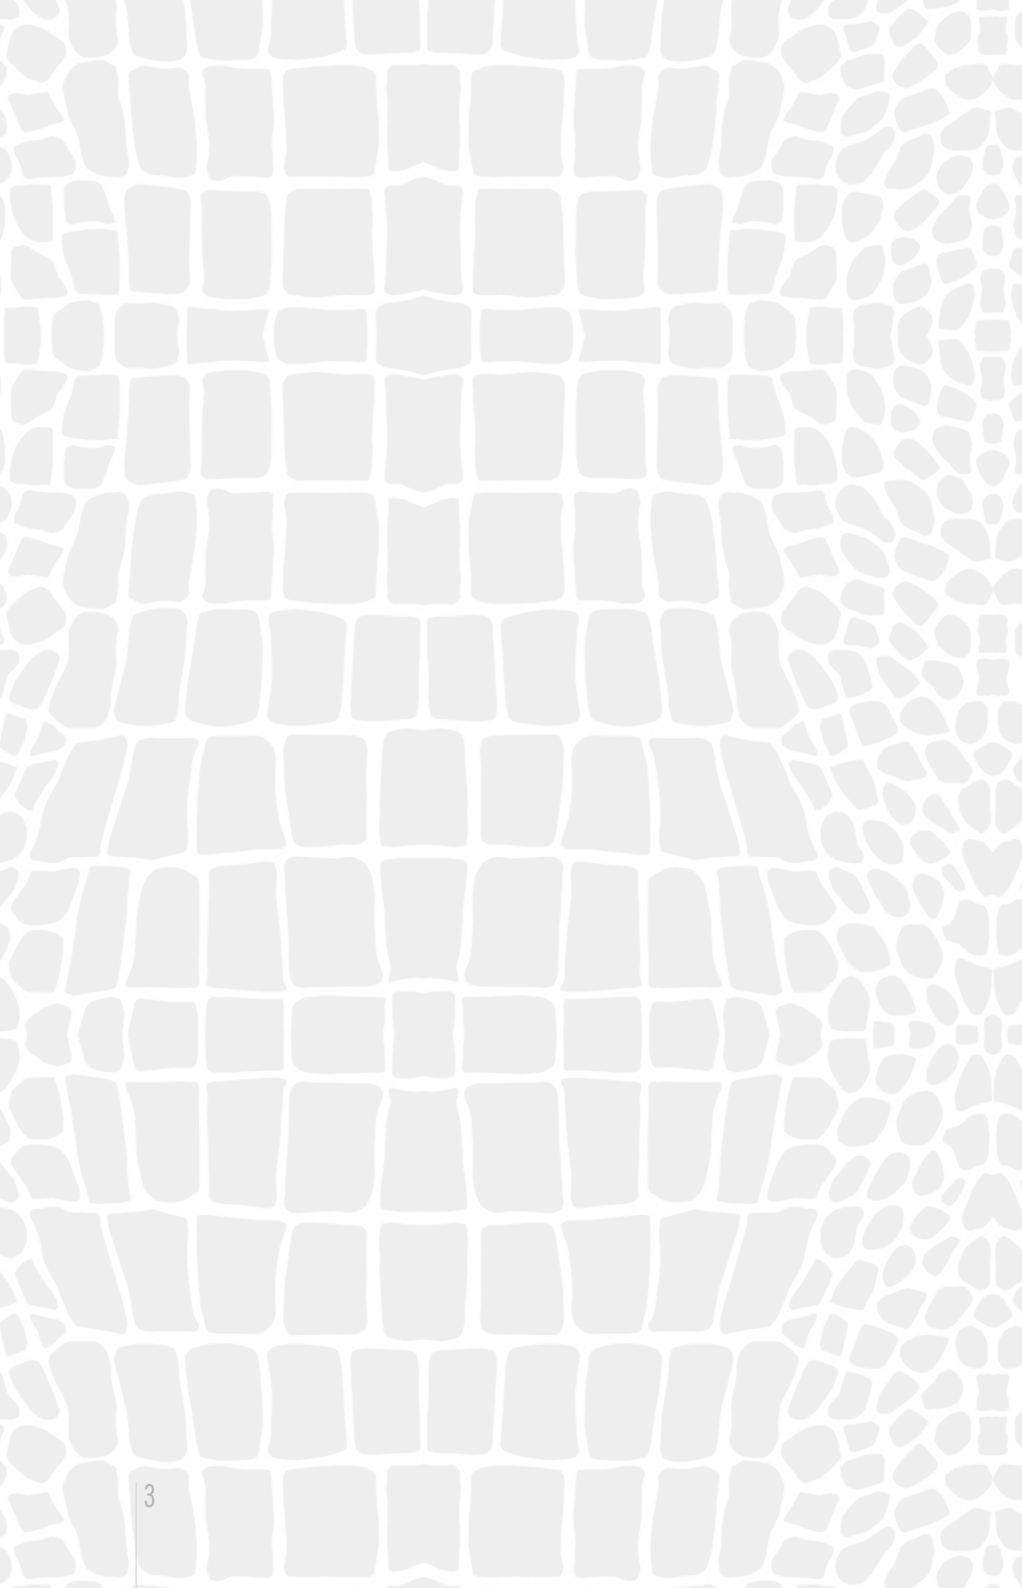

These are just some of the features of our collection, where imagination and natural energies blend into the solidity of stone by means of exclusive production techniques.

Natura Collection: our new excitement straight from Nature.

Natura e tecnologia si alleano e i risultati sono ricercati e unici: il connubio amplifica il potenziale espressivo della pietra.

L'energia trasmessa è vitale. La bellezza è suprema.

Motivi e finiture possono essere personalizzati grazie alla vasta gamma di materiali disponibili ed all'utilizzo di tecniche di produzione innovative atte a rendere ogni realizzazione unica ed inimitabile.

Il nostro reparto tecnico è a disposizione per elaborare soluzioni e disegni su misura per il vostro progetto.

Nature and technology join forces to achieve fancy and unique results: their union boosts the expressive potential of the stone.

The transmitted energy is vital. The beauty is supreme.

Patterns and finishes can be tailored thanks to the wide range of materials available and the use of innovative production techniques, granting all of our creations a unique and inimitable character.

Our architectural division is at your complete disposal to work out technical solutions and customized patterns to create your exclusive project.
