Antolini | Tech<sup>®</sup>

## Antolini | Tech®

Antolini | Tech® is a collection of porcelain slabs that recreates patterns, designs and veining of natural stones, in a way only Antolini® knows best. As the undisputed leader in natural stone production, Antolini® has the keenest eye to identify Mother Nature's most unique creations. Over 65 years of experience is culminated in the Antolini | Tech® collection, resulting in the world's most realistic representation.

A composition of clay, sand, feldspar and kaolins are pressed and fired at extremely high temperatures to create a durable and versatile product. Antolini | Tech® is a contemporary alternative for a wide range of both indoor and outdoor applications: from flooring and cladding to bathroom and kitchen countertops and backsplashes.

*Antolini | Tech® è la collezione di lastre in gres porcellanato ispirata alle trame, alle venature e ai tratti caratteristici della pietra naturale che solo Antolini® è in grado di riprodurre in tutta la sua essenza e unicità.*

*Antolini®, leader nel settore della pietra naturale, ha scelto di mettere a disposizione tutta la sua esperienza e conoscenza di oltre 65 anni di attività alla ricerca delle creazioni uniche di Madre Natura. Così nasce Antolini | Tech®, la collezione capace di esprimere la bellezza assoluta dei materiali naturali con le caratteristiche di resistenza e adattabilità tipiche delle superfici in gres.*

*Una composizione di argilla, sabbia, feldspati e caolini viene pressata e cotta a temperature molto elevate per creare un prodotto estremamente durevole e versatile.*

*Antolini | Tech® rappresenta una soluzione moderna e sofisticata per un'ampia gamma di applicazioni sia per interni che per esterni: dai pavimenti ai rivestimenti, fino ai piani per bagni e cucine.*
