

Dear Retreat Facilitator,

Help us help you relax and enjoy retreat experience at Sunshine Mountain Lodge!

Please make sure that everyone in your party is familiar with these helpful hints.

 *The lodge kitchen is available for your use to prepare meals for your group. Please remember that water is a precious resource; do not use any more than necessary when washing dishes. Dispose of all food garbage & grease in the trash can. The dumpster is located behind the red fence, north of the lodge. Please recycle!*

 *There is Verizon cell phone service and Wi-Fi available.
Network: Sunshine Guest - no password required*

 *We are a non-smoking facility - Please smoke outside.*

 *Enjoy the fire-pit. Please use the bucket provided to make sure that the fire is completely extinguished when you are finished. Firewood is available for free - please don't take advantage.*

 *Observe quiet outdoors after dark.*

 *Feel free to explore our 5 wooded acres. Respect our neighbor's property and observe private property boundaries.*

 *The washer and dryer are for commercial use only - not available for guest's to use.*

 *Please consider that there will likely be another group coming in soon after your group leaves. We ask that you leave the kitchen in the same clean condition as when you arrive. Cleaning supplies for the kitchen can be found under the sink. Please do dishes and put them away, clean stove tops, refrigerators, counter tops and tables. We will take care of cleaning the bathrooms and changing the linens.*

 *If you move furniture - indoors or outdoors - make sure to put it back before you check out.*

 *Check out is by 10:00 am. It would be very helpful to get a head start on laundry on the morning that you leave. Please let us know if any of the cabins will be vacant earlier than check out time.*

Thank you for choosing Sunshine Mountain Lodge!
