ST. JOHN'S

ACADEMY

This spring, St. John's Academy will begin the process of switching our school testing platform, moving from MAP testing to [NDA+ \(North Dakota A+\)](#) testing.

Our 3rd through 8th graders will take state testing NDA+ and MAP testing this spring. Beginning next Fall, we will transition exclusively to State NDA+ in place of MAP. Interim test will be given Fall and Winter with the State NA+ happening in the Spring.

Why was this decision made?

- Moving to NDA+ testing, we will save \$4,500 per year.
- We will have data that is aligned to state standards rather than national standards.
- We will be able to have data that is comparable to neighboring schools, enabling us to provide a clear picture of our strengths and challenges, ensuring that we are able to make the best decisions to academically support our students.

Any questions, please contact Mrs. Haas!
