# calling all pop Tabs

The 2<sup>nd</sup> and 3<sup>rd</sup> grade classes will be collecting pop-tabs for the Ronald McDonald House Charities in Fargo (RMHC) in their mission to help families across our state and beyond. These tiny little pieces of aluminum make a HUGE difference. By collecting and then turning them into RMHC, they will be recycled and turned into a fund that helps families stay at the Ronald McDonald House without having to worry about the financial burden it may place on families. They can then focus on the care and health of their child in the hospital.

If you want to donate pop-tabs, too, please collect, bag them up, and bring them to the SJA Office. They will be delivered during the 2nd/3rd grade field trip to Fargo in the spring.

more info on  
next page

# OUR RONALD MCDONALD HOUSE EXPERIENCE

Teddy (our middle) was born 6 weeks early. We had no idea the impact RMHC would have on our lives. The home away from home offered peace of mind, comfort, and the ability to focus on Teddy's recovery in the NICU. We were in the 'houses' before they built the new building by the new Sanford hospital. RMHC continues to bless families throughout the nation. We look forward to contributing to RMHC during our May field trip this spring! Keep collecting those pop-tabs!

# YOUTH TRAVEL BASKETBALL

Jamestown Basketball Boosters Youth Travel Basketball is a program that runs from October to March. Athletes will train to increase their skill level, work hard and earn playing time while learning teamwork, sportsmanship, success and failures. Teams will practice 2x per week and travel to various tournaments throughout the season. 2nd grade will practice mid-November to early March doing 2-4 local tournaments. Your child's coach will be in touch with you regarding practice days and times by the beginning of October.
