AFFABILITY

The definition of affability is to be approachable and kind; easy to talk to; friendly. This virtue is seemingly common-sense and easy for most people to achieve on a daily-basis. But what about in times of stress, when there's conflict, or when you encounter someone who is unkind or has a different world view or opinion than you? Affability does not come so easy in those situations but we are still called to be affable to those around us. Showing affability to others is just one of the many ways Christ's light shines through us. Can you think of a time when Jesus showed affability so those who opposed him? Next time someone is unkind to you, ask God to help you treat them as Jesus did.

Ideas for Families:

- **Read & Discuss together:**
Luke 1:39-45
- **Pray** for affability when you encounter someone who disagrees with you.

"Be kind and compassionate to one another, forgiving each other, just as in Christ Jesus forgave you."

Ephesians 4:32
