ORDERLINESS

God created all things with perfect order. Orderliness brings peace, beauty, harmony, and joy. Having orderliness in our lives helps us to respect the things that God has entrusted to us, including our workspace, house, desk, and even our body.

Think about a time in your life that was chaotic. How did it make you feel to be in the midst of chaos? Most people find it stressful. Children often act out when there are no boundaries. As adults we too, crave order and boundaries within our day. Orderliness helps us feel safe and gives us parameters that guide us.

This was God's intention as he put the earth and stars in motion. There is an order to each day, month, and year. There is a rhythm to life cycles, big and small, and when we can live with orderliness in mind, it helps us to see God in all the intricate patterns of this world, including yours.

Ideas for Families:

- **Read & Discuss together:**
1 Corinthians 14:33
- **Pray** for ways to improve your orderliness around your house, your workplace, and your thoughts and actions.

"BUT EVERYTHING SHOULD BE DONE IN
A FITTING AND ORDERLY WAY."

1 CORINTHIANS 14:40
