"Sourced from the Santa Rita Hills AVA, the 2022 'Black Cat Bone' offers juicy guava and cranberry flavors alongside salty soils on the palate. Smooth, with a soft texture, enjoy now and over the next few years. Drink 2025-2031"

"A beautiful color in the glass, this bottling sports smashed raspberry and red rose petal aromas on the nose that are cut by funkier lines of dirt and earth. The palate is packed with zesty red fruit as more savory tones of mushroom and leather linger into the gamy finish."

ABOUT THE LABEL

A skeletal lucky cat raises its paw, pairing the Japanese symbol of good fortune with the black cat bone, a lucky charm from hoodoo and the blues.
