pH

TASTING NOTES

"Rugged limestone soils give this Roussanne beautifully expressive fruit. Pear and honeydew lead into butterscotch and wet stone, all balanced by bright, refreshing acidity."

DOESN'T
LIKE
DIAMONDS**

ABOUT THE LABEL

When a girl tells you, "I don't like diamonds," it sticks with you. She's now depicted as a rose-tattooed woman holding brass knuckles behind her back. For this second release, the original artwork returns in full color.
