General Price List

These prices are effective as of January 1, 2018 and are subject to change without notice.

The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. However, any arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the goods and services you selected.

Basic Services of the Funeral Director and Staff

\$1,890.00

Our basic professional service charge includes, but is not limited to staff to respond to initial request for service, arrangement conference with family or responsible party, preparation and filing of necessary certificates and permits, authorizations, and/or consents; planning of funeral arrangements, and coordinating with those providing other portions of the funeral, e.g. cemetery, crematory, and others. Also included in this charge are overhead expenses relative to our facility, utility expenses, secretarial and administrative costs, and equipment and inventory expenses.

This fee for our basic services will be added to the total cost of the funeral arrangements you select. This fee is already included in our charges for direct cremations, immediate burials and forwarding or receiving.

Embalming

\$970.00

Except in certain special cases, embalming is not required by Law. Embalming may be necessary, however, if you select certain funeral arrangements, such as a funeral with viewing. If you do not want embalming, you usually have the right to choose an arrangement which does not require you to pay for it, such as a direct cremation or immediate burial. The charge for embalming includes bathing and disinfection. Louisiana Law requires embalming or disposition with 30 hours after death.
