VERTIGO 787

PURE EXPERIENCE

CRUISE IN STYLE

SARISSA VERTIGO 787

ENGINE: 1*250 HP SUZUKI

LENGTH: 8.50 M

CRUISING SPEED: 35 KN

CAPACITY: 9 PAX + SKIPPER

BUILD: 2022

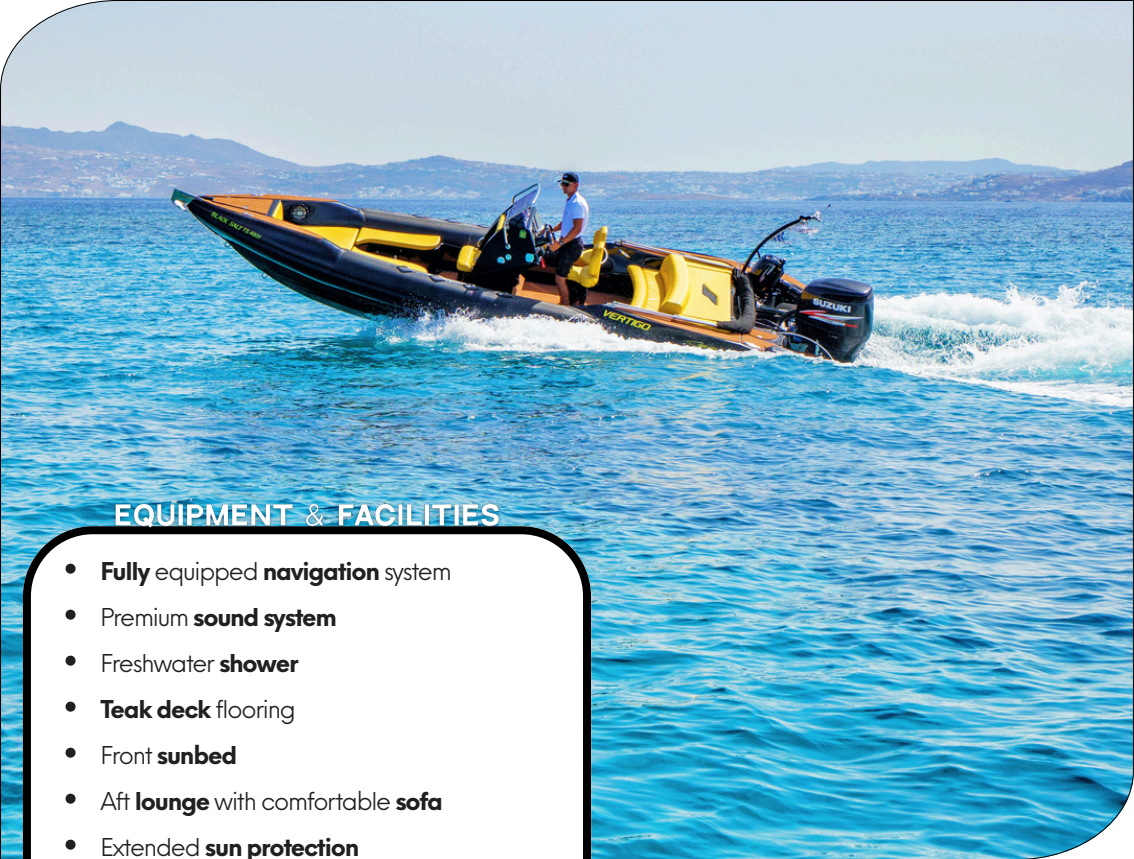

The Sarissa Vertigo 787 is an elegant and versatile 8.50-meter R.I.B., designed to offer a smooth and dynamic cruising experience in style.

Built on a distinctive, high-performance hull designed by renowned naval architect Adam Younger, the Vertigo stands out for its exceptional ride quality, ensuring both stability and comfort even in challenging sea conditions.

Its spacious and intelligently arranged deck provides ample room for relaxation, sunbathing, and socializing, making it an ideal choice for couples, families, or small groups seeking a compact yet refined option.

With its sleek design, responsive handling, and timeless aesthetics, the Sarissa Vertigo 787 delivers a perfect balance of performance, comfort, and elegance — making it a trusted companion for unforgettable moments on the water.
