

An aerial photograph of a black inflatable boat with a tan deck, the SeaFighter T30, moving through clear turquoise water. The boat is viewed from above and is leaving a white wake. Several people are on board, including one person at the bow and others near the stern. The boat has two outboard motors at the back. The text 'SeaFighter T30' is overlaid in white on the boat. There are white corner brackets in the corners of the image.
