ARRANGEMENTS FOR FUNERAL SERVICES, BURIAL, CREMATION AND SHIPMENT

Federal and State agencies have determined that itemization of funeral services is essential for the benefit of the general public in order to assure that consumers are not asked to pay for services they do not receive. It is essential that each item of service, in addition to our basic fee for services be identified. It is our family's sincere concern that every requirement you may have be fulfilled in addition or apart from our standard offerings as listed herein. Please feel free to express yourself to our staff. We will make every effort to meet your needs. We appreciate the confidence and trust that you have placed with us.

Sincerely,

Spenser Prince and Living Waters Funeral Care Staff

"Prior to drafting any contract for goods or services, the responsible party or the decedent's survivor who is handling the funeral arrangements is entitled to receive a copy of any preneed agreement in the possession of the funeral establishment that has been signed and paid for, in full or in part, by or on behalf of the decedent."

The goods and services shown below are those we can provide to our customers. You may choose only the items that you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

BASIC SERVICES OF FUNERAL DIRECTOR AND STAFF AND OVERHEAD. This is the basic fee that we charge every family for our professional expertise in assisting them with their preferences. It includes a proportionate share of the taxes, licenses, utilities and business expenses required to serve the public. Our charge includes, but is not limited to, 24 hour availability of the staff to respond to the initial request for services, consultation with the family, administrative and clerical services, preparation of the death certificate for certification of the attending physician or coroner, necessary permits, filing of the death certificate with appropriate agencies, consultation with the clergy, cemetery or common carrier, assistance with insurance papers, planning the funeral, and placement of obituary notices. There will be a charge for each service requested or required. This fee for our basic services and overhead will be added to the cost of the funeral arrangements you select. (This fee is already included in our charges for direct cremations, immediate burials, and forwarding or receiving remains.)
