

What's on at Carse Kirk

For young people and families

Sundays:

All are welcome to join in worship across the Carse, services are held weekly in both Abernyte and Inchtute at 9.30am, and both Invergowrie and Longforgan at 11am.

We have All Together services on the first Sunday of alternate months at 10am, location as advertised.

Young people and families are welcome at every building with toys and activities available. Two of our locations have dedicated children's programmes should you wish to join in with them:

Inchtute Sunday School

Meets in the church at 9.30am for the beginning of worship.

Invergowrie Junior Church

Meets in the church at 11am for the beginning of worship.

The choir is also popular with young people, rehearsals begin at 10am.

Abernyte in church

children are playfully involved in many ways.

There is hope; larger than any of us can grasp.

There is love; more generous than is known in this world.

There is peace; far beyond understanding.

We are seekers. Pursuing hope, love, peace together.

You, too, are invited.
