Political Advocacy

Fighting For Your Business

Through our advocacy work, we give you a strong voice in shaping business laws at local, regional, state and federal levels of government

Strength In Numbers

The Chamber builds coalitions, and organizes members to build a stronger economy. Your membership makes you an integral partner in our community.

Exclusive Policy Access

Members get exclusive access into current laws and policies that impact your business.

Fighting Fiscal Irresponsibility

We work everyday to fight against policies that kill jobs and hurt the economy.

Involvement In The Community

Community Events

Participate in events where hundreds of community members come together to celebrate the businesses, people, and projects that enhance our community.

Build Your Network

Join us for a weekly networking lunch to connect and grow your business. Members get discounted pricing.

Certificates of Origin

Create, submit, and print electronically certified documents right at your own desk. Electronic Certificates of Origin provide easier and faster Customs clearance and increased productivity for companies.

Positive Connections

The Chamber is a community hub that brokers connections for its members to customers, businesses, partners and residents.

City Connections

The Chamber is your avenue to have direct access to the city for all of your business needs.
