"...Rather, we wanted to present ourselves as a model for you, so that you might imitate us." 2 THESSALONIANS 3:9

Most people who live a grateful and generous lifestyle don't go around bragging about it. But through their words and actions, others do take notice. They notice because of the joy and peace that results and others desire this in their own life. Know that the way you live your life may be the only interaction others may have with our Catholic faith.
