

PERINATAL LOSS TRAINING

FOR PROFESSIONALS

Hosted by Empty Arms Vermont –
A peer support organization for
individuals who have experienced
pregnancy and infant loss.

Join Empty Arms Vermont in Fall 2025 for perinatal loss trainings led by Carol McMurrich, founder of Empty Arms Bereavement Support. Sessions are offered for (1) **Outpatient Clinical Staff, Providers & Home Visitors**, (2) **Mental Health Therapists**, and (3) **Doulas**.

Expand your knowledge and skills in ● supportive language to help patients feel more comfortable ● procedures to prevent awkward encounters ● an understanding of the unique grief journey after pregnancy loss ● confidence in providing bereavement care to families.

These trainings are offered at **no cost to you** thanks to a grant through the VT Department of Health. CE hours are available for nurses and licensed social workers.
