www.vtcpap.com

Vermont Consultation & Psychiatry Access Program (VTCPAP) offers:

- **FREE, rapid psychiatric consultation** for pediatric patients (up to age 21) and now also perinatal patients!
- **Resource and Referral Support**: Linkages to therapists.
- **Free trainings** on mental health related topics.
- Guaranteed **callback** during open hours, or at a **scheduled time** of your convenience.
- VTCPAP **values your time** and aims to make the process simple, fast, and helpful.
